Res. No. 50 - 22 - 23. By Alderpersons Dekker and Perrella. August 1, 2022.

A RESOLUTION authorizing the appropriate City officials to enter into an Amendment No. 2 to the contract with Strand Associates, Inc. for design services related to the 2nd Creek Dry to Wet Pond Conversion.

WHEREAS, in June, 2018, the City hired Strand Associates for design services for the 2nd Creek Dry-to-Wet Pond Conversion ("Project") via Res. No. 25-18-19; and

WHEREAS, in October, 2021, the City authorized Amendment No. 1 to the Project via Res. No. 66-21-22; and

WHEREAS, based upon current engineering standards and conditions at the site, namely the removal of fill, Strand Associates, Inc. has determined that installing three wells and monitoring them monthly for a period of twelve months would be best practice to ensure ground water does not leech into the pond; and

WHEREAS, the costs associated with the three monitoring wells and monthly readings therefrom were not previously anticipated because the initial preliminary design thought there would be no need to remove soil from the bottom of the existing retention pond.

NOW THEREFORE, BE IT RESOLVED: That the City Engineer is hereby authorized to execute Amendment No. 2 with Strand Associates, Inc., as attached, for the installation of three wells and twelve months of monitoring services from these wells.

BE IT FURTHER RESOLVED: That the appropriate City officials may draw funds, not to exceed \$22,900.00 from Account No. 400300-641500 (Capital Projects - Storm Sewer Infrastructure) in payment of the services provided pursuant to this Amendment No. 2.
