March 13, 2024

Meredith DeBruin
City Clerk
828 Center Avenue
Suite 103
Sheboygan, WI. 53081

To Whom It May Concern:

I am writing to express my sincere interest in serving the remaining term of the City of Sheboygan District 3 Aldermanic position for our city. I believe that my passion for community service, independence, and commitment to the well-being of our citizens make me a strong candidate for this role. Throughout my involvement in local organizations and events, I have witnessed our city's challenges and opportunities. I am committed to contributing my time, energy, and skills to address these issues effectively.

My first experience with Sheboygan occurred 41 years ago when a high school buddy and I planned our first road trip in an old Ford pickup to the EAA Airventure in Oshkosh in the summer of 1983. I was a young private pilot and eager to explore the world of aviation in my neighboring state. We drove from our home in northeast Iowa with only a map and a few dollars in our pockets and decided to explore Lake Michigan during our adventure. During that trip, we accidentally found ourselves in a city I had never even heard of called Sheboygan. I was immediately amazed by the city, the shoreline, and the views to the east overlooking Lake Michigan, something I had never experienced. After spending our days in Oshkosh admiring the airplanes, we would travel to Sheboygan to hang out on the beach and sleep in the back of my pickup truck on the coast of the lake.

I had no idea at the time that I would revisit Sheboygan 15 years later, in 1998, with my young family, eager to start my profession as a radiologist at The Sheboygan Clinic and Sheboygan Memorial Medical Center. I have since raised five of my children and three stepchildren within the Sheboygan area.

I live in the Ellis Historical District with my wife, three stepchildren, a Great Dane, and three Sphynx cats. I have lived in this district for six years and enjoy spending my free time traveling, road biking, raising bees, boating on Lake Michigan, scooting around town on my Vespa, and photographing everything around me.

My life in Sheboygan is good, and simply put, I have fallen in love with this community and would be honored to serve in a more active role by resolving our great city's current issues and future goals. What sets me apart is my non-partisan approach. I am not affiliated with any political party, which allows me to consider each issue objectively and independently. I firmly believe that collaboration and open dialogue are essential for making informed decisions that benefit all residents of Sheboygan.

Here are some key points that highlight my qualifications and commitment:

1. **Community Engagement:** I have actively participated in several local clubs and organizations, and I understand the importance of engaging with residents and listening to their concerns.
2. **Problem-Solving Skills:** As a medical professional, I have honed my ability to analyze complex issues, propose practical solutions, and work collaboratively with diverse stakeholders.
3. **Transparency and Accountability:** I value transparency in government processes. If elected, I will ensure that residents are informed about decisions affecting our city and their voices are heard.
4. **Independence:** My non-partisan stance allows me to focus solely on what is best for Sheboygan, free from external influences.

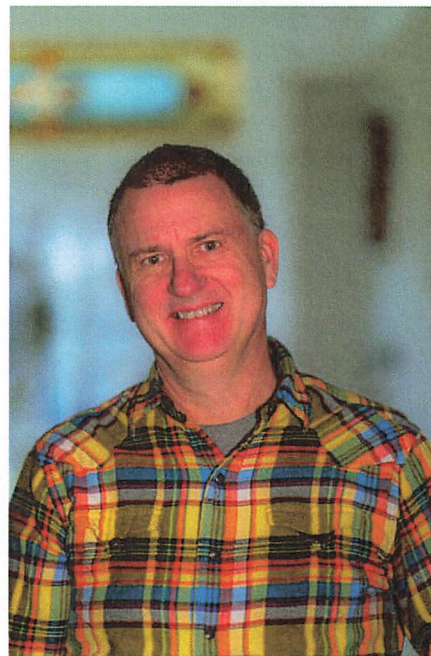

I am excited about the possibility of serving on the Sheboygan Common Council and contributing to the betterment of our community. If you have any further questions or concerns I can address, please contact me at your earliest convenience.

Thank you for your consideration.

Very Sincerely,

Daniel Peterson

Daniel A. Peterson

PERSONAL:

Date of Birth: January, 16, 1967
Place of Birth: Des Moines, Iowa
Citizenship: United States of America
Hobbies: Photography, Boating, Road Biking, Beekeeping, Amateur Radio
Spouse: Natalie Peterson
Children: Michaela (33), Emily (28), Lukas (26),
Noah (24), Lincoln (22), Cole (15), Kameryn (14), Brynn (14)

UNDERGRADUATE EDUCATION:

1981 – 1984 South Winneshiek High School, Calmar, IA.
1985 Hoover High School, Des Moines, IA.
1985 - 1989 Luther College, Decorah, Iowa. Bachelor of Arts, Biology/Chemistry

GRADUATE EDUCATION:

1989 – 1994 Rush Medical College, Chicago, Illinois.
Doctor of Medicine, June 11, 1994.
1991 – 1992 Rush University Graduate College,
Immunology/Microbiology,
Chicago, Illinois.

RESIDENCY:

1994 – 1998 The University of Iowa Hospitals and Clinics, Iowa City, Iowa.
Department of Diagnostic Radiology

BOARD CERTIFICATION:

American Board of Radiology. June 2, 1998

MEDICAL LICENSURE:

State of Wisconsin - Physician MD #39816

CURRENT EMPLOYMENT:

1998 - present Advocate Aurora Sheboygan Clinic, Sheboygan, WI.
Director, Women's Imaging Center.
Hospitals – Aurora Medical Center – Sheboygan, WI.

HONORS AND AWARDS

1996 Iowa Resident Representative to the American College of Radiology

1993 Alpha Omega Alpha, National Medical Honor Society.

1992 - 1994 Howard Hughes Medical Institute Research Training Fellowship for
Medical Students Research Grant.

1991 – 1992 Howard Hughes Medical Institute Research Training Fellowship for
Medical Students.

1990 – 1991 Rush Medical College Summer Research Fellowship, Department of
Cardiology, Rush Presbyterian St. Luke's Medical Center, Chicago.

1989 National Distinguished Service Award, Alpha Phi Omega, National
Service Fraternity.

UNIVERSITY GOVERNMENT AND SERVICES:

2022 – present	Member, National Accreditation Program for Breast Centers Aurora Medical Center – Sheboygan
2022 – present	Member, Practice Evaluation Committee Aurora Medical Center – Sheboygan
2008 – 2010	Member, Credentials Committee, Sheboygan Memorial Medical Center
2005 – 2010	Chair, Department of Radiology, Sheboygan Clinic/Sheboygan Memorial Medical Center
1997 – 1998	Chief Resident, Department of Diagnostic Radiology, The University of Iowa Hospitals and Clinics, Iowa City, Iowa.
1996 – 1997	Assistant Chief Resident, Department of Diagnostic Radiology, The University of Iowa Hospitals and Clinics, Iowa City, Iowa.
1992 - 1993	Delegate to the Illinois State Medical Society Medical Student Section Governing Council.
1990 – 1994	Representative to the Organization of Student Representatives, Association of American Medical Colleges.
1990	Liason Committee on Medical Education Student Committee on Research for Institutional Self-Study Task Force, Rush Medical College, Chicago, IL.

TEACHING EXPERIENCES:

1990 – 1994	Teaching Assistant, Physiology, School of Nursing Master's Program, Rush University, Chicago, IL.
1990	Student Instructor, Minority Medical Education Program of the Robert Wood Johnson Foundation, Rush Medical College, Chicago.

SCIENTIFIC PRESENTATIONS:

Peterson, DA., Brandser, EA, El-Khoury, GY, Steyers, C. Helical CT of Scaphoid Fractures: Reformatted Versus Directly Acquired Coronal Images. The 96th Annual Meeting of the American Roentgen Ray Society. San Diego, California. May 5, 1996.

Peterson, DA. Mechanism of Ganglioside GM³-Mediated Inhibition of the Epidermal Growth Factor Receptor. The 1992 Scientific Meeting of Medical Student Fellows. Oral presentation for the Howard Hughes Medical Institute on the campus of the National Institutes of Health, Bethesda, Maryland. May 12, 1992.

ABSTRACTS AND POSTER PRESENTATIONS:

1. Peterson, DA., Brandser, EA, El-Khoury, GY, Steyers, C. *Helical CT of Scaphoid Fractures Reformatted Versus Directly Acquired Coronal Images*. The 96th Annual Meeting of the American Roentgen Ray Society. San Diego, California. May 5, 1996.
2. Bremer, E. and D. Peterson. *Modulation of Growth Factor Receptors by Gangliosides*. European Society for Neurochemistry, May, 1992.
3. Peterson DA. *Mechanism of Ganglioside GM1-mediated Inhibition of the Epidermal Growth Factor Receptor*. Howard Hughes Medical Institute, Bethesda, MD., May, 1992.
4. Peterson D., Volgman, A., Zbilut J., Parrillo J., Buckingham T. *Reentry Mechanism in Programmed Electrical Stimulation-Induced Ventricular Tachycardia*. Presented at the Rush University Research Week, Sigma Xi Poster Session, Rush University, Chicago, IL, 1991.
5. Volgman A., Peterson D., Zbilut J., Parrillo J., Buckingham T. *Reentry Mechanism in Programmed Electrical Stimulation-Induced Ventricular Tachycardia*. American College of Cardiology 40th Annual Scientific Session, Atlanta, GA., March 3, 1990.
6. Peterson D., Volgman A., Zbilut J., Parrillo J. and T. Buckingham. *Reentry Mechanism in Programmed Electrical Stimulation-Induced Ventricular Tachycardia*. University Research Week, University Committee on Research, Rush University, Chicago, IL., April 16, 1991.

MANUSCRIPTS:

1. Peterson, DA., Brandser, EA and GY El-Khoury. *Helical CT of Scaphoid Fractures: Reformatted Versus Directly Acquired Coronal Images*. In preparation.
2. Peterson, D.A., Brandser, E., C. Steyers. *Imaging Scaphoid Fractures and Nonunions: Familiar Methods and Newer Trends*. Iowa Orthopaedic Journal. 16:97-103, 1996.
3. Volgman A., Peterson D., Zbilut J., Parrillo J., Buckingham T. *Factors Predicting the Induction of Sustained Monomorphic Ventricular Tachycardia by Programmed Electrical Stimulation*. Submitted to the Journal of Cardiovascular Electrophysiology, July, 1992.

RESEARCH GRANTS RECEIVED:

Title: Identification and Characterization of the Specific GM3-Binding Site on the Epidermal Growth Factor Receptor.

Principal Investigator: Daniel A. Peterson, B.A.
Source: Rush University Committee on Research
Project Period: July 1992 to July 1993.
Amount: \$9,954.41

Title: Howard Hughes Medical School Research Grant

Source: Howard Hughes Medical Institute, Bethesda, Maryland.
Project Period: July 1992 – July 1994.
Amount: \$ 50,000

MEDICAL SOCIETY MEMBERSHIPS:

Radiological Society of North America
American Roentgen Ray Society
American Medical Association
Alpha Phi Omega – Honor Medical Society

COMMUNITY AFFILIATIONS:

Member - The Benevolent and Protective Order of Elks Lodge 299
Member – Sheboygan County Beekeepers Association
Member – Sheboygan County Amateur Radio Club
Editor – The Sheboygan Yacht Club
