City Clerk Meredith DeBruin
City Hall
Sheboygan, WI 53081

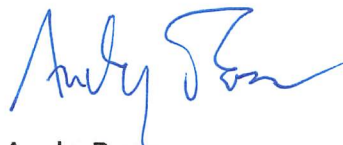

Dear Ms. DeBruin,

Please accept this letter as my interest for the vacant City of Sheboygan District 3 Aldermanic position.

Having previously served in this position (2017-2018), I believe I could strongly support the needs of my district and our city without the need for an in-depth orientation. As a local business owner and a District 3 homeowner for more than 30 years, I believe I would also provide some useful perspectives for the Common Council.

I have attached my resume to provide additional information regarding my candidacy.

Sincerely,

Andy Ross
