- 83 percent of incidents are overlapping calls, which is an increase from YTD 2024.
- School safety programs will begin in September.
- Fire training hours are up 46 percent from YTD 2024.
- Fire inspections completed are significantly higher than the first half of 2024 with 2,110 inspections completed in 2025 and 214 inspections completed in 2024. This is due to implementing a new fire reporting program last year and a delay in the start of the inspection season.
