To Whom it May Concern,

There are many great things about living in this community but, without a doubt, the Mead Public Library is one of the best! As a long-time library patron, I am very familiar with the awesome selection of books and periodicals. I am grateful for the dedicated staff who answer my many questions and help me find information. I've even learned to play the ukulele because of Lil Rev's classes offered by Mead! I've attended numerous meetings over the years in Mead's conference rooms and, most recently, I have enjoyed meeting there with the Sheboygan Ukulele Club. All of these are wonderful!

I wanted to take this opportunity, though, to give kudos to the staff who had the idea to provide Baking Supplies. What a fabulous idea! As a retired person, I am at that stage in my life where I don't need to acquire more "stuff," but I'm delighted that I can try new things using the items Mead has available. As you can see from the photos below, I have made good use of them in recent months. Thank you, thank you for offering such a wonderful community service!

Sincerely,

My Christmas Dinner dessert was made with the **Nordic Ware Yule Log Cake Pan**.

Shortbread Cookies made with the **Snowflake Embossed Rolling Pin** were a work of art!

The **Bundtlette Mini Pan** was perfect for making a variety of small bundt cakes to add to a tray I took to a holiday party.

This delicious assortment was made for my favorite French friends using the **Madeleine Pan**.
