TO ALL BUILDING CONTRACTORS:

To better utilize available hours of Building Inspection Department personnel, it is important to reemphasize the process and procedures provided for in city and state codes for required inspections. Please read the attached carefully and adhere to the requirements. If a required inspection is not requested of our department, a penalty inspection fee of \$50 will be assessed. The inspection, at your own expense, is still required even if this means having to uncover, dismantle, or excavate the area.
