• We will do only the service you authorize. • We will not exceed the estimated cost of services without your permission. • We will, at your request, return your old parts or hold them for your inspection.

LIMITED WORKMANSHIP AND MATERIALS WARRANTY

Congratulations on your purchase of your new tires from Wal-Mart Stores, Inc. ("Wal-Mart")! This Limited Workmanship and Materials Warranty applies to all tires that are purchased from Wal-Mart Stores, Inc. ("Wal-Mart") or Wal-Mart.com and installed at Wal-Mart. This warranty is backed by Wal-Mart and protects the **original purchaser** from defects in the raw materials or quality of workmanship that require a tire to be removed from service. Wal-Mart stands behind the warranties of the tires that we sell. We do not send tires back to the manufacturer for warranty.

HOW LONG IS THIS LIMITED WARRANTY VALID? Under this limited warranty, tires found to be defective will be covered by this warranty for the life of the tire, as measured by the usable tread depth. Usable tread depth is defined as the depth of the tread down to the final 2/32nds of an inch. The last 2/32nds is not considered usable tread.

WHAT IS COVERED BY THIS LIMITED WARRANTY? This Limited Workmanship and Materials Warranty provides additional coverage to tires purchased and installed at Wal-Mart that are "defective," defined as conditions that require a tire to be removed from service due to defects in the raw materials or quality of workmanship. Wal-Mart at its sole discretion will determine whether a tire is defective and is therefore eligible for replacement under this Limited Warranty. Tires that are deemed defective will be replaced free of charge (except for installation cost and applicable taxes and government-mandated charges) during the first 25% of usable tread or one (1) year, whichever comes first. Tires that are worn beyond the first 25% of usable tread, or are over one (1) year from the date of purchase, will be replaced on a pro-rata basis with comparable new tires based on tread depth remaining, in the form of a Wal-Mart tire credit. Usable tread depth is defined as the depth of the tread down to the final 2/32nds of an inch. The last 2/32nds is not considered usable tread. In addition to the difference between the cost of the replacement tire and the credit amount, you pay the installation cost and any other service charges and applicable taxes and government-mandated charges. In addition, if the defective tire was covered by the Wal-Mart Optional Road Hazard Warranty, you will need to purchase new Optional Road Hazard Warranty coverage on the replacement tire if you wish to continue Road Hazard Warranty Coverage for the new tire. If a tire is deemed eligible for warranty replacement and you have complied with the terms and conditions of the warranty, Wal-Mart will replace the tires as described under "HOW REPLACEMENT CHARGES ARE CALCULATED." Tires that fail during the warranty period will be eligible for free (except for installation cost and applicable taxes and government-mandated charges) or pro-rata replacement IF AND ONLY IF:

• You are the original purchaser of the tires, and the tires have been used only on that vehicle	
• At the time of the adjustment claim, the original tire installation record and the original invoice for purchase of the tires are presented to Wal-Mart	
• The tires have not become unserviceable due to a condition listed under WHAT IS NOT COVERED	

WHAT IS NOT COVERED BY THIS LIMITED WARRANTY?

This warranty DOES NOT COVER tires that is damaged or failed due to:

• Improper Repair	• Accident	• Rapid or irregular wear	• Misapplication, racing, under-inflation, over-inflation, or other abuse	• Racing	• Snow chains or studs
• Vandalism	• Road hazards	• Excessive abuse		• Off-road use	• Worn mechanical components on the vehicle

In addition to the above exclusions, THE WARRANTY DOES NOT APPLY to:

• Tires that have been used in commercial applications, including but not limited to taxi service, towing, government use, and contract sales	
• Tires that have been used for racing or off-road purposes	• Tires that have been installed on any vehicle other than the vehicle on which they were originally installed

This Limited Warranty does not provide compensation for inconvenience or incidental or consequential damages. Some states do not allow the exclusion or limitation of consequential damages, so the above limitation or exclusion may not apply to you.

HOW ARE REPLACEMENT CHARGES CALCULATED? If your tire is defective and you have complied with the terms and conditions of this Limited Warranty, Wal-Mart will provide a free replacement tire (except for the tire installation cost and applicable taxes and government-mandated charges) during the first 25% of usable tread or one (1) year, whichever comes first. Tires that are worn beyond the first 25% of usable tread, or are over one (1) year from the date of purchase, will be replaced on a pro-rata basis with comparable new tires based on tread depth remaining, in the form of a Wal-Mart tire credit. Usable tread depth is defined as the depth of the tread down to the final 2/32nds of an inch. The last 2/32nds is not considered usable tread. In addition to the difference between the cost of the replacement tire and the credit amount, you pay the tire installation cost and applicable taxes and government-mandated charges. FOR EXAMPLE, if your tire is 1/2 worn at the time your tire is deemed defective, you would receive a credit of half the current price of that tire toward the current price of a new or replacement tire. If the price for a comparable tire is \$120, you will pay \$60 plus any additional charges such as tire installation cost and any other applicable taxes and fees.

HOW DO I MAKE A CLAIM UNDER THIS LIMITED WARRANTY? When making a claim under the terms of this limited warranty, you must present your tires and the vehicle on which the tires were used to Wal-Mart for inspection. To find the location of the nearest Wal-Mart that can process the replacement request, visit our website at <http://www.walmart.com> and click on "My Local Store" or call 800-925-6278. You must present your original invoice and your Wal-Mart installation record.

CONDITIONS AND EXCLUSIONS. This limited warranty does not provide compensation for loss of time, loss of use of vehicle, inconvenience, or incidental or consequential damages. Some states do not allow the exclusion or limitation of incidental or consequential damages, so the above limitation or exclusion may not apply to you. In the event of a disputed claim, you must make the tire available for further inspection. Tires accepted for the claim become Wal-Mart's property. No Wal-Mart representative or employee has the authority to make or imply any representation, promise or agreement that differs in any way from the terms of this warranty. This warranty only applies in the United States.

CONSUMER RIGHTS. This warranty gives you specific legal rights. You may also have other rights which vary from state to state.

LIMITED TREADWEAR WARRANTY FOR TIRES PURCHASED FROM AND INSTALLED AT WALMART STORES, INC.

1. TIRES COVERED BY THIS WARRANTY. This limited treadwear warranty applies to all tires that have a posted limited treadwear warranty when purchased from Wal-Mart Stores, Inc. ("Wal-Mart") or Wal-Mart.com and installed at Wal-Mart. This warranty is backed by Wal-Mart. This warranty protects the original purchaser from premature tire wear by providing a pro-rata replacement if the tread wears out before reaching the warranted mileage based on your Wal-Mart invoice. The original tread will be considered to be worn down when there are 2/32nds of an inch of tread remaining. If a tire does not reach the warranted mileage prior to becoming worn down to 2/32nds of an inch of tread, and you have complied with the terms and conditions of the warranty, Wal-Mart will replace the tires as described under "HOW REPLACEMENT CHARGES ARE CALCULATED." Tires that wear out before achieving the warranted mileage will be replaced on a pro rata basis ONLY IF:

• You are the original purchaser of the tires, and the tires have been used only on that vehicle	• The tires have not become unserviceable due to a condition listed under WHAT IS NOT COVERED
• At the time of the adjustment claim, the original tire installation record and the original invoice for purchase of the tires are presented to your local Wal-Mart	

2. WHAT IS NOT COVERED

This warranty DOES NOT COVER tires that have become unserviceable due to:

• Road hazard injury (e.g., cut, snag, impact damage or puncture)	• Uneven or rapid wear caused by mechanical irregularity in the vehicle such as wheel misalignment	• Flat spotting caused by improper storage, or brakelock
• Improper repair		• Cosmetic ozone or weather cracking
• Misapplication, racing, under-inflation, over-inflation, or other abuse	• Accident, fire, chemical corrosion, tire alteration or vandalism	

In addition to the above exclusions, THE WARRANTY DOES NOT APPLY to:

• Tires that have been used in commercial applications, including but not limited to taxi service, towing, government use, and contract sales	• Tires that have had the tread pattern altered in any manner such as, but not limited to, siping, carving, shaving, or having any material applied to the surface.
• Tires that have been used for racing or off-road purposes	
• Tires that have been installed on any vehicle other than the vehicle on which they were originally installed	

3. HOW REPLACEMENT CHARGES ARE CALCULATED. A mileage tire meeting the conditions for pro rata replacement will be replaced with a comparable new tire based on mileage received, in the form of a Wal-Mart tire credit. Wal-Mart will determine the credit amount by multiplying the percent of mileage received by the then current actual selling price at Wal-Mart. In addition to the difference between the cost of the replacement tire and the credit amount, you pay the tire installation cost and applicable taxes and government-mandated charges. FOR EXAMPLE, if a tire warranted for 40,000 miles wore out after 20,000 miles, you would receive a credit of half the current price of that tire toward the current price of a new or replacement tire. If the price for a comparable tire is \$120, you will pay \$60 plus any additional charges such as tire installation cost and any other applicable taxes and fees.

4. WHAT THE CONSUMER MUST DO WHEN MAKING A CLAIM. When making a claim under the terms of this limited warranty, you must present your tires and the vehicle on which the tires were used to Wal-Mart for inspection. You must present your original invoice and your Wal-Mart installation record.

5. CONDITIONS AND EXCLUSIONS. This limited warranty does not provide compensation for loss of time, loss of use of vehicle, inconvenience, or incidental or consequential damages. Some states do not allow the exclusion or limitation of incidental or consequential damages, so the above limitation or exclusion may not apply to you. In the event of a disputed claim, you must make the tire available for further inspection. Tires accepted for the claim become Wal-Mart's property. No Wal-Mart representative or employee has the authority to make or imply any representation, promise or agreement that differs in any way from the terms of this warranty. This warranty only applies in the United States.

6. CONSUMER RIGHTS. This warranty gives you specific legal rights. You may also have other rights which vary from state to state.

OPTIONAL ROAD HAZARD WARRANTY

Congratulations on your purchase of your new tires from Wal-Mart Stores, Inc. ("Wal-Mart") and the optional Wal-Mart Road Hazard Warranty! This document is your contract. This Road Hazard Warranty is OPTIONAL protection that can be purchased and is ONLY EFFECTIVE WHEN THE ORIGINAL INVOICE IS PRESENTED WITH THIS WARRANTY FORM. This warranty is backed by Wal-Mart Stores, Inc. ("Wal-Mart") and provides coverage to the **original purchaser** for tire failure due to unforeseen hazards of the road causing flat tires, impact breaks, and non-repairable punctures. **HOW LONG IS THIS OPTIONAL WARRANTY VALID?** Under this optional warranty, tires found to be defective will be covered by this warranty for the life of the tires, defined as the duration of usable tread depth. In the event that a tire fails due to an unforeseen road hazard, this warranty provides free (you pay the installation cost and applicable taxes and government-mandated charges) flat repair and pro-rata replacement if the failure is non-repairable. Eligibility for warranty coverage is determined at Wal-Mart's sole discretion. If the tire is eligible for warranty coverage and you have complied with the terms and conditions of the warranty, Wal-Mart will replace the tires as described under "HOW REPLACEMENT CHARGES ARE CALCULATED." HOW ARE REPLACEMENT CHARGES CALCULATED? Wal-Mart will repair a flat tire for free (except for the tire installation cost and applicable taxes and government-mandated charges). A tire with a non-repairable puncture and meeting the terms and conditions of the warranty will be replaced with a comparable new tire, as determined by Wal-Mart, in the form of a Wal-Mart tire credit. The amount of the Wal-Mart tire credit will be calculated based on the wear of the tire at the time of replacement. FOR EXAMPLE, if your tire is 1/2 worn at the time your tire receives unrepairable damage, you would receive a credit of half the current price of that tire toward the current price of a new or replacement tire. If the price for a comparable tire is \$120, you will pay \$60 plus any additional charges such as tire installation cost and any other applicable taxes and fees. Tires with less than 2/32nds of an inch of tread remaining are not eligible for replacement or repair under this Optional Warranty. The last 2/32nds is not considered usable tread. If your tire is deemed eligible for pro-rata replacement, you will pay the difference between the cost of the new tire and the Wal-Mart tire credit.
