Subject: 2025 Hydrant Painting

The Water Utility solicited a quote for painting 200 hydrants for the 2025 calendar year. The hydrants that were to be painted during 2024, will also be completed in 2025 as the contractor was not able to fit them into their schedule. The contractor is honoring 2024 pricing and extending it for all hydrants in 2025.
