APPLICANT:

It is important to emphasize the process and procedures provided for in city and state codes for required inspections. Please read the "Required Building Inspections" handout carefully and adhere to the requirements. If a required inspection is not requested of an inspector, a penalty inspection fee of \$50 will be assessed. The inspection, at your own expense, is still required even if this means having to uncover, dismantle, or excavate the area.

BUILDING INSPECTION DIVISION

After you read the "Required Building Inspections" handout, please sigr	n below. This sheet must accompany your
license/certification application and will be kept on file.
