**BACKGROUND / ANALYSIS:** The Wisconsin Department of Transportation started the road reconstruction project of Indiana Avenue/CTH PP between Esslingen Park and S. 24<sup>th</sup> Street in March of 2022 with a completion date of November of 2022. As part of this reconstruction project the only access to S. 24<sup>th</sup> Street is by traveling eastbound on Indiana Avenue. To allow for additional access to S. 24<sup>th</sup> Street this section of S. 24<sup>th</sup> between Indiana Avenue and Georgia Avenue is going to be changed from a one-way street designation to a two-way street designation. To accommodate the two-way traffic, parking on the west side of the street will be eliminated.

This section of S. 24<sup>th</sup> Street will be changed back to a one-way street designation with parking on the west side of the street when the construction project is completed in November of 2022.

**STAFF COMMENTS:** To allow the residents to have two access points during this road construction project City staffs supports temporarily changing this section of S. 24<sup>th</sup> Street from a one-way street designation to a two-way street designation.

**ACTION REQUESTED:** Motion to recommend the Common Council adopt Gen. Ord. 41-21-22 repealing Gen. Ord. No. 52-75-76 so as to remove the one-way street designation for South 24<sup>th</sup> Street between Indiana Avenue and Georgia Avenue, and removing parking on the west side of S. 24<sup>th</sup> Street between Indiana Avenue and Georgia Avenue.
