BACKGROUND / ANALYSIS: The intersection of S. 7th Street and Spring Avenue is currently a tee intersection with no stop signs and/or yield signs. A request from the neighborhood was to install a stop sign at the southwest corner of this intersection. This stop sign would require eastbound traffic on Spring Avenue to yield to all northbound and southbound traffic on S. 7th Street.

STAFF COMMENTS: To improve the safety of the S. 7th Street and Spring Avenue Intersection City staff supports this request.

ACTION REQUESTED: Motion to recommend the Common Council adopt Gen. Ord. No. 41-21-22 placing a stop sign at the southwest corner of Spring Avenue and South 7th Street.
