

AGENDA ITEM MEMORANDUM

DATE: 10/22/2025

TO: Public Works Committee

FROM: Kevin Jump, PE – City Engineer

SUBJECT: General Ordinance 21-25-26 – An Ordinance creating two (2) no parking zones on North Commerce Street.

ISSUE

Should the Public Works Committee recommend approving the creation of two new no-parking zones on North Commerce Street?

STAFF RECOMMENDATION

Staff recommends approval.

BACKGROUND/DISCUSSION

General Ordinance 21-25-26 proposes the establishment of two new no-parking zones along North Commerce Street.

- **East Side Restriction:** No parking from 20 feet south of the south curb line of Center Avenue to the south curb line of Wisconsin Avenue.
- **West Side Restriction:** No parking from the south curb line of Wisconsin Avenue to 20 feet south of the south curb line of Center Avenue.

These changes are necessary to maintain the free flow of traffic along the newly relocated and realigned North Commerce Street, which will serve as a key connector within this area of the city. By establishing no parking zones on both sides of the street between Center Avenue and Wisconsin Avenue, traffic flow can be improved without the need to acquire additional right-of-way.

Parking will be allowed on North Commerce Street between Pennsylvania Avenue and Center Avenue.

FUNDING IMPACT

There will be no funding impact.

IF APPROVED, NEXT STEPS:

Department of Public Works staff will install the signs before North Commerce Street reopens to traffic.
