Scope of Engagement Re: Proposed Issuance of Not to Exceed \$3,320,000 City of Sheboygan (the "City") General Obligation Promissory Notes, Series 2023A (the "Securities")

Dear Ms. DeBruin:

We are pleased to be working with you again as the City's bond counsel and disclosure counsel. Thank you for your confidence in us.

The purpose of this letter is to set forth the role we propose to serve and responsibilities we propose to assume as bond counsel and disclosure counsel in connection with the issuance of the above-referenced Securities. If you have any questions about this letter or the services we will provide, or if you would like to discuss modifications, please contact me.

Role of Bond Counsel

Our bond counsel engagement is a limited, special counsel engagement. Bond counsel is engaged as a recognized independent expert whose primary responsibility is to render an objective legal opinion with respect to the authorization and issuance of municipal obligations. If you desire additional information about the role of bond counsel, we would be happy to provide you with a copy of a brochure prepared by the National Association of Bond Lawyers.

As bond counsel we will: examine applicable law; prepare authorizing and closing documents; consult with the parties to the transaction, including the City's financial advisor or underwriter or placement agent, prior to the issuance of the Securities; review certified proceedings; and undertake such additional duties as we deem necessary to render the bond counsel opinion described below. While we will represent the City in this engagement, as stated above, as bond counsel our primary responsibility is to render an objective independent legal opinion with respect to the issuance and authorization of the Securities.

QB\80752129.1

Quarles & Brady LLP

Subject to the completion of proceedings to our satisfaction, we will render our opinion that:

- 1) the Securities are valid and binding general obligations of the City;
- 2) all taxable property in the territory of the City is subject to ad valorem taxation without limitation as to rate or amount to pay the Securities; and
- 3) the interest paid on the Securities will be excludable from gross income for federal income tax purposes (subject to certain limitations which may be expressed in the opinion).

The bond counsel opinion will be executed and delivered by us in written form on the date the Securities are exchanged for their purchase price (the "Closing") and will be based on facts and law existing as of its date. In rendering the bond counsel opinion, we will rely upon the certified proceedings and other certifications of public officials and other persons furnished to us without undertaking to verify the same by independent investigation.

A form of our bond counsel opinion and a form of a Continuing Disclosure Certificate (which we may prepare) may be included in the Official Statement or other disclosure document for the Securities.

#### Role of Disclosure Counsel

Our disclosure counsel engagement is similarly a limited, special counsel engagement. As disclosure counsel, we will review the disclosure document prepared in connection with the sale of the Securities, namely the Official Statement, Private Placement Memorandum, or similar documents (the "City's Offering Document"). It is the City's responsibility to verify the information contained in the materials provided to us or confirmed for us by the City. We will not undertake an independent investigation to verify the accuracy or completeness of this information, beyond reviewing the materials provided to us or confirmed for us by the City, nor will we render any opinion or make any representation as to the suitability of the Securities for investment by any investor.

In our capacity as the City's disclosure counsel, we will review the City's Offering Document and undertake due diligence with respect to the material representations therein so that we may provide the negative assurance letter described in the following paragraph. Our due diligence will consist of reviewing materials provided to us or confirmed for us by the City; reviewing the City's responses to questions posed in a due diligence questionnaire; assisting the City in its review of its continuing disclosure compliance in the last five years, if applicable (although the City is ultimately responsible for this review and such compliance); and discussing the City's Offering Document with the City and Ehlers & Associates, Inc., Waukesha, Wisconsin ("Ehlers"). We may also maintain the materials provided to us or confirmed for us by the City in our files, and we expect to share certain of those materials with Ehlers, for its files.

Subject to satisfactory completion of our due diligence, we will provide the City with a negative assurance letter that:

based on our review of the City's Offering Document, our examination of certain materials provided by the City and its representatives, and our participation in conferences and conversations with the City and its representatives, no information has come to the attention of the attorneys in our firm rendering legal services in connection with the matter that has caused them to believe that the Preliminary Official Statement contained as of its date or the Final Official Statement contained as of its date or contains as of the date hereof any untrue statement of a material fact or omits to state any material fact required to be stated therein or necessary to make the statements made therein, in light of the circumstances under which they were made, not misleading; provided, however, we do not express any belief with respect to any financial and statistical data and forecasts, projections, numbers, estimates, assumptions and expressions of opinion, information about bond insurers, or any information regarding the Depository Trust Company and the book-entry system for the Securities contained or incorporated by reference in the City's Offering Document and its appendices, which we expressly exclude from the scope of this paragraph.

If requested, we may also provide Ehlers with a separate letter allowing it to rely on the above-described negative assurance letter.

Please note that our negative assurance letter is not a guarantee; although we expect our above-described due diligence review to assist the City in identifying, confirming and presenting potentially material information, neither our participation in the financing nor our provision of the above-described negative assurance letter will relieve the City of its obligations under the federal securities laws. As noted above, ultimate responsibility for disclosing to potential purchasers of the Securities all City information material to their investment decision rests with the City.

Limitations on Scope of Engagement; No Financial Advice; Conclusion of Representation

All matters and responsibilities other than those expressly set forth above are outside the scope of our engagement as the City's bond counsel and disclosure counsel. These include, without limitation, any obligation to any underwriter, placement agent or financial advisor involved with the issuance of the Securities, other than providing a reliance letter as described above, if applicable. In particular we wish to note that this engagement does not entail any responsibility for us to review matters or provide advice to any party with respect to such matters as the rules promulgated by the Municipal Securities Rulemaking Board ("MSRB"), "blue sky" securities law matters, or other general securities law matters pertaining to any party's status as a broker-dealer or municipal advisor.

Further, we are neither qualified nor engaged to provide financial advice, and hence we will make no representation whatsoever about the suitability of the Securities for purchase by investors, the desirability of the proposed plan of finance, the feasibility of the project(s) financed or refinanced by the Securities, or any such related matters.

Our responsibilities as bond counsel and disclosure counsel will be concluded with respect to this financing upon the delivery of our bond counsel opinion and negative assurance letter, respectively. Please note that, unless separately engaged, we will not provide any advice to the City on post-closing matters including, without limitation, (i) actions necessary to ensure that interest paid on the Securities will continue to be excluded from gross income for federal income tax purposes, (ii) regulatory surveys or audits of the Securities, or (iii) actions necessary to comply with the continuing disclosure requirements applicable to the Securities.

#### Diversity of Practice: Consent to Unrelated Engagements

Because of the diversity of practice of our firm, the firm may be asked to represent other clients in matters adverse to the City, for example, in zoning, licensing, land division, real estate, property tax or other matters which are unrelated to our bond counsel and disclosure counsel work. Ethical requirements require that we obtain the City's consent to such representations. We do not represent you in legal matters regularly, although we may be called upon for special representation occasionally, and our bond counsel and disclosure counsel work does not usually provide us information that will be disadvantageous to you in other representations. We do not believe that such representations of others would adversely affect our relationship with you, and we have found that local governments generally are agreeable to the type of unrelated representation described above. Your approval of this letter will serve to confirm that the City consents and agrees to our representation of other present or future clients in matters adverse to the City which are not substantially related to the borrowing and finance area or any other area in which we have agreed to serve it. We agree, however, that your prospective consent to conflicting representation contained in this paragraph shall not apply in any instance where, as a result of our representation of the City, we have obtained proprietary or other confidential information, that, if known to the other client, could be used by that client to your material disadvantage. We will not disclose to the other client(s) any confidential information received during the course of our representation of the City. If you have any questions or would like to discuss this consent further, please call us.

We also want to advise you that from time to time we represent underwriters and purchasers of municipal obligations, as well as other bond market participants. In past transactions or matters that are not related to the issuance of the Securities and our role as bond counsel and disclosure counsel, we may have served as counsel to the financial institution that has or will underwrite, purchase or place the Securities or that is serving as the City's financial advisor. We may also be asked to represent financial institutions and other market participants, including the underwriter, purchaser or placement agent of the Securities or the City's financial advisor, in future transactions or matters that are not related to the issuance of the Securities or our role as bond counsel and disclosure counsel. By engaging our services under the terms of this letter, the City consents to our firm undertaking representations of this type.

### Fees

Based upon: (i) our current understanding of the terms, structure, size and schedule of the financing, (ii) the duties we will undertake pursuant to this letter, (iii) the time we anticipate devoting to the financing, and (iv) the responsibilities we assume, we estimate that our fee will be \$15,000 for our services as bond counsel, and \$9,750 for our services as disclosure counsel. Such fee and expenses may vary: (i) if the principal amount of Securities actually issued differs significantly from the amount stated above, (ii) if material changes in the structure of the financing occur, or (iii) if unusual or unforeseen circumstances arise which require a significant increase in our time, expenses or responsibility. If at any time we believe that circumstances require an adjustment of our original fee estimate, we will consult with you. It is our understanding that our fee will be paid out of proceeds of the Securities at Closing.

If, for any reason, the financing is not consummated or is completed without the rendition of our opinion as bond counsel or the negative assurance letter as disclosure counsel, we will expect to be compensated at our normal hourly rates for time actually spent, plus out-of-pocket expenses. Our fee is usually paid either at the Closing out of proceeds of the Securities or pursuant to a statement rendered shortly thereafter. We customarily do not submit any statement until the Closing unless there is a substantial delay in completing the financing.

### Terms of Engagement

Either the City or Quarles & Brady may terminate the engagement at any time for any reason by written notice, subject on our part to applicable rules of professional conduct. If the City terminates our services, the City is responsible for promptly paying us for all fees, charges, and expenses incurred before the date we receive termination. We reserve the right to withdraw from representing the City if, among other things, the City fails to honor the terms of this engagement letter – including the City's failing to pay our bills, the City's failing to cooperate or follow our advice on a material matter, or our becoming aware of any fact or circumstance that would, in our view, render our continuing representation unlawful or unethical.

Unless previously terminated, our representation will terminate when we send to the City (or its representative) our final bill for services rendered. If the City requests, we will promptly return the City's original papers and property to you, consistent with our need to ensure payment of any outstanding bills. We may retain copies of the documents. We will keep our own files, including attorney work product, pertaining to our representation of the City. For various reasons, including the minimization of unnecessary storage expenses, we may destroy or otherwise dispose of documents and materials a reasonable time after termination of the engagement.

#### City Responsibilities

We will provide legal counsel and assistance to the City in accordance with this letter and will rely upon information and guidance the City and its personnel provide to us. We will keep the City reasonably informed of progress and developments, and respond to the City's inquiries. To enable us to provide the services set forth in this letter, the City will disclose fully and accurately all facts and keep us apprised of all developments relating to this matter. The officers and agents of the City will review the City's Offering Document, participate in a due diligence conference to review the City's Offering Document and provide a certificate as to the accuracy and completeness of the City's Offering Document stating that it does not contain any untrue statement of a material fact or omit to state a material fact necessary to make the statements therein not misleading. The City agrees to pay our bills for services and expenses in accordance with this engagement letter. The City will also cooperate fully with us and be available to attend meetings, conferences, hearings and other proceedings on reasonable notice, and stay fully informed on all developments relating to this matter.

#### Limited Liability Partnership

Our firm is a limited liability partnership ("LLP"). Because we are an LLP, no partner of the firm has personal liability for any debts or liabilities of the firm except as otherwise required by law, and except that each partner can be personally liable for his or her own malpractice and for the malpractice of persons acting under his or her actual supervision and control. As an LLP we are required by our code of professional conduct to carry at least \$10,000,000 of malpractice insurance; currently, we carry coverage with limits substantially in excess of that amount. Please call me if you have any questions about our status as a limited liability partnership.

#### Conclusion and Request for Signed Copy

If the foregoing terms of this engagement are acceptable to you, please so indicate by returning a copy of this letter dated and signed by an appropriate officer, retaining the original for your files. If we do not hear from you within thirty (30) days, we will assume that these terms are acceptable to you, but we would prefer to receive a signed copy of this letter from you.
