Res. No. 149 - 21 - 22. By Alderpersons Perrella and Ackley.
March 7, 2022.

A RESOLUTION expressing the Council's support for Ukraine and the people of Ukraine.

RESOLVED: As democratically elected public officials, we join the many voices across America in condemning Vladimir Putin's invasion of Ukraine. Putin's invasion of Ukraine is not only a horrific act impacting the people of Ukraine, it is a threat to international peace and to democracy as we know it. We stand with the people of Ukraine who are courageously fighting this aggression, and we stand with the democratic government of Ukraine. We thank the people of Ukraine for their fight because their fight reaches far beyond Ukraine's borders; their fight is every democratic nation's fight.
