NOW THEREFORE, for the mutual promises set forth below, the Parties agree as follows:

TERMS AND CONDITIONS

- 1.0 Recitals: The Recitals are incorporated by reference.
- 2.0 Definitions: The following definitions are used throughout this Agreement:

Structural collapse is most often the cause of victims being trapped, but victims may also be trapped in transportation accidents, mines and collapsed trenches. See Wis. Stat. § 323.72(7).

3.0 Participating Agency Obligations:

- 3.1. Participating Agency shall provide a list of individuals that it deems to be good candidates for appointment to WI-TF1 but for the need for initial or refresher training (or certification of existing training). Only those employees whom Participating Agency can demonstrate to

the Division's satisfaction meet the following criteria at the time Participating Agency submits the list may be included on the list:

- 3.1.1 Are employees in good standing.
 - 3.1.2 Are not probationary employees.
 - 3.1.3 Have been subjected to a background check by Participating Agency or the Division.
 - 3.1.4 Meet any medical or fitness standards as determined by the Participating Agency for daily operations. To participate in WI-TF1 training or deployments, a member must be "fit for duty" with the Participating Agency.
- 3.2 The Division shall select individuals from list for initial and/or refresher training required by Section 4.0 of this Agreement.
- 3.2.1. The Division will hold core and/or refresher training classes as soon as practicable. Participating Agencies shall make every effort to send their personnel to the required core and/or refresher classes as soon as possible after the individual is appointed to the team for the personnel to be deployable.
- 3.3 For any employee the Participating Agency purports to possess all required training and certifications necessary to perform Services in the specific role the employee would fill on WI-TF1, an evaluation will be conducted by the Division to determine if the training meets the most current training, competency, and job performance requirement standards for a search and rescue task force issued by the National Fire Protection Association (NFPA), and the most current version of the urban search and rescue standard issued by the Emergency Management Accreditation program, and any other training standards required by law, rule, or regulation.
- 3.4 The Division, in consultation with the Advisory Committee established pursuant to Section 3.7 below, may appoint one or more of the Participating Agency's employees on the list to the WI-TF1 in a trainee or qualified member status. Inclusion on the list of proposed WI-TF1 members does not guarantee appointment.
- 3.5 Upon receipt of an emergency response request by the Division pursuant to the Standard Operating Procedures set forth in Section 7.0, Participating Agency shall direct employees who have been appointed to WI-TF1 and designated for mobilization to travel to the REACT Center or such other location as designated by the Division to be deployed to provide Services in response to an Emergency.
- 3.6 Participating Agency may not self-deploy WI-TF1 members. This prohibition does not prevent Participating Agency from deploying its employees to respond to emergencies where urban search and rescue services are needed or responding with urban search and rescue vehicles, equipment and supplies under local authority, mutual aid agreements or other contracts entered into under local authority. Participating Agency recognizes that it is

not entitled to reimbursement by the Division for such response costs and that the Division will not supply equipment or vehicles for such responses.

- 3.7 An Advisory Committee has been established, the duties of which will be defined by the WI-TF1 Standard Operating Procedures.
- 3.8 The Division, in consultation with the Advisory Committee, has the authority to immediately suspend or terminate a WI-TF1 member from participation on the task force. If a WI-TF1 member has been suspended or terminated, the Division shall inform the Participating Agency regularly employing the member regarding the member's suspension or termination.

4.0 Required Training and Exercises:

- 4.1 All required training and exercises must be done at the REACT Center or at a location pre-approved in writing by the Division in consultation with the Advisory Committee. Refresher training shall consist of a minimum of two Quarterly (full team) trainings per WI-TF1 member per year as well as attending at least one of the Operational Readiness Exercises within a two-year period. Additional specialty training may be made available at the REACT Center or site approved by the Division upon written pre-approval by the Division. Participation in required training and exercises will be in accordance with the WI-TF1 Attendance Policy approved by the Division in consultation with the Advisory Committee.
- 4.2 Non-Duty Status: All individuals attending training or exercises at the REACT Center shall be in a non-duty status with Participating Agency for purposes of worker's compensation pursuant to Wis. Stat. § 323.72(4).
- 4.3 Training and Exercise Schedule: To facilitate planning for required training and exercises, the REACT Center shall post the relevant schedule a minimum of three months in advance of the start date of the training, except that specialized training may be made available with less advance notice. Changes may be made to the training and exercise schedule for unforeseen circumstances by notifying the Participating Agencies. The Division will provide as much advanced notice of any changes as possible.

5.0 Response Procedures and Limitations:

- 5.1 Participating Agency recognizes that its obligations under this Agreement are paramount to the State of Wisconsin. Participating Agency agrees that, if local response obligations in Participating Agency's own jurisdiction would limit necessary resources necessary to provide Services in response to an Emergency or make such resources unavailable, Participating Agency will seek aid from local jurisdictions to assist in local response obligations in Participating Agency's own jurisdiction to ensure availability of resources for the performance of Services.
- 5.2 Participating Agency and the Division agree that WI-TF1 or components of it may be used for any Emergency for which WI-TF1 members are trained and qualified.

- 5.3 Participating Agency's obligation to provide Services under this Agreement shall arise, with respect to specific Emergency response actions, upon receipt of an Emergency response request by the Division pursuant to the Standard Operating Procedures. See Section 7 below.

6.0 Right of Refusal:

If, on occasion, providing Services in response to an Emergency under this Agreement would temporarily place a verifiable undue burden on the Participating Agency because Participating Agency's resources are otherwise inadequate or unavailable and mutual aid is unavailable, then if notice has been provided to the Division, the Participating Agency may decline an emergency response request by the Division for personnel to staff WI-TF1 and/or for response equipment. Agencies should make every effort to have at least 50% of their WI-TF1 rostered personnel available for all deployments, barring extreme hardships.

7.0 Standard Operating Procedures:

At the time of execution of this Agreement, few Standard Operating Procedures (SOPs) have been finalized. Upon finalization, Participating Agency and Division agree that WI-TF1 operations will be conducted in accordance with those SOPs and a "Call-Out Procedure" that will be mutually approved by the Parties and other Local Agencies providing WI-TF1 members. Participating Agency agrees that it shall ensure that any of its employees appointed to WI-TF1 and not currently excused from work pursuant to a legally protected leave will comply with these procedures. Should Participating Agency be unable to agree to the SOPs, Participating Agency may terminate this agreement.

8.0 Reimbursement of Costs

There are three types of Participating Agency costs that shall be reimbursed under this Agreement:

1. costs related to providing requested Services pursuant to Wis. Stat. § 323.72(2); and
2. required training and exercise costs; and
3. costs related to any increase in contributions for duty-disability benefit premiums for Participating Agency's employees who receive duty disability benefits because of an injury incurred while performing duties as a WI-TF1 member under this Agreement, as required by Wis. Stat. § 323.72(2m).

In seeking reimbursement for those costs, Participating Agency shall comply with all Division-approved procedures and any relevant administrative rules.

9.0 Reimbursement for Response Costs:

- 9.1 Pursuant to Wis. Stat. § 323.72(2), the Division shall reimburse Participating Agency for costs incurred by Participating Agency in responding to an Emergency and providing Services at the request of the Division within 60 days after receiving a complete

application for reimbursement on a form prescribed by the Division.

- 9.2 Recoverable costs include but are not limited to the use of vehicles and apparatus, personnel expenses, and emergency expenses. The amount of reimbursement for the enumerated costs are as follows:

9.2.1 Reimbursement for use of Vehicle(s) and Apparatus: Participating Agency shall be reimbursed for the approved use of its vehicles and equipment in providing Services at FEMA-established rates.

9.2.2 Personnel Expenses: Reasonable personnel expenses relating to WI-TF1 members deployed at the direction of the Division to provide Services which are reimbursable at \$60.00 per hour per deployed employee. During a deployment, this shall be calculated as portal to portal. An annual adjustment of personnel reimbursement rates shall be made based on the Consumer Price Index (CPI) on the anniversary of this Agreement to ensure payments keep pace with inflation.

9.2.3 Emergency Expenses: Participating Agency's necessary and reasonable emergency expenses related to deploying employees to provide Services, which expenses must be based on actual expenditures and fully documented by the Participating Agency. The Division reserves the right to deny any reimbursement of Participating Agency expenditures that the Division deems to be unreasonable or unjustifiable.

- 9.3 Participating Agency agrees to make reasonable and good faith efforts to minimize its costs related to providing personnel and equipment to perform Services in response to an Emergency.

10.0 Payment for Training and Exercise Costs:

- 10.1 In any given fiscal year, Participating Agency shall be paid for any training and participation in exercises of employees who the Division has appointed to WI-TF1 that is pre-authorized in writing by the Division at a rate of \$60.00 per hour per appointed employee consistent with the Attendance Policy. An annual adjustment of personnel reimbursement rates shall be made based on the Consumer Price Index (CPI) on the anniversary of this Agreement to ensure payments keep pace with inflation.

- 10.2 Payment shall follow the same reimbursement timelines established in section 9.1 for response costs.

11.0 Reimbursement of Increased Duty Disability Costs:

- 11.1 The Division shall reimburse Participating Agency for costs incurred by Participating Agency for any increase in contributions for duty disability premiums under Wis. Stat. § 40.05(2)(aw) for its employees who are WI-TF1 members and who receive duty disability benefits under Wis. Stat. § 40.65 because of an injury that occurred while performing duties as a member of WI-TF1.

11.2 Application for reimbursement under this Section shall be made after the close of the State's fiscal year and shall seek reimbursement for any cost due to increased premiums referred to above imposed in the prior fiscal year.

11.3 Payment under this Section shall be made within 60 days of receipt of documentation of the following:

11.3.1 That the WI-TF1 member was injured while performing WI-TF1 duties after being deployed at the direction of the Division to provide Services in response to an Emergency order or while participating in WI-TF1 training or exercises at the direction of the Division.

11.3.2 That the member is receiving duty disability benefits because of such injury.

11.3.3 The amount of increase in duty disability premiums for duty disability benefits assessed to the Participating Agency that can be directly attributed to the receipt of such benefits by the member during the preceding fiscal year.

12.0 Employer-Employee Relationship and Obligations Maintained:

Except as provided in this Agreement, Participating Agency employees who are WI-TF1 members remain employees of Participating Agency and are not employees of the State of Wisconsin. This means, in part, that Participating Agency's employees are not entitled to Division contribution for any Public Employees Retirement Withholding System benefit(s), nor to any other benefits or any wage provided by the State of Wisconsin to its employees. Participating Agency shall be responsible for payment/withholding of any applicable federal, Social Security and State taxes from any wages paid or benefits provided to its employees.

13.0 Worker's Compensation:

A WI-TF1 member acting under this Agreement is an employee of the state for purposes of worker's compensation pursuant to Wis. Stat. § 323.72(4).

14.0 Dual Payment:

Participating Agency shall not be compensated for work performed under this Agreement by both the Division and any other state agency or person(s) responsible for causing an Emergency except as approved and authorized under this Agreement.

15.0 Reasonable Efforts:

Participating Agency shall make reasonable and good-faith efforts to minimize its costs related to its employees' participation in WI-TF1 training, exercise, and Emergency Response Services.

16.0 Liability and Indemnity

- 16.1 Scope: During operations authorized by this Agreement, WI-TF1 members supplied by Participating Agency are agents of the state for purposes of Wis. Stat. § 895.46(1). For the purposes of this Section, operations means activities, including travel, directly related to providing Services. Operations also include training activities provided under this Agreement to WI-TF1 members but does not include travel to and from any training required or permitted under this Agreement.
- 16.2 Civil liability exemption; regional and local emergency response teams and their sponsoring agencies: Pursuant to Wis. Stat. § 895.483(4), Participating Agency and its employees who are members of WI-TF1 are immune from civil liability for acts or omissions related to carrying out the Services in this Agreement.
- 16.3 Participating Agency Indemnification of State: Nothing contained in this Agreement is intended to limit any immunities and rights of any party available under Wis. Stat. §§ 345.05, 893.80, 893.82 and 895.46 or any other constitutional or statutory provision or common law. Such immunities and rights are expressly reserved to the parties.

17.0 Insurance Obligations:

- 17.1 Insurance obligations are set forth in the Standard Terms and Conditions attached as Exhibit A. Prior to commencement of this Agreement, Participating Agency must either provide to the Division a certificate of insurance or, if Participating Agency is self-insured or uninsured, a certificate of protection in lieu of insurance certifying that Participating Agency is protected by a self-funded liability and property program or alternative funding source(s). Such certification must be provided on an annual basis.
- 17.2 Participating Agency agrees that it shall not cancel or make a material change to the insurance required by this Agreement without 30 days written notice to the Division.

18.0 Standard Terms and Conditions: The State of Wisconsin Standard Terms and Conditions are attached as Exhibit A and are incorporated into this Agreement by reference.

19.0 Miscellaneous

- 19.1 Disclosure of Independence and Relationship: Participating Agency certifies that no relationship exists between it, the State of Wisconsin or the Division that interferes with fair competition or is a conflict of interest, and no relationship exists between the task force and another person or organization that constitutes a conflict of interest with respect to a state contract. The Department of Administration may waive this provision, in writing, if those activities of the Participating Agency will not be adverse to the interest of the State.

Participating Agency agrees as part of this Agreement that, during performance of the terms of this Agreement, they will neither provide contractual services nor enter into any agreement to provide services to a person or entity that is regulated or funded by the

Department or has interests that are adverse to the Department except as previously disclosed. The Department of Administration may waive this provision, in writing, if those activities of the Participating Agency will not be adverse to the interests of the State.

- 19.2 Dual Employment: Wis. Stat. § 16.417 prohibits an individual who is a state employee or who is retained as a consultant full-time by a state agency from being retained as a consultant by the same or another agency where the individual receives more than \$5,000 as compensation.
