

**AGREEMENT BETWEEN THE CITY OF SHEBOYGAN, WISCONSIN AND THE
SHEBOYGAN WATER UTILITY FOR THE PROVISION OF
AMERICAN RESCUE PLAN ACT FUNDS IN SUPPORT OF THE
RAW WATER IMPROVEMENTS PROJECT**

The parties to this Agreement are the City of Sheboygan, Wisconsin (“City”), a municipal corporation with principal offices at 828 Center Avenue, Sheboygan, Wisconsin 53081; and the Sheboygan Water Utility (“Utility”), a public water utility owned by the City and operated by the Board of Water Commissioners, with principal offices at 72 Park Avenue, Sheboygan, Wisconsin 53081.

WITNESSETH:

- WHEREAS: The City owns and operates the Sheboygan Water Utility; and
- WHEREAS: The Utility collects, processes and sells water to customers located within the City and sells water wholesale to the City of Sheboygan Falls and the Village of Kohler; and
- WHEREAS: The Utility currently collects raw water from Lake Michigan via an intake system consisting of a 1959 intake pipe located 2000 feet from shore and a 1909 intake pipe located 5,000 feet from shore, a shore well, and a low lift pump station; and
- WHEREAS: The Utility has determined that the intake system requires reconstruction as the 1909 intake pipeline and shorewell have reached normal working lifetimes, and the 1959 intake pipeline is highly vulnerable to winter icing and run off, and because the low lift pump station has been detrimentally impacted by Lake Michigan water levels; and
- WHEREAS: The Utility has entered into a contract for services with CD Smith for the improvements, attached and incorporated herein as Exhibit A; and
- WHEREAS: The Utility intends to fund the improvements via an increased water rate, the Safe Drinking Water Loan Program, and a federal directed spending appropriation; and
- WHEREAS: The City has received American Rescue Plan Act (“ARPA”) local fiscal recovery funds, which are intended to address negative economic impacts and inequities perpetuated by the COVID-19 pandemic; and
- WHEREAS: ARPA fund recipients are authorized by the Interim Final Rule published in May, 2021, and by final rule made effective April 1, 2022, to use funds to make necessary investments in water infrastructure; and
- WHEREAS: The parties agree that the improvements qualify as “necessary” under the Interim Final Rule because they are designed to provide an adequate minimum level of water service and are unlikely to be made using privately sourced funds; and
- WHEREAS: The City desires to contribute ARPA funds to the improvements in order to reduce the amount of borrowing and rate increases otherwise necessary to fund the improvements; and

WHEREAS: The City approved contributing \$9,550,000.00 of ARPA funds to the improvements via Resolution 71-21-22, adopted on October 19, 2021, attached and incorporated herein as Exhibit B; and

WHEREAS: The parties desire a contract executing the October 19, 2021 obligation of ARPA funds.

NOW, THEREFORE, in consideration of the mutual covenants herein contained, the parties hereto agree as follows:

1. Effective Date and Term. The effective date of this Agreement shall be June 16, 2022 and the term of this Agreement shall continue in full force and effect until project completion and final reporting made to the United States Treasury. The parties agree on behalf of themselves and their successors in interest and assigns, notwithstanding any contrary provision of law or equity, that this Agreement shall continue in full force and effect throughout its term.
2. Authority. This Agreement is entered into between the parties pursuant to Wis. Stat. § 66.0301 authorizing cooperation between a municipality and a water utility district and by Resolution No. 71-21-22 establishing the City's intention for spending \$9,550,000.00 of the American Rescue Plan Act ("ARPA")- Local Fiscal Recovery Funds the City received to support the Utility's Raw Water Intake Project ("Project").
3. Federal Assistance Notice. This Agreement is a subrecipient agreement funded with a federal assistance award to the City of Sheboygan from the US Department of Treasury under Sections 602(b) and 603(b) of the Social Security Act, as added by section 9901 of ARPA Coronavirus State and Local Fiscal Recovery Fund ("LFRF"). The award is documented in the Award Terms and Conditions, signed by the Mayor on May 19, 2021, attached and incorporated herein as Exhibit C. The parties agree to comply with the applicable requirements of section 603 of the Act, regulations adopted by Treasury pursuant to section 603(f) of the Act and guidance issued by the Treasury Department as well as the Federal Terms & Conditions Addendum attached and incorporated herein as Exhibit D.
4. City Responsibilities. The City shall provide the Utility with \$9,550,000.00 ("transferred funds") by wire transfer. The City shall include this obligation and expense in its regular reporting to the United States Treasury in accordance with the Treasury's June 17, 2022 Compliance and Reporting Guidance for State and Local Fiscal Recovery Funds.
5. Utility Responsibilities. The Utility shall only use the transferred funds in support of the Project. The Utility shall provide all data, information and documentation as requested by the City in order to facilitate accurate and complete reporting to the Treasury.
6. Schedule. The Utility shall expend the funds provided to it by the City no later than December 1, 2024. Any funds not expended by that time shall be returned to the City by December 31, 2024.
7. Severability. If any provision in this Agreement is determined to be void and unenforceable for any reason, the remaining provisions shall remain in full force and effect unless the removal of the severed provision would substantially impair the ability of either party to perform the essential purpose of this Agreement.

8. Notices. Any notices required or permitted hereunder shall be given in writing and shall be delivered (a) in person, with proof of service (b) by U.S. mail or (c) by electronic mail, and such notices shall be addressed as follows:

SECTION 005214.16 - AGREEMENT

Sheboygan Water Utility
Raw Water System Improvements

AGREEMENT

THIS AGREEMENT made as of the _____ day of February in the year 2022 by and between Sheboygan Water Utility acting through its _____ hereinafter called OWNER and C.D. Smith Construction, Inc. with legal address and principal place of business at 125 Camelot Drive, Fond du Lac, WI 54935 hereinafter called CONTRACTOR. OWNER and CONTRACTOR in consideration of the mutual covenants hereinafter set forth, agree as follows:

ARTICLE 1. WORK

1.1 CONTRACTOR shall perform the Work as specified or indicated in the Contract Documents. The Work is as described in SECTION 011000.

ARTICLE 2. ENGINEER

2.1 The Project has been designed by CDM Smith, 125 South Wacker Drive, Suite 700, Chicago, IL 60606, who will act as ENGINEER in connection with completion of the Work in accordance with the Contract Documents

ARTICLE 3. CONTRACT TIME

3.1 The Contract Times shall commence on the date indicated in the Notice to Proceed. The following Contract Times shall apply:

3.1.1 Substantial Completion for Work shall be achieved in a total time of 630 Calendar Days.

3.1.2 Final Completion shall be achieved in 690 Calendar Days.

3.2 CONTRACTOR agrees that the Work shall be prosecuted regularly, diligently and uninterruptedly and at such rate of progress as will insure full completion thereof within the Contract Time stated above. It is expressly understood and agreed, by and between CONTRACTOR and OWNER that the Contract Time is reasonable for the completion of the Work, taking into consideration the average climatic range and usual industrial conditions prevailing in this locality.

ARTICLE 4. CONTRACT PRICE.

4.1 OWNER will pay CONTRACTOR for performance of the Work in accordance with the Contract Documents in current funds at the Contract Price agreed upon in the CONTRACTOR's Bid Form attached to this Agreement.

4.2 OWNER will determine the final Contract Price by selected the Base Bid and any Alternative Bids at the Owner's discretion.

ARTICLE 5. APPLICATIONS FOR PAYMENT

5.1 CONTRACTOR shall submit Applications for Payment in accordance with Article 15 of the Conditions of the Contract. Applications for Payment will be processed by ENGINEER as provided in the Conditions of the Contract.

ARTICLE 6. PROGRESS AND FINAL PAYMENTS

6.1 OWNER will make progress payments on account of the Contract Price on the basis of CONTRACTOR's Applications for Payment as recommended by ENGINEER, monthly during construction as provided below. All progress payments will be on the basis of the progress of the Work measured by the schedule of values provided for in Paragraph 15.01. of the Conditions of the Contract.

6.2 Prior to the completion of 50% of the total Work of this Contract, progress payments will be in an amount equal to 90% percent of the value of the Work completed and 90% percent of the value of materials and equipment not incorporated in the Work but delivered and suitably stored, less, in each case, the aggregate of payments previously made.

6.3 Upon completion of 50% of the total Work of this Contract, further progress payments will be made in full to the contractor and no additional amounts will be retained unless, in the opinion of the OWNER, the job is not proceeding satisfactorily, but amounts previously retained will not be paid to the contractor. If after completion of 50% of the total Work of this Contract the Contractor forecasts a failure to complete the project within the allotted Contract time, as specified in Article 3 above, and, subsequently, in the opinion of the OWNER, fails to make a good faith effort to recover, then progress payments may be reduced to 90%.

6.4 Upon final inspection and acceptance of the Work, in accordance with Paragraph 15.06. of the Conditions of the Contract, OWNER will pay the remainder of the Contract Price as recommended by ENGINEER.

ARTICLE 7. LIQUIDATED DAMAGES

7.1 OWNER and CONTRACTOR recognize that time is of the essence of this Agreement and that OWNER will suffer financial loss if the Work is not completed within the Contract Time specified in Article 3 above, plus any extensions thereof allowed in accordance with Article 11 of the General Conditions. They also recognize the delays, expense and difficulties involved in proving, in a legal or arbitration proceeding, the actual loss suffered by OWNER if the Work is not completed on time. Accordingly, instead of requiring any such proof OWNER and CONTRACTOR agree that as liquidated damages for delay (but not as a penalty) CONTRACTOR shall pay OWNER \$2,000 per day for each calendar day of delay until the Work is complete.

7.2 Provided, that CONTRACTOR shall not be charged with liquidated damages or any excess cost when the delay in completion of the Work is for reasons included in Paragraph 4.05. of the General Conditions.

7.3 Provided, further, that CONTRACTOR shall furnish OWNER the required notification of such delays in accordance with Paragraph 11.06. of the General Conditions.

ARTICLE 8. ASSURANCE

8.1 CONTRACTOR has familiarized himself with the nature and extent of the Contract Documents, Work, locality, and with all local conditions and Federal, State and local laws, ordinances, rules and regulations that in any manner may affect cost, progress or performance of the Work.

8.2 CONTRACTOR has studied carefully all reports of investigations and tests of subsurface and latent physical conditions at the site or otherwise affecting cost, progress or performance of the Work which were relied upon by ENGINEER in the preparation of the Drawings and Specifications and which have been identified in Article 5 of the Supplementary Conditions.

8.3 CONTRACTOR has made or caused to be made examinations, investigations and tests and studies of such reports and related data in addition to those referred to in the above paragraph as CONTRACTOR deems necessary for the performance of the Work at the Contract Price within the Contract Time and in accordance with the other terms and conditions of the Contract Documents; and no additional examinations, investigations, tests, reports or similar data are or will be required for such purposes.

8.4 CONTRACTOR has correlated the results of all such observations, examinations, investigations, tests, reports and data with the terms and conditions of the Contract Documents.

8.5 CONTRACTOR has given ENGINEER written notice of any conflict, error or discrepancy that CONTRACTOR has discovered in the Contract Documents and the written resolution thereof by ENGINEER is acceptable to CONTRACTOR.

8.6 CONTRACTOR agrees that the Contract Documents are sufficient in scope and detail to indicate and convey understanding of all terms and conditions for performance of the Work.

8.7 In accordance with Section 215 of the Clean Water Act, and implementing EPA regulations and guidelines, CONTRACTOR agrees that preference will be given to domestic construction material by CONTRACTOR, subcontractors, materialmen and suppliers in the performance of this Contract.

ARTICLE 9. CONTRACT DOCUMENTS

9.1 The Contract Documents which comprise the Contract between OWNER and CONTRACTOR are attached hereto and made a part hereof and consist of the following:

9.1.1 Invitation To Bid.

9.1.2 Instructions To Bidders.

9.1.3 Bid Form.

ARTICLE 10. MISCELLANEOUS

10.1 Terms used in this Agreement which are defined in Article 1 of the General Conditions shall have the meanings assigned in the General Conditions.

10.2 Neither OWNER nor CONTRACTOR shall, without the prior written consent of the other, assign or sublet in whole or in part any interest under any of the Contract Documents; and, specifically but without limitation, CONTRACTOR shall not assign any monies due or to become due without the prior written consent of OWNER. In case CONTRACTOR assigns all or any part of any monies due or to become due under this Contract, the instrument of assignment shall contain a clause substantially to the effect that it is agreed that the right of the assignee in and to any monies due or to become due to CONTRACTOR shall be subject to prior claims of all persons, firms and corporations for services rendered or materials supplied for the performance of the Work called for in this Contract.

Notes: (1) Provide supplemental execution by any additional parties, such as joint venturers. (2) Any singular reference to Contractor, Surety, Owner, or other party shall be considered plural where applicable.

1. The Contractor and Surety, jointly and severally, bind themselves, their heirs, executors, administrators, successors, and assigns to the Owner for the performance of the Construction Contract, which is incorporated herein by reference.

2. If the Contractor performs the Construction Contract, the Surety and the Contractor shall have no obligation under this Bond, except when applicable to participate in a conference as provided in Paragraph 3.

3. If there is no Owner Default under the Construction Contract, the Surety's obligation under this Bond shall arise after:

3.1 The Owner first provides notice to the Contractor and the Surety that the Owner is considering declaring a Contractor Default. Such notice shall indicate whether the Owner is requesting a conference among the Owner, Contractor, and Surety to discuss the Contractor's performance. If the Owner does not request a conference, the Surety may, within five (5) business days after receipt of the Owner's notice, request such a conference. If the Surety timely requests a conference, the Owner shall attend. Unless the Owner agrees otherwise, any conference requested under this Paragraph 3.1 shall be held within ten (10) business days of the Surety's receipt of the Owner's notice. If the Owner, the Contractor, and the Surety agree, the Contractor shall be allowed a reasonable time to perform the Construction Contract, but such an agreement shall not waive the Owner's right, if any, subsequently to declare a Contractor Default;

3.2 The Owner declares a Contractor Default, terminates the Construction Contract and notifies the Surety; and

3.3 The Owner has agreed to pay the Balance of the Contract Price in accordance with the terms of the Construction Contract to the Surety or to a contractor selected to perform the Construction Contract.

4. Failure on the part of the Owner to comply with the notice requirement in Paragraph 3.1 shall not constitute a failure to comply with a condition precedent to the Surety's obligations, or release the Surety from its obligations, except to the extent the Surety demonstrates actual prejudice.

5. When the Owner has satisfied the conditions of Paragraph 3, the Surety shall promptly and at the Surety's expense take one of the following actions:

5.1 Arrange for the Contractor, with the consent of the Owner, to perform and complete the Construction Contract;

5.2 Undertake to perform and complete the Construction Contract itself, through its agents or independent contractors;

5.3 Obtain bids or negotiated proposals from qualified contractors acceptable to the Owner for a contract for performance and completion of the Construction Contract, arrange for a contract to be prepared for execution by the

Owner and a contractor selected with the Owners concurrence, to be secured with performance and payment bonds executed by a qualified surety equivalent to the bonds issued on the Construction Contract, and pay to the Owner the amount of damages as described in Paragraph 7 in excess of the Balance of the Contract Price incurred by the Owner as a result of the Contractor Default; or

5.4 Waive its right to perform and complete, arrange for completion, or obtain a new contractor, and with reasonable promptness under the circumstances:

5.4.1 After investigation, determine the amount for which it may be liable to the Owner and, as soon as practicable after the amount is determined, make payment to the Owner; or

5.4.2 Deny liability in whole or in part and notify the Owner, citing the reasons for denial.

6. If the Surety does not proceed as provided in Paragraph 5 with reasonable promptness, the Surety shall be deemed to be in default on this Bond seven days after receipt of an additional written notice from the Owner to the Surety demanding that the Surety perform its obligations under this Bond, and the Owner shall be entitled to enforce any remedy available to the Owner. If the Surety proceeds as provided in Paragraph 5.4, and the Owner refuses the payment or the Surety has denied liability, in whole or in part, without further notice the Owner shall be entitled to enforce any remedy available to the Owner.

7. If the Surety elects to act under Paragraph 5.1, 5.2, or 5.3, then the responsibilities of the Surety to the Owner shall not be greater than those of the Contractor under the Construction Contract, and the responsibilities of the Owner to the Surety shall not be greater than those of the Owner under the Construction Contract. Subject to the commitment by the Owner to pay the Balance of the Contract Price, the Surety is obligated, without duplication for:

7.1 the responsibilities of the Contractor for correction of defective work and completion of the Construction Contract;

7.2 additional legal, design professional, and delay costs resulting from the Contractor's Default, and resulting from the actions or failure to act of the Surety under Paragraph 5; and

7.3 liquidated damages, or if no liquidated damages are specified in the Construction Contract, actual damages caused by delayed performance or non-performance of the Contractor.

8. If the Surety elects to act under Paragraph 5.1, 5.3, or 5.4, the Surety's liability is limited to the amount of this Bond.

9. The Surety shall not be liable to the Owner or others for obligations of the Contractor that are unrelated to the Construction Contract, and the Balance of the Contract Price shall not be reduced or set off on account of any such unrelated obligations. No right of action shall accrue on this Bond to any person or entity other than

the Owner or its heirs, executors, administrators, successors, and assigns.

10. The Surety hereby waives notice of any change, including changes of time, to the Construction Contract or to related subcontracts, purchase orders, and other obligations.

11. Any proceeding, legal or equitable, under this Bond may be instituted in any court of competent jurisdiction in the location in which the work or part of the work is located and shall be instituted within two years after a declaration of Contractor Default or within two years after the Contractor ceased working or within two years after the Surety refuses or fails to perform its obligations under this Bond, whichever occurs first. If the provisions of this paragraph are void or prohibited by law, the minimum periods of limitations available to sureties as a defense in the jurisdiction of the suit shall be applicable.

12. Notice to the Surety, the Owner, or the Contractor shall be mailed or delivered to the address shown on the page on which their signature appears.

13. When this Bond has been furnished to comply with a statutory or other legal requirement in the location where the construction was to be performed, any provision in this Bond conflicting with said statutory or legal requirement shall be deemed deleted herefrom and provisions conforming to such statutory or other legal requirement shall be deemed incorporated herein. When so furnished, the intent is that this Bond shall be construed as a statutory bond and not as a common law bond.

14. Definitions

14.1 Balance of the Contract Price: The total amount payable by the Owner to the Contractor under the Construction Contract after all proper adjustments have been made including

allowance for the Contractor for any amounts received or to be received by the Owner in settlement of insurance or other claims for damages to which the Contractor is entitled, reduced by all valid and proper payments made to or on behalf of the Contractor under the Construction Contract.

14.2 Construction Contract: The agreement between the Owner and Contractor identified on the cover page, including all Contract Documents and changes made to the agreement and the Contract Documents.

14.3 Contractor Default: Failure of the Contractor, which has not been remedied or waived, to perform or otherwise to comply with a material term of the Construction Contract.

14.4 Owner Default: Failure of the Owner, which has not been remedied or waived, to pay the Contractor as required under the Construction Contract or to perform and complete or comply with the other material terms of the Construction Contract.

14.5 Contract Documents: All the documents that comprise the agreement between the Owner and Contractor.

15. If this Bond is issued for an agreement between a contractor and subcontractor, the term Contractor in this Bond shall be deemed to be Subcontractor and the term Owner shall be deemed to be Contractor.

Notes: (1) Provide supplemental execution by any additional parties, such as joint venturers. (2) Any singular reference to Contractor, Surety, Owner, or other party shall be considered plural where applicable.

1. The Contractor and Surety, jointly and severally, bind themselves, their heirs, executors, administrators, successors, and assigns to the Owner to pay for labor, materials, and equipment furnished for use in the performance of the Construction Contract, which is incorporated herein by reference, subject to the following terms.
2. If the Contractor promptly makes payment of all sums due to Claimants, and defends, indemnifies, and holds harmless the Owner from claims, demands, liens, or suits by any person or entity seeking payment for labor, materials, or equipment furnished for use in the performance of the Construction Contract, then the Surety and the Contractor shall have no obligation under this Bond.
3. If there is no Owner Default under the Construction Contract, the Surety's obligation to the Owner under this Bond shall arise after the Owner has promptly notified the Contractor and the Surety (at the address described in Paragraph 13) of claims, demands, liens, or suits against the Owner or the Owner's property by any person or entity seeking payment for labor, materials, or equipment furnished for use in the performance of the Construction Contract, and tendered defense of such claims, demands, liens, or suits to the Contractor and the Surety.
4. When the Owner has satisfied the conditions in Paragraph 3, the Surety shall promptly and at the Surety's expense defend, indemnify, and hold harmless the Owner against a duly tendered claim, demand, lien, or suit.
5. The Surety's obligations to a Claimant under this Bond shall arise after the following:
 - 5.1 Claimants who do not have a direct contract with the Contractor,
 - 5.1.1 have furnished a written notice of non-payment to the Contractor, stating with substantial accuracy the amount claimed and the name of the party to whom the materials were, or equipment was, furnished or supplied or for whom the labor was done or performed, within ninety (90) days after having last performed labor or last furnished materials or equipment included in the Claim; and
 - 5.1.2 have sent a Claim to the Surety (at the address described in Paragraph 13).
 - 5.2 Claimants who are employed by or have a direct contract with the Contractor have sent a Claim to the Surety (at the address described in Paragraph 13).
6. If a notice of non-payment required by Paragraph 5.1.1 is given by the Owner to the Contractor, that is sufficient to satisfy a Claimant's obligation to furnish a written notice of non-payment under Paragraph 5.1.1.
7. When a Claimant has satisfied the conditions of Paragraph 5.1 or 5.2, whichever is applicable, the Surety shall promptly and at the Surety's expense take the following actions:
 - 7.1 Send an answer to the Claimant, with a copy to the Owner, within sixty (60) days after receipt of the Claim, stating the amounts that are undisputed and the basis for challenging any amounts that are disputed; and
 - 7.2 Pay or arrange for payment of any undisputed amounts.
 - 7.3 The Surety's failure to discharge its obligations under Paragraph 7.1 or 7.2 shall not be deemed to constitute a waiver of defenses the Surety or Contractor may have or acquire as to a Claim, except as to undisputed amounts for which the Surety and Claimant have reached agreement. If, however, the Surety fails to discharge its obligations under Paragraph 7.1 or 7.2, the Surety shall indemnify the Claimant for the reasonable attorney's fees the Claimant incurs thereafter to recover any sums found to be due and owing to the Claimant.
8. The Surety's total obligation shall not exceed the amount of this Bond, plus the amount of reasonable attorney's fees provided under Paragraph 7.3, and the amount of this Bond shall be credited for any payments made in good faith by the Surety.
9. Amounts owed by the Owner to the Contractor under the Construction Contract shall be used for the performance of the Construction Contract and to satisfy claims, if any, under any construction performance bond. By the Contractor furnishing and the Owner accepting this Bond, they agree that all funds earned by the Contractor in the performance of the Construction Contract are dedicated to satisfy obligations of the Contractor and Surety under this Bond, subject to the Owner's priority to use the funds for the completion of the work.
10. The Surety shall not be liable to the Owner, Claimants, or others for obligations of the Contractor that are unrelated to the Construction Contract. The Owner shall not be liable for the payment of any costs or expenses of any Claimant under this Bond, and shall have under this Bond no obligation to make payments to or give notice on behalf of Claimants, or otherwise have any obligations to Claimants under this Bond.

11. The Surety hereby waives notice of any change, including changes of time, to the Construction Contract or to related subcontracts, purchase orders, and other obligations.
12. No suit or action shall be commenced by a Claimant under this Bond other than in a court of competent jurisdiction in the state in which the project that is the subject of the Construction Contract is located or after the expiration of one year from the date (1) on which the Claimant sent a Claim to the Surety pursuant to Paragraph 5.1.2 or 5.2, or (2) on which the last labor or service was performed by anyone or the last materials or equipment were furnished by anyone under the Construction Contract, whichever of (1) or (2) first occurs. If the provisions of this paragraph are void or prohibited by law, the minimum period of limitation available to sureties as a defense in the jurisdiction of the suit shall be applicable.
13. Notice and Claims to the Surety, the Owner, or the Contractor shall be mailed or delivered to the address shown on the page on which their signature appears. Actual receipt of notice or Claims, however accomplished, shall be sufficient compliance as of the date received.
14. When this Bond has been furnished to comply with a statutory or other legal requirement in the location where the construction was to be performed, any provision in this Bond conflicting with said statutory or legal requirement shall be deemed deleted herefrom and provisions conforming to such statutory or other legal requirement shall be deemed incorporated herein. When so furnished, the intent is that this Bond shall be construed as a statutory bond and not as a common law bond.
15. Upon requests by any person or entity appearing to be a potential beneficiary of this Bond, the Contractor and Owner shall promptly furnish a copy of this Bond or shall permit a copy to be made.
16. **Definitions**
 - 16.1 **Claim:** A written statement by the Claimant including at a minimum:
 1. The name of the Claimant;

The term Claimant also includes any individual or entity that has rightfully asserted a claim under an applicable mechanic's lien or similar statute against the real property upon which the Project is located. The intent of this Bond shall be to include without limitation in the terms of "labor, materials, or equipment" that part of the water, gas, power, light, heat, oil, gasoline, telephone service, or rental equipment used in the Construction Contract, architectural and engineering services required for performance of the work of the Contractor and the Contractor's subcontractors, and all other items for which a mechanic's lien may be asserted in the jurisdiction where the labor, materials, or equipment were furnished.
 - 16.3 **Construction Contract:** The agreement between the Owner and Contractor identified on the cover page, including all Contract Documents and all changes made to the agreement and the Contract Documents.

 - 16.5 **Contract Documents:** All the documents that comprise the agreement between the Owner and Contractor.
17. If this Bond is issued for an agreement between a contractor and subcontractor, the term Contractor in this Bond shall be deemed to be Subcontractor and the term Owner shall be deemed to be Contractor.

OFFICE OF THE CITY CLERK
Sheboygan, Wisconsin
City Hall

I hereby certify that this is a true copy
of a document from the Common Council
proceedings of the City of Sheboygan.

City Clerk

Res. No. 71 - 21 - 22. By Alderpersons Mitchell and Filicky-Peneski.
October 4, 2021.

A RESOLUTION expressing the Common Council's intent regarding funds received by the City of Sheboygan through the Coronavirus Local Fiscal Recovery Fund established under the American Rescue Plan Act, and authorizing the expenditure of ARPA funds for Administrative Expenses.

WHEREAS, in March 2021, the American Rescue Plan Act ("ARPA"), which included \$65 billion in recovery funds for cities across the country, became law; and

WHEREAS, ARPA funds are intended to provide support to state, local, and tribal governments in responding to the impact of COVID-19 and in their efforts to contain COVID-19 in their communities, residents, and businesses; and

WHEREAS, approximately \$22.8 million has been allocated to the City of Sheboygan; and

WHEREAS, in the first tranche the City has received \$11,003,103; and

WHEREAS, the City's current intent is to allocate the ARPA funds as follows:

Clean Water: Centralized wastewater collection and conveyance - Southside Interceptor Sanitary Sewer Project	\$9,950,000
Drinking Water: Source - Raw Water Intake Project	\$9,550,000
Aid to Tourism, Travel and Hospitality	\$ 563,489
Housing Support: Affordable Housing	\$2,076,511
Small Business Economic Assistance	\$ 160,000
Administrative Expenses	\$ 100,000

WHEREAS, the use of ARPA funds (rather than increasing the wastewater rate) for the Clean Water project is expected to save the average household approximately \$22.50 per quarter; and

WHEREAS, the use of ARPA funds toward the Drinking Water project is also expected to provide savings compared to solely funding the Drinking Water project through an increased water rate; and

WHEREAS, these savings to utility customers are a direct benefit of using ARPA funds towards these projects; and

WHEREAS, the City intends to allocate \$563,489 to aid tourism, travel and hospitality, equivalent to the room tax revenue losses the city experienced during 2020 compared to the baseline 2019 amounts; and

WHEREAS, the City will continue the Small Business Emergency Assistance program for businesses hit by revenue losses related to the pandemic; and

WHEREAS, given the meaningful reporting obligations associated with the ARPA funds, it is appropriate to allocate a portion of the ARPA funds toward administrative expenses; and

WHEREAS, City Staff continues to monitor information regarding the spending of ARPA funds from the U.S. Treasury Department and the State of Wisconsin in order to: (1) ensure compliance with all applicable state and federal requirements and (2) not create overlap with other funding programs released from the federal or state government.

NOW, THEREFORE, BE IT RESOLVED: That the Common Council hereby expresses its intent to use its portion of the ARPA funds as follows:

Clean Water: Centralized wastewater collection and conveyance - Southside Interceptor Sanitary Sewer Project	\$9,950,000
Drinking Water: Source - Raw Water Intake Project	\$9,550,000
Aid to Tourism, Travel and Hospitality	\$ 563,489
Housing Support: Affordable Housing	\$2,076,511
Small Business Economic Assistance	\$ 160,000
Administrative Expenses	\$ 100,000

BE IT FURTHER RESOLVED: That, for the avoidance of doubt, the Common Council notes that any number of factors - including new guidance from the federal government - could make it in the best interest of the City for the actual expenditures of ARPA funds to differ from the Common Council's current intent identified above.

BE IT FURTHER RESOLVED: That the Common Council authorizes the appropriate City officials to use up to \$100,000 of the ARPA Funds for Administrative Expenses, including staff time spent ensuring the City's compliance with the state and federal requirements associated with the ARPA Funds.

Richard L. Bush

ASSURANCES OF COMPLIANCE WITH CIVIL RIGHTS REQUIREMENTS

ASSURANCES OF COMPLIANCE WITH TITLE VI OF THE CIVIL RIGHTS ACT OF 1964

As a condition of receipt of federal financial assistance from the Department of the Treasury, the recipient named below (hereinafter referred to as the “Recipient”) provides the assurances stated herein. The federal financial assistance may include federal grants, loans and contracts to provide assistance to the Recipient’s beneficiaries, the use or rent of Federal land or property at below market value, Federal training, a loan of Federal personnel, subsidies, and other arrangements with the intention of providing assistance. Federal financial assistance does not encompass contracts of guarantee or insurance, regulated programs, licenses, procurement contracts by the Federal government at market value, or programs that provide direct benefits.

The assurances apply to all federal financial assistance from or funds made available through the Department of the Treasury, including any assistance that the Recipient may request in the future.

The Civil Rights Restoration Act of 1987 provides that the provisions of the assurances apply to all of the operations of the Recipient’s program(s) and activity(ies), so long as any portion of the Recipient’s program(s) or activity(ies) is federally assisted in the manner prescribed above.

1. Recipient ensures its current and future compliance with Title VI of the Civil Rights Act of 1964, as amended, which prohibits exclusion from participation, denial of the benefits of, or subjection to discrimination under programs and activities receiving federal financial assistance, of any person in the United States on the ground of race, color, or national origin (42 U.S.C. § 2000d *et seq.*), as implemented by the Department of the Treasury Title VI regulations at 31 CFR Part 22 and other pertinent executive orders such as Executive Order 13166, directives, circulars, policies, memoranda, and/or guidance documents.
2. Recipient acknowledges that Executive Order 13166, “Improving Access to Services for Persons with Limited English Proficiency,” seeks to improve access to federally assisted programs and activities for individuals who, because of national origin, have Limited English proficiency (LEP). Recipient understands that denying a person access to its programs, services, and activities because of LEP is a form of national origin discrimination prohibited under Title VI of the Civil Rights Act of 1964 and the Department of the Treasury’s implementing regulations. Accordingly, Recipient shall initiate reasonable steps, or comply with the Department of the Treasury’s directives, to ensure that LEP persons have meaningful access to its programs, services, and activities. Recipient understands and agrees that meaningful access may entail providing language assistance services, including oral interpretation and written translation where necessary, to ensure effective communication in the Recipient’s programs, services, and activities.
3. Recipient agrees to consider the need for language services for LEP persons when Recipient develops applicable budgets and conducts programs, services, and activities. As a resource, the Department of the Treasury has published its LEP guidance at 70 FR 6067. For more information on taking reasonable steps to provide meaningful access for LEP persons, please visit <http://www.lep.gov>.

In the event of a conflict between the below terms and conditions and the terms of the main body of the Contract or any exhibit or appendix, these federally required contract terms shall govern.

1. **Amendment Permitted.** This list of Federally Required Contract terms may be amended by City in the event that the applicable federal grant providing funding for this Agreement contains additional required terms.
2. **Debarment and Suspension.** Contractor represents and warrants that, as of the execution of this Contract, neither Contractor nor any subcontractor or sub-consultant performing work under this Contract (at any tier) is included on the federally debarred bidder's list listed on the government-wide exclusions in the System for Award Management (SAM), in accordance with the OMB guidelines at 2 CFR 180 that implement Executive Orders 12549 (3 CFR part 1986 Comp., p. 189) and 12689 (3 CFR part 1989 Comp., p. 235), "Debarment and Suspension." Unless Contractor is functioning as a sub-recipient of grant funding, rather than as a contractor, this requirement is in addition to, and not in place of, City's public records retention requirements set forth elsewhere herein. In the event of conflict between local and federal retention periods, the longer retention requirement shall control.
4. **Procurement of Recovered Materials (Applies Only if the Work Involves the use of Materials).** Pursuant to 2 CFR §200.323, Contractor represents and warrants that in its performance under the Contract, Contractor shall comply with section 6002 of the Solid Waste Disposal Act, as amended by the Resource Conservation and Recovery Act. The requirements of Section 6002 include procuring only items designated in guidelines of the Environmental Protection Agency (EPA) at 40 CFR Part 247 that contain the highest percentage of recovered materials practicable, consistent with maintaining a satisfactory level of competition, where the purchase price of the item exceeds \$10,000 or the value of the quantity acquired during the preceding fiscal year exceeded \$10,000; procuring solid waste management services in a manner that maximizes energy and resource recovery; and establishing an affirmative procurement program for procurement of recovered materials identified in the EPA guidelines.

(42 U.S.C. 7401 et seq.) and the Federal Water Pollution Control Act as amended (33 U.S.C. 1251 et seq.). Violations must be reported to the City and understands and agrees that the City will, in turn, report each violation as required to assure notification to the Federal Emergency Management Agency, and the appropriate Environmental Protection Agency Regional Office.

6. **Energy Efficiency.** Contractor certifies that it will comply with mandatory standards and policies relating to energy efficiency, which are contained in the state energy conservation plan issued in compliance with the Energy Policy and Conservation Act (Pub. L. 94-163, 89 Stat. 871).

7. **Byrd Anti-Lobbying Amendment** (31 U.S.C. 1352). Contractor certifies that:
