**DECEMBER 18, 2023.**

A RESOLUTION authorizing the City Clerk to execute all necessary documents to purchase nine (9) Badgerbook servers and thirty-six (36) Badgerbook client devices with associated equipment and authorizing the Finance Director to complete an adjustment to the 2024 budget for the purchase.

WHEREAS, the City currently utilizes printed poll books; and

WHEREAS, electronic poll books are utilized to check in voters, process Election Day registrations (EDR), and record absentee participation; and

WHEREAS, the upgrade to electronic poll books improves efficiency by scanning only State acceptable proof of identification; and

WHEREAS, the upgrade would also increase efficiency significantly by keeping track of voter numbers and allowing voters to utilize any line at their polling location rather than being required to wait in designated ward lines; and

WHEREAS, additional benefits from electronic pollbooks include the ability: to scan absentee participation rather than paging through paper books, record post-election participation automatically vs manually, and allowing voters to confirm election participation more quickly; and

WHEREAS, electronic poll books are not connected to the internet and are becoming a popular option for many municipalities across Wisconsin.

NOW, THEREFORE, BE IT RESOLVED: That the City Clerk is hereby authorized to execute all necessary documents to purchase nine (9) Badgerbook servers and thirty-six Badgerbook client devices with associated equipment.
