GOVERNMENT PROGRAMS: Seller shall deliver to Buyer, within ______ days ("15" if left blank) after acceptance of this Offer, a list of all federal, state, county, and local conservation, farmland, environmental, or other land use programs, agreements, restrictions, or conservation easements, which apply to any part of the Property (e.g., farmland preservation agreements, farmland preservation or exclusive agricultural zoning, use value assessments, Forest Crop, Managed Forest, Conservation Reserve Program, wetland mitigation, shoreland zoning mitigation plan or comparable programs), along with disclosure of any penalties, fees, withdrawal charges, or payback obligations pending, or currently deferred, if any. This contingency will be deemed satisfied unless Buyer delivers to Seller, within 7 days after the deadline for delivery, a notice terminating this Offer based upon the use restrictions, program requirements, and/or amount of any penalty, fee, charge, or payback obligation.

191 CAUTION: If Buyer does not terminate this Offer, Buyer is hereby agreeing that Buyer will continue in such 192 programs, as may apply, and Buyer agrees to reimburse Seller should Buyer fail to continue any such program 193 such that Seller incurs any costs, penalties, damages, or fees that are imposed because the program is not 194 continued after sale. The Parties agree this provision survives closing.

MANAGED FOREST LAND: If all, or part, of the Property is managed forest land under the Managed Forest Law (MFL) program, this designation will continue after closing. Buyer is advised as follows: The MFL is a landowner incentive program that encourages sustainable forestry on private woodlands by reducing and deferring property taxes. Orders designating lands as managed forest lands remain in effect for 25 or 50 years. When ownership of land enrolled in the MFL program changes, the new owner must sign and file a report of the change of ownership on a form provided by the Department of Natural Resources and pay a fee. By filing this form, the new owner agrees to the associated MFL management plan and the MFL program rules. The DNR Division of Forestry monitors forest management plan compliance. Changes a landowner makes to property that is subject to an order designating it as managed forest land, or to its use, may jeopardize benefits under the program or may cause the property to be withdrawn from the program and may result in the assessment of penalties. For more information call the local DNR forester or visit https://dnr.wisconsin.gov/topic/forestry.

USE VALUE ASSESSMENTS: The use value assessment system values agricultural land based on the income that would be generated from its rental for agricultural use rather than its fair market value. When a person converts agricultural land to a non-agricultural use (e.g., residential or commercial development), that person may owe a conversion charge. To obtain more information about the use value law or conversion charge, contact the Wisconsin Department of Revenue's Equalization Bureau or visit http://www.revenue.wi.gov/.

FARMLAND PRESERVATION: The early termination of a farmland preservation agreement or removal of land from such an agreement can trigger payment of a conversion fee equal to 3 times the per acre value of the land. Contact the Wisconsin Department of Agriculture, Trade and Consumer Protection Division of Agricultural Resource Management or visit http://www.datcp.state.wi.us/ for more information.

CONSERVATION RESERVE PROGRAM (CRP): The CRP encourages farmers, through contracts with the U.S. Department of Agriculture, to stop growing crops on highly erodible or environmentally sensitive land and instead to plant a protective cover of grass or trees. CRP contracts run for 10 to 15 years, and owners receive an annual rent as well as certain incentive payments and cost share assistance for establishing long-term, resource-conserving ground cover. Removing lands from the CRP in breach of a contract can be quite costly. For more information call the state Farm Service Agency office or visit http://www.fsa.usda.gov/.

SHORELAND ZONING ORDINANCES: All counties must adopt uniform shoreland zoning ordinances in compliance with Wis. Admin. Code Chapter NR 115. County shoreland zoning ordinances apply to all unincorporated land within 1,000 feet of a navigable lake, pond or flowage or within 300 feet of a navigable river or stream and establish minimum standards for building setbacks and height limits, cutting trees and shrubs, lot sizes, water runoff, impervious surface standards (that may be exceeded if a mitigation plan is adopted and recorded) and repairs to nonconforming structures. Buyers must conform to any existing mitigation plans. For more information call the county zoning office or visit https://dnr.wi.gov/. Buyer is advised to check with the applicable city, town or village for additional shoreland zoning or shoreland-wetland zoning restrictions, if any.

PENCES: Wis. Stat. § 90.03 requires the owners of adjoining properties to keep and maintain legal fences in equal shares where one or both of the properties is used and occupied for farming or grazing purposes.

231 CAUTION: Consider an agreement addressing responsibility for fences if Property or adjoining land is used and 232 occupied for farming or grazing purposes.

PROPERTY DEVELOPMENT WARNING: If Buyer contemplates developing Property for a use other than the current use, there are a variety of issues that should be addressed to ensure the development or new use is feasible. Buyer is solely responsible to verify the current zoning allows for the proposed use of the Property at lines 251-255. Municipal and zoning ordinances, recorded building and use restrictions, covenants and easements may prohibit certain improvements or uses and therefore should be reviewed. Building permits, zoning or zoning variances, Architectural Control Committee approvals, estimates for utility hook-up expenses, special assessments, changes for installation of roads or utilities, environmental audits, subsoil tests, or other development related fees may need to be obtained or verified in order to determine the feasibility of development of, or a particular use for, a property. Optional contingencies that allow Buyer to investigate certain of these issues can be found at lines 244-304 and Buyer may add contingencies as needed in addenda (see line 682).

INSPECTIONS AND TESTING Buyer may only conduct inspections or tests if specific contingencies are included as a part of this Offer. An "inspection" is defined as an observation of the Property, which does not include an appraisal or testing of the Property, other than testing for leaking carbon monoxide, or testing for leaking LP gas or natural gas used as a fuel source, which are hereby authorized. A "test" is defined as the taking of samples of materials such as soils, water, air or building materials from the Property for laboratory or other analysis of these materials. Seller agrees to allow Buyer's inspectors, testers and appraisers reasonable access to the Property upon advance notice, if necessary, to satisfy the contingencies in this Offer. Buyer or licensees or both may be present at all inspections and testing. Except as otherwise provided, Seller's authorization for inspections does not authorize Buyer to conduct testing of the Property. NOTE: Any contingency authorizing testing should specify the areas of the Property to be tested, the purpose of the test, (e.g., to determine if environmental contamination is present), any limitations on Buyer's testing and any other material terms of the contingency.
Buyer agrees to promptly restore the Property to its original condition after Buyer's inspections and testing are completed unless otherwise agreed to with Seller. CAUTION: A proposed amendment is not a Notice of Defects and will not satisfy this notice requirement. For the purposes of this contingency, Defects do not include structural, mechanical or other conditions the nature and extent of which Buyer had actual knowledge or written notice before signing this Offer.
NOTE: "Defect" as defined on lines 553-555 means a condition that would have a significant adverse effect on the value of the Property; that would significantly impair the health or safety of future occupants of the Property; or that if not repaired, removed or replaced would significantly shorten or adversely affect the expected normal life of the premises.

This Addendum supplements the following terms and provisions set out in the Vacant Land Offer to Purchase dated **June 30, 2025**, and is an important part thereof, between the **City of Sheboygan**, a Wisconsin municipal corporation (hereinafter referred to as the "Buyer") and **Clare A. Gartman** (hereinafter referred to as the "Seller") for approximately 78.06 acres of Vacant Land on Moenning Road (the "Property"). The preprinted Vacant Land Offer to Purchase and this Addendum are collectively referred to herein as the "Offer".

1. **Property/Parcel Numbers**. The parcel numbers of the Property that are subject to this Offer are as follows:

59030-458910 (38.06 acres) 59030-458900 (40.00 acres)

- **2.** *Purchase Price*. The Purchase Price for the Property is One Million Five Hundred Thousand and 00/100 Dollars (\$1,500,000.00) that shall be payable in full at closing.
- **3.** Common Council Approval. This Offer is contingent upon the City of Sheboygan Common Council approval by not later than July 31, 2025.
- 4. Post-Closing Occupancy of Barn. Seller and Anthony Gartman shall have post-closing occupancy of the barn located on Parcel No. 59030-458910 from the date of Closing and extending until December 31, 2028, and then annually thereafter until the Buyer provides Seller and Anthony Gartman not less than seven (7) months advance written notice terminating Seller's post-closing occupancy of the barn. At Closing, Seller, Anthony Gartman, and Buyer will enter into a mutually acceptable post-occupancy agreement providing that Seller and Anthony Gartman shall be responsible for utilities, insurance, and maintenance of the barn.
- 5. Farmland Lease Back. Buyer shall allow Seller and Anthony Gartman the option to lease back any farmland included in the 78.06 acres sold to Buyer not under development by Buyer. Buyer will provide Seller and Anthony Gartman not less than a 7-month advance written notice to remove crops and vacate the leased land in the event development is to be commenced. Buyer, Seller and Anthony Gartman will negotiate lease terms in good faith once it is determined that Seller and Anthony Gartman are interested in leasing the vacant land not under development.
- 6. Removal of Property. Seller and Anthony Gartman, at their option and cost, shall be entitled to salvage and remove the barn or portions thereof, outbuilding, and other structures located on Parcel No. 59030-458910 during the post-closing occupancy of the Property. Seller and Anthony Gartman shall hold harmless and indemnify the Buyer against any and all claims, liabilities, judgments, causes of action, costs, loss and expense, including reasonable attorneys' fees incurred by the Buyer arising from or related to Seller's and/or Anthony Gartman's salvage and removal activities on the Property.
- 7. Environmental Evaluation Contingency. This Offer is contingent upon a qualified independent environmental consultant of Buyer's choice conducting an Environmental Site Assessment of the Property, at Buyer's expense, which discloses no Defects.

For the purpose of this contingency, a Defect is defined to also include a material violation of environmental laws, a material contingent liability affecting the Property arising under any environmental laws, the presence of an underground storage tank(s) or material levels of hazards substances either on the Property or presenting a significant risk of contaminating the Property due to future migration from other properties. Defects do not include conditions the nature and extent of which Buyer had actual knowledge or written notice before signing the Offer.

This contingency shall be deemed satisfied unless Buyer, within 60 days after acceptance, delivers to Seller a copy of the Environmental Site Assessment report and a written notice listing the Defect(s) identified in the Environmental Site Assessment report to which Buyer objects (Notice of Defects).

- 8. *Conflicting Terms*. In the event of any conflict between the provisions of this Addendum and the provisions of the preprinted Offer, the provisions of this Addendum shall control.
- 9. Counterparts; Signatures. This Offer may be executed in one or more counterparts, each of which shall be deemed an original, and all of which, when taken together, shall constitute one and the same instrument. Buyer and Seller agree that facsimile and/or electronically transmitted signatures will be binding on both parties.
- 10. **Broker.** Each party warrants that no real estate broker has been engaged by them, and that no broker's commission is due by reason of this transaction.
