Joe Trueblood
Sheboygan Water Utility
72 Park Avenue
Sheboygan, WI 53081

Dear Mr. Trueblood:

Thank you for using Baker Tilly US, LLP (Baker Tilly, we, our) as your accountants and business advisors.

The purpose of this letter is to confirm our understanding of the terms and objectives of our engagement and the nature and limitations of the services we will provide to Sheboygan Water Utility (the Utility, Client, you, your).

Services and Related Report

We will compile, from information management provides, the Utility's forecasted schedules and forecasted information as of December 31, 2024, and for the test year then ending, including the related summaries of significant assumptions and accounting policies, in order to develop forecasted water rates ("forecast"). Upon completion of our compilation of the forecast, we will provide the Utility with our accountants' compilation report. If, for any reasons caused by or relating to the affairs or management of the Utility, we are unable to complete our compilation of your forecast, or if we determine in our professional judgment the circumstances necessitate, we may withdraw and decline to issue a report as a result of this engagement.

The forecast is not intended to be a forecast of financial position, changes in net position or cash flows in accordance with Generally Accepted Accounting Principles (GAAP). This report will be prepared for the development of rates before the Public Service Commission of Wisconsin and should not be used for any other purpose.

A financial forecast presents, to the best of management's knowledge and belief, the Utility's expected results of operations and plant balances for the financial forecast period. It is based on management's assumptions reflecting conditions it expects to exist and the course of action it expects to take during the forecast period.

Water Rate Study

The following outlines the process of completing a water rate study and filing an application with the Public Service Commission of Wisconsin (PSCW).

1. Obtain historical information, confirm significant assumptions regarding growth and costs, summarize and classify nonroutine plant additions, and forecast consumption for the 2024 test year.
2. Compile forecast in the PSCW prescribed format for the 2024 test year to support the rate study, including supplemental information related to cash flows and debt coverage to support the requested rate of return.
3. Provide draft study to management for their review. Incorporate management's comments into study.
4. Meet with the governing body to review the study.
5. Prepare the final rate study and submit the application to the PSCW.
6. Review PSC information and proposed rates.
7. Assist management with the rate hearing and implementation of new rates.

Our Responsibilities and Limitations

The objective of our compilation engagement is to apply accounting and financial reporting expertise to assist you in the presentation of the financial forecast based on management's assumptions without undertaking to obtain or provide any assurance that there are no material modifications that should be made to the financial forecast in order for it to be in accordance with guidelines for presentation of a financial forecast established by the AICPA.

We will conduct our compilation engagement in accordance with Statements on Standards for Accounting and Review Services (SSARS) promulgated by the Accounting and Review Services Committee of the AICPA and comply with the AICPA's *Code of Professional Conduct*, including the ethical principles of integrity, objectivity, professional competence and due care.

A compilation of a financial forecast differs significantly from an examination of financial forecast. A compilation does not contemplate performing analytical procedures, obtaining an understanding of the entity's internal control, assessing risks of material misstatement, tests of accounting records or other procedures ordinarily performed in an examination.

We are not required to, and will not, verify the accuracy or completeness of the information you will provide to us for the engagement or otherwise gather evidence for the purpose of expressing an opinion or a conclusion. Accordingly, we will not express an opinion or a conclusion or provide any assurance on the financial forecast.

In order for us to complete the engagement, management must provide assumptions that are appropriate for the financial forecast. If the assumptions provided are inappropriate and have not been revised to our satisfaction, we will be unable to complete the engagement, and, accordingly, we will not issue a report on the financial forecast.

Baker Tilly US, LLP is not a municipal advisor as defined in Section 975 of the Dodd-Frank Wall Street Reform and Consumer Protection Act. Baker Tilly US, LLP is not recommending an action to the Utility; is not acting as an advisor to the Utility and does not owe a fiduciary duty pursuant to Section 15B of the Securities and Exchange Act to the Utility with respect to the information and material contained in the deliverables issued under this engagement. The Utility should discuss any information and material contained in the deliverables with any and all internal and external advisors and experts that the Utility deems appropriate before acting on this information or material. Baker Tilly US, LLP will rely on management of the Utility to provide key data related to the issuance of municipal securities.

Our engagement cannot be relied upon to identify or disclose any misstatements in the financial forecast, including those caused by fraud or error, or to identify or disclose any wrongdoing within the entity or noncompliance with laws and regulations, and, because of the limited nature of our work, detection is highly unlikely. However, we will inform the appropriate level of management of any material errors, evidence that fraud may exist, illegal acts or noncompliance with laws or regulations that come to our attention, unless they are clearly inconsequential. We have no responsibility to identify and communicate deficiencies in your internal control as part of this engagement.

We, in our sole professional judgment, reserve the right to refuse to perform any procedure or take any action that could be construed as assuming management responsibilities.

The compilation will be planned and conducted with the understanding it will be used for the development of rates by the Public Service Commission of Wisconsin and should not be used by any other parties or for any other purpose. Nevertheless, items of possible interest to the previously specified party may not be specifically addressed and matters may exist that would be assessed differently by the previously specified party.

The compilation will not be planned or conducted in contemplation of reliance by any other specific third party or with respect to any specific transaction. Therefore, items of possible interest to a third party will not be specifically addressed and matters may exist that would be assessed differently by a third party, possibly in connection with a specific transaction.

Management's Responsibilities

The engagement to be performed is conducted on the basis that you acknowledge and understand that our role is to assist you in developing the presentation of the financial forecast in accordance with guidelines for presentation of a financial forecast established by the AICPA. You have the following overall responsibilities that are fundamental to our undertaking the engagement in accordance with SSARS:

1. The selection of the accounting principles applied in the preparation of the financial forecast.
2. The preparation and presentation of the financial forecast in accordance with guidelines for presentation of a financial forecast established by the AICPA, the inclusion of all informative disclosures that are appropriate for the forecast under those guidelines, and the development of assumptions that reflect your plans and expectations regarding events and circumstances for the financial forecast period.
3. The design, implementation and maintenance of internal control relevant to the preparation and presentation of the financial forecast and that it is free from material misstatement whether due to fraud or error.
4. The prevention and detection of fraud.
5. To ensure that Sheboygan Water Utility complies with the laws and regulations applicable to its activities.
6. The accuracy and completeness of the records, documents, explanations and other information, including significant judgments, you provide to us for the engagement.

7. To provide us with:
 - > Access to all information of which you are aware is relevant to the presentation of the financial forecast, such as records, documentation and other matters.
 - > Additional information that we may request from you for the purpose of the compilation engagement.
 - > Unrestricted access to persons within Sheboygan Water Utility of whom we determine it necessary to make inquiries.

Our Report

As part of our engagement, we will issue a report that will state that we did not examine or review the financial forecast and that, accordingly, we do not express an opinion, a conclusion, nor provide any assurance on it. It will also state that (1) there will usually be differences between the forecasted and actual results because events and circumstances frequently do not occur as expected, and those differences may be material; and (2) we have no responsibility to update the report for events and circumstances occurring after the date of the report.

There may be circumstances in which the report differs from the expected form and content.

You agree to include our compilation report in any document containing the financial forecast that indicates that we have performed a compilation engagement on the financial forecast and, prior to inclusion of the report, to ask our permission to do so.

Nonattest Services

Prior to or as part of our compilation engagement, it may be necessary for us to perform certain nonattest services. Nonattest services that we will be providing are as follows:

- > Reporting assistance (such as formatting) as requested.

We will not perform any management functions or make management decisions on your behalf with respect to any nonattest services we provide.

In connection with our performance of any nonattest services, you agree that you will:

- > Continue to make all management decisions and perform all management functions.
- > Designate a competent employee with suitable skill, knowledge and/or experience, preferably within senior management, to oversee the services we perform.
- > Evaluate the adequacy and results of the nonattest services we perform.
- > Accept responsibility for the results of our nonattest services.
- > Establish and maintain internal controls, including monitoring ongoing activities related to the nonattest function.

Reproduction of the Financial Forecast

If you intend to reproduce or publish the financial forecast, and make reference to our firm name in connection therewith, you agree to publish the financial forecast in its entirety. In addition, you agree to provide us, for our approval and consent, proofs before printing, and final materials before distribution.

With regard to the electronic dissemination of the financial forecast, including forecasted financials published electronically on your internet website, you understand that electronic sites are a means to distribute information and, therefore, we are not required to read the information contained in these sites or to consider the consistency of other information in the electronic site with the original document.

Ownership of Workpapers

The documentation for this engagement, including the workpapers is the property of Baker Tilly and constitutes confidential information. We may have a responsibility to retain the documentation for a period of time sufficient to satisfy any applicable legal or regulatory requirements for records retention. Baker Tilly does not retain any original client records and we will return such records to you at the completion of the services rendered under this engagement. When such records are returned to you, it is the Utility's responsibility to retain and protect its accounting and other business records for future use, including potential review by any government or other regulatory agencies. By your signature below, you acknowledge and agree that, upon the expiration of the documentation retention period, Baker Tilly shall be free to destroy our workpapers related to this engagement. If we are required by law, regulation or professional standards to make certain documentation available to Regulators, the Utility hereby authorizes us to do so.

Timing and Fees

Completion of our work is subject to, among other things, (i) appropriate cooperation from Utility's personnel, including timely preparation of necessary schedules, (ii) timely responses to our inquiries and (iii) timely communication of all significant presentation, accounting and financial reporting matters. When and if for any reason the Utility is unable to provide such schedules, information and assistance, Baker Tilly and you may mutually revise the fee to reflect additional services, if any, required of us to complete the compilation. Revisions to the scope of our work will be communicated to you and may be set forth in the form of an "Amendment to Existing Engagement Letter". In addition, if we discover compliance issues that require us to perform additional procedures and/or provide assistance with these matters, fees at our standard hourly rates apply.

Invoicing for services will be issued in three installments; the first upon commencement of engagement planning/preliminary fieldwork, the second upon commencement of year-end fieldwork, and the third upon delivery of the audit report. Fees are payable upon presentation. A charge of 1.5 percent per month shall be imposed on accounts not paid within thirty (30) days of receipt of our statement for services provided. In accordance with our firm policies, work may be suspended if your account becomes thirty (30) days or more overdue and will not be resumed until your account is paid in full. If we elect to terminate our services for nonpayment, our engagement will be deemed to have been completed upon written notice of termination, even if we have not completed our report. You will be obligated to compensate us for all time expended and to reimburse us for all out-of-pocket expenditures through the date of termination. In the event that collection procedures are required, the Utility agrees to be responsible for all expenses of collection including related attorneys' fees.

We estimate that our fees for these services will range from \$19,500 to \$21,500 for the compilation.

In addition to professional fees, our invoices will include our standard administrative charge, plus travel and subsistence, and other out-of-pocket expenses related to the engagement. Our fees, as summarized above, are based upon the current Statements on Standards for Accounting and Review Services that have been issued and are effective as of the date of this letter. Should additional accounting or auditing standards be issued subsequent, to or become effective for the periods covered by this engagement, our estimated fees may be adjusted accordingly.

We may use temporary contract staff to perform certain tasks on your engagement and will bill for that time at the rate that corresponds to Baker Tilly staff providing a similar level of service. Upon request, we will be happy to provide details on training, supervision and billing arrangements we use in connection with these professionals. Additionally, we may from time to time, and depending on the circumstances, use service providers (e.g., to act as a specialist or compile an element of the financial statements) in serving your account. We may share confidential information about you with these contract staff and service providers, but remain committed to maintaining the confidentiality and security of your information. Accordingly, we maintain internal policies, procedures and safeguards to protect the confidentiality of your personal information. In addition, we will secure confidentiality agreements with all contract staff and service providers to maintain the confidentiality of your information and we will take reasonable precautions to determine that they have appropriate procedures in place to prevent the unauthorized release of your confidential information to others. In the event that we are unable to secure an appropriate confidentiality agreement, you will be asked to provide your consent prior to the sharing of your confidential information with the contract staff or third-party service provider. Furthermore, the firm will remain responsible for the work provided by any such contract staff or third-party service providers.

Such privacy laws may include (i) the EU General Data Protection Regulation 2016/679 (GDPR); (ii) the California Consumer Privacy Act of 2018 (CCPA); and/or (iii) other laws regulating marketing communications, requiring security breach notification, imposing minimum security requirements, requiring the secure disposal of records and other similar requirements applicable to the processing of personal data or personal information. Baker Tilly is acting as a Service Provider/Data Processor in relation to Client personal data and personal information, as those terms are defined respectively under the CCPA/GDPR. Client is responsible for notifying Baker Tilly of any data privacy laws the data provided to Baker Tilly is subject to and Client represents and warrants it has all necessary authority (including any legally required consent from data subjects) to transfer such information and authorize Baker Tilly to process such information in connection with the services described herein. Client agrees that Baker Tilly has the right to generate aggregated/de-identified data from the accounting and financial data provided by Client to be used for Baker Tilly business purposes and with the outputs owned by Baker Tilly. For clarity, Baker Tilly will only disclose aggregated/de-identified data in a form that does not identify Client, Client employees, or any other individual or business entity and that is stripped of all persistent identifiers. Client is not responsible for Baker Tilly's use of aggregated/de-identified data.

Baker Tilly has established information security related operational requirements that support the achievement of our information security commitments, relevant information security related laws and regulations, and other information security related system requirements. Any additional services that may be requested and we agree to provide will be the subject of a separate engagement letter.

We may be required to disclose confidential information to federal, state and international regulatory bodies or a court in criminal or other civil litigation. In the event that we receive a request from a third party (including a subpoena, summons or discovery demand in litigation) calling for the production of information, we will promptly notify the Utility, unless otherwise prohibited. In the event we are requested by the Utility or required by government regulation, subpoena or other legal process to produce our engagement working papers or our personnel as witnesses with respect to services rendered to the Utility, so long as we are not a party to the proceeding in which the information is sought, we may seek reimbursement for our professional time and expenses, as well as the fees and legal expenses, incurred in responding to such a request.

We may be required to disclose confidential information with respect to complying with certain professional obligations, such as peer review programs. All participants in such peer review programs are bound by the same confidentiality requirements as Baker Tilly and its employees. Baker Tilly will not be required to notify the Utility if disclosure of confidential information is necessary for peer review purposes.

Resolution of Disagreements

In the unlikely event that differences concerning services or fees should arise that are not resolved by mutual agreement, both parties agree to attempt in good faith to settle the dispute by mediation administered by the American Arbitration Association (AAA) under its mediation rules for professional accounting and related services disputes before resorting to litigation or any other dispute-resolution procedure. Each party shall bear their own expenses from mediation.

If mediation does not settle the dispute or claim, then the parties agree that the dispute or claim shall be settled by binding arbitration. The arbitration proceeding shall take place in the city in which the Baker Tilly office providing the relevant services is located, unless the parties mutually agree to a different location. The proceeding shall be governed by the provisions of the Federal Arbitration Act (FAA) and will proceed in accordance with the then current Arbitration Rules for Professional Accounting and Related Disputes of the AAA, except that no prehearing discovery shall be permitted unless specifically authorized by the arbitrator. The arbitrator will be selected from Judicate West, AAA, Judicial Arbitration & Mediation Services (JAMS), the Center for Public Resources or any other internationally or nationally-recognized organization mutually agreed upon by the parties. Potential arbitrator names will be exchanged within fifteen (15) days of the parties' agreement to settle the dispute or claim by binding arbitration, and arbitration will thereafter proceed expeditiously. Any issue concerning the extent to which any dispute is subject to arbitration, or concerning the applicability, interpretation, or enforceability of any of these procedures, shall be governed by the FAA and resolved by the arbitrators. The arbitration will be conducted before a single arbitrator, experienced in accounting and auditing matters. The arbitrator shall have no authority to award nonmonetary or equitable relief and will not have the right to award punitive damages or statutory awards. Furthermore, in no event shall the arbitrator have power to make an award that would be inconsistent with the Engagement Letter or any amount that could not be made or imposed by a court deciding the matter in the same jurisdiction. The award of the arbitration shall be in writing and shall be accompanied by a well-reasoned opinion. The award issued by the arbitrator may be confirmed in a judgment by any federal or state court of competent jurisdiction. Discovery shall be permitted in arbitration only to the extent, if any, expressly authorized by the arbitrator(s) upon a showing of substantial need. Each party shall be responsible for their own costs associated with the arbitration, except that the costs of the arbitrator shall be equally divided by the parties. Both parties agree and acknowledge that they are each giving up the right to have any dispute heard in a court of law before a judge and a jury, as well as any appeal. The arbitration proceeding and all information disclosed during the arbitration shall be maintained as confidential, except as may be required for disclosure to professional or regulatory bodies or in a related confidential arbitration. The arbitrator(s) shall apply the limitations period that would be applied by a court deciding the matter in the same jurisdiction, including the contractual limitations set forth in this Engagement Letter, and shall have no power to decide the dispute in any manner not consistent with such limitations period. The arbitrator(s) shall be empowered to interpret the applicable statutes of limitations.

Our services shall be evaluated solely on our substantial conformance with the terms expressly set forth herein, including all applicable professional standards. Any claim of nonconformance must be clearly and convincingly shown.

Limitation on Damages and Indemnification

The liability (including attorney's fees and all other costs) of Baker Tilly and its present or former partners, principals, agents or employees related to any claim for damages relating to the services performed under this Engagement Letter shall not exceed the fees paid to Baker Tilly for the portion of the work to which the claim relates, except to the extent finally determined to have resulted from the willful misconduct or fraudulent behavior of Baker Tilly relating to such services. This limitation of liability is intended to apply to the full extent allowed by law, regardless of the grounds or nature of any claim asserted, including the negligence of either party. Additionally, in no event shall either party be liable for any lost profits, lost business opportunity, lost data, consequential, special, incidental, exemplary or punitive damages, delays or interruptions arising out of or related to this Engagement Letter even if the other party has been advised of the possibility of such damages.

As Baker Tilly is performing the services solely for your benefit, you will indemnify Baker Tilly, its subsidiaries and their present or former partners, principals, employees, officers and agents against all costs, fees, expenses, damages and liabilities (including attorney's fees and all defense costs) associated with any third-party claim, relating to or arising as a result of the services, or this Engagement Letter.

Because of the importance of the information that you provide to Baker Tilly with respect to Baker Tilly's ability to perform the services, you hereby release Baker Tilly and its present and former partners, principals, agents and employees from any liability, damages, fees, expenses and costs, including attorney's fees, relating to the services, that arise from or relate to any information, including representations by management, provided by you, Utility personnel or agents, that is not complete, accurate or current, whether or not management knew or should have known that such information was not complete, accurate or current.

Each party recognizes and agrees that the warranty disclaimers and liability and remedy limitations in this Engagement Letter are material bargained for bases of this Engagement Letter and that they have been taken into account and reflected in determining the consideration to be given by each party under this Engagement Letter and in the decision by each party to enter into this Engagement Letter.

The terms of this section shall apply regardless of the nature of any claim asserted (including, but not limited to, contract, tort or any form of negligence, whether of you, Baker Tilly or others), but these terms shall not apply to the extent finally determined to be contrary to the applicable law or regulation. These terms shall also continue to apply after any termination of this Engagement Letter.

You accept and acknowledge that any legal proceedings arising from or in conjunction with the services provided under this Engagement Letter must be commenced within twelve (12) months after the performance of the services for which the action is brought, without consideration as to the time of discovery of any claim or any other statutes of limitations or repose.

Other Matters

Neither this Engagement Letter, any claim, nor any rights or licenses granted hereunder may be assigned, delegated or subcontracted by either party without the written consent of the other party. Either party may assign and transfer this Engagement Letter to any successor that acquires all or substantially all of the business or assets of such party by way of merger, consolidation, other business reorganization or the sale of interest or assets, provided that the party notifies the other party in writing of such assignment and the successor agrees in writing to be bound by the terms and conditions of this Engagement Letter.

Our dedication to client service is carried out through our employees who are integral in meeting this objective. In recognition of the importance of our employees to Baker Tilly, it is hereby agreed that the Utility will not solicit our employees for employment or enter into an independent contractor arrangement with any individual who is or was an employee of Baker Tilly for a period of twelve (12) months following the date of the conclusion of this engagement. If the Utility violates this nonsolicitation clause, the Utility agrees to pay to Baker Tilly a fee equal to the hired individual's annual salary at the time of the violation so as to reimburse Baker Tilly for the costs of hiring and training a replacement.

The services performed under this Agreement do not include the provision of legal advice and Baker Tilly makes no representations regarding questions of legal interpretation. Client should consult with its attorneys with respect to any legal matters or items that require legal interpretation under federal, state or other type of law or regulation.
