

III

Res. No. 32 - 23 - 24. By Alderpersons Mitchell and Filicky-Peneski.  
July 17, 2023.

A RESOLUTION authorizing the appropriate City officials to execute the documents necessary to purchase an ambulance from Pomasl Fire Equipment, Inc. for the Sheboygan Fire Department and to make other purchases necessary to equip the new ambulance.

WHEREAS, it is in the City's best interest to have a functioning ambulance fleet for emergency response; and

WHEREAS, the Fire Department's previous ambulance orders have seen extensive delays such that orders placed in 2021 and 2022 are not being delivered until late 2024 and 2025 respectively; and

WHEREAS, the Fire Department's current ambulances need significant repairs and continue to be placed out of service for extended periods of time; and

WHEREAS, an ambulance is currently available to be delivered in March of 2024 through the vendor Pomasl Fire Equipment Inc., which will improve the department's operations and reduce downtime; and

WHEREAS, ordering an ambulance from any other vendor would delay delivery until 2026; and

WHEREAS, the ambulance from POMASL is equivalent to what the Fire Department currently operates and will meet the department needs; and

WHEREAS, the City's 2023 - 2027 Capital Improvement Program had an ambulance purchase scheduled for 2024; and

WHEREAS, there is sufficient fund balance to pay for the down payment and purchase of the ambulance.

NOW, THEREFORE, BE IT RESOLVED: That the appropriate City officials are hereby authorized to draw funds in the amount of \$351,806.36, for the purchase of the ambulance and other equipment necessary to equip the ambulance, from Account No. 400200-651100 (Capital Projects - Public Safety - Vehicles).

BE IT FURTHER RESOLVED: That the Finance Director is authorized to make the following budget amendment in the 2023 budget to allow for the required

down payment:

INCREASE:

Capital Projects Fund - Public Safety - Vehicles (Acct. No. 400200-651100)	\$88,327
Capital Projects Fund - Interfund Transfer In (Acct. No. 400-492000)	\$88,327
General Fund - Finance - Interfund Transfer Out (Acct. No. 101150-811100)	\$88,327
General Fund - Fund Equity Applied (Acct. No. 101-499999)	\$88,327

BE IT FURTHER RESOLVED: That the Finance Director is directed to include the remaining balance due for the ambulance and equipment in the 2024 Capital Improvements budget.

Pomasl Fire Upgrades and Installs:

The following are optional upgrades or changes. These would be in addition to the pricing above.

1. Supply and install (2) slide out drawers on the curbside interior. The drawers would be recessed into the C3 exterior compartment. The drawer assembly would be fully enclosed in the C3 exterior compartment. There would be room under the drawers for a stair chair or other. See attached pictures. We have installed this on (4) ambulances for customers. ALS & paramedic services like these drawers.
2. Dual Buell Air Horns: supply and install dual Buell air horns with compressor, air lines, air tank, compressor cover, etc.
3. Pomasl Fire will install a customer supplied dual head mobile radio. Pomasl Fire will supply face plates so the remote heads can be flush mounted in the console and the patient area.
4. Ferno INTRAX mounting brackets:
  - a. Lifepak 15 defib wall mount bracket
  - b. Double pole mount
  - c. Tablet mount
  - d. Sharps bin mount with sharps container

---

The Demers ambulance includes these awesome features:

- **Grip Strut** running boards
  - **72" headroom**
  - **Backup camera** including **patient area camera**
  - Squad bench with three (3) 6-point seat belts
  - CPR seat with 6-point seat belt
  - Rear facing attendant seat with 3-point seat belt with **Integrated Child Seat**
  - Anti-Theft Security System
  - Anti-Idle system to reduce engine hours and fuel consumption
  - Demers Multiplex electrical system with rocker switches – same as the new Demers Ambulances
  - Whelen '**Hundred**' series LED warning & scene lights with a **5-year Warranty**
  - Restocking feature installed on upper cabinets
  - Electric O2
  - Remote O2 pressure read out in cab, curbside, and street side
  - 2,000-watt Xantrax inverter with built in smart charger
  - 20-amp Kussmaul Super auto eject shoreline, street side front
  - Wrap / Graphics to match current Demers Ambulances
-
