Number of water service connections installed3	removed, or replaced1	06
	Number of water service connections installed	.3

Details are shown on the attached spreadsheets.

Other Utility Business:

The Utility initiated lead service line replacement projects on N. 6th and N. 7th Street in vicinity of the old Memorial Hospital.

Water main replacement was also completed in N. 7th Street and on N. 25th Street.

Planning continued for a water main crossing the Sheboygan River near the former Garton Toy site.

The Utility also completed customer notification regarding lead service lines as required by US EPA.

In addition, the Utility applied for ongoing lead service line funding, including grant funding up to 100%, through the WDNR safe drinking water loan program.
