Subject: Personal Property Tax Reimbursement

Hello,

The 2022 personal property tax bill #2134 in the amount of \$74.35 was based on an incorrect 2022 assessment. We showed the equipment as disposed when we did our annual PA-003 2022 filing, however it was missed by your office, which resulted in the erroneous assessment and billing. We paid the bill this year, and are now requesting reimbursement in the amount of \$74.35.
