

City of Sheboygan

March 7, 2024

Please accept this letter as the required general description of a small building addition we are proposing for our store located at 625 South Taylor Dr. We are seeking a building permit to attach a 233 square foot walk-in freezer to the sidewall of our existing retail store. We will match the design, arrangement, texture, material and color to the existing store architecture. Required plans are included in this submittal.

Sincerely,

Ted Cone
Project Manager
