

Parks & Recreation

January Board Report

December Recap

Tree Lighting

The Tree Lighting event had great attendance with performances from two local schools, bringing families and community members together. The event included a coffee food truck and photos with Santa.

Christmas Parade

The parade was a success despite unfavorable weather forecasts. There were no safety concerns or major issues reported, and the event ran smoothly.

Holiday Market at the Riverwalk

The market was very well attended by the public. While vendor participation was slightly lower than other holiday markets due to competition with Southport, Santa was a highlight. Both vendors and community members consistently expressed how much they enjoy the Riverwalk location.

What's Ahead

Planning is underway for the **2026 event schedule**.
