1. Black Mountain Software (BMS) has made every effort to ensure the information contained within this quote is complete and accurate. However, we reserve the right to correct any error or omission related to price, product description or availability. Please remember that to completely understand this quote, you must consider, in addition to product and prices, the terms and conditions that follow either on this or separate pages.
2. Prices quoted herein do not reflect sale or use taxes imposed by any state or local government, or any unit or subdivision thereof; such taxes are the responsibility of the buyer. Buyer agrees to be responsible for the documentation relating to the payment of such taxes to the maximum extent legally permitted. Black Mountain Software will be responsible for the collection of such taxes and/or the documentation related thereto, only to the extent required by law.
3. Training is included with the services provided for each software product. Unless specifically arranged, initial training will be conducted online. After initial training, free online training is always available for you and your staff as part of the Service fee. Advanced scheduling is required. Except for initial training, hourly charges apply for training physically provided onsite (your offices) or in house (our offices).
4. All costs are based on prices in effect for 60 days from the date of this bid.
5. Service fees include software updates and unlimited phone, email and internet support. The service is renewed annually and is non-refundable. Service fees are subject to change.
6. Implementation fee is a one-time charge that includes the cost of implementation planning and consulting, preparation of the software for delivery, initial training, and client communications throughout the startup process.
7.
