TERMS & CONDITIONS

1. This Quote is governed by and subject to the Master Services Agreement between Customer and BMS ("MSA"). Capitalized terms used in this Quote and not defined herein have the meanings provided in the MSA.
2. BMS has made efforts to ensure the information contained within this Quote is complete and accurate. However, BMS reserves the right to correct any error or omission related to fees, product description or availability.
3. Fees quoted in this Quote do not reflect sale or use taxes imposed by any state or local government, or any unit or subdivision thereof; such taxes are Customer's responsibility. Customer agrees to be responsible for the documentation relating to the payment of such taxes to the maximum extent legally permitted. BMS will be responsible for the collection of such taxes and/or the documentation related thereto, only to the extent required by law.
4. New Customers must pay BMS all one-time fees and costs (implementation fees and conversion fees) to reserve a spot on BMS's implementation schedule. BMS will invoice Customer for all ongoing fees when work commences on Customer's project, and that date determines the renewal date of this Quote. Existing Customers purchasing additional modules will be billed upon commitment as follows: one-time fees billed in full upon commitment; and annual fees prorated to coincide with the annual renewal date.
5. The implementation fee is a one-time charge that includes the cost of implementation planning and consulting, preparation of the software for delivery, initial training, and communications throughout the startup process.
6. Initial training is included with the Services provided for each Hosted Service listed above. Unless specifically arranged, initial training will be conducted online. After initial training, free online training is always available for Customer and its employees as part of the Support fee. Advanced scheduling is required. Except for initial training, hourly charges apply for training physically provided onsite (Customer offices) or in house (BMS offices).
7. Annual fees include Support as set forth in the MSA.
8. All fees are non-refundable. Fees are subject to change.

9. Upon termination for any reason, Customer will pay within thirty (30) days all amounts remaining unpaid for Services rendered under this Quote.
10. If travel is required, actual expenses are billed as follows: When flying, charges include airfare, travel time at \$35 per hour per person, meals at Federal daily rate for the area, lodging at local rates, and rental car. When driving, charges include mileage at 65.5¢ per mile, travel time at 45¢ per mile per person, meals at the Federal daily rate for the area, and lodging at local rates.
11. All Hosted Services are multi-user, with an unlimited number of licenses (seats). In addition, 'Read Only' access is available to limit data changes for specified users, while still providing lookup and printing capabilities.
