

Sidewalks

Public Works Sidewalks projects include those projects where existing sidewalks that are a key component of pedestrian traffic are either nonexistent or have deteriorated to a point where they've become a hazard.

Table 2: Sidewalk Projects

Sidewalk Projects	Project Year	Funding Sources	Priority (1-5)	Project Costs
Veterans Park Sidewalks (6 th Street SW)	2026	City Parks	1	\$60,500.00
East Park Sidewalks & ADA (3 rd Street S.E.)	2026	City Parks	3	\$250,000.00
22 nd Avenue NW Bike/Pedestrian Path	2028	MDT TA Grant/City Paths	2	\$203,800.00

Veterans Park Sidewalks (6th Street SW) – \$60,500.00

Install sidewalks on the south side perimeter of Veteran’s Park.

East Park Sidewalks & ADA (3rd Street S.E.) – \$250,000.00

Project will install ADA accesses and sidewalk along the north side of East Park between existing sections of sidewalk.

22nd Ave. NW Bike/pedestrian Path – \$203,800.00

Project will install new sidewalks beginning at West Holly and proceed north to South Meadow Park.
