RE: CITY BEACH BASKETBALL COURT PUBLIC ART PROJECT
NOTICE OF INTENT TO AWARD

EMAIL TO: Distribution below

On behalf of the City of Sandpoint, I wish to thank you for your time and effort in submitting artwork to the Artist Call for the City Beach Basketball Court Public Art Project. The city received a total of eight art proposals.

After evaluation and scoring of all art submissions, the Arts, Culture and Historic Preservation (ACHP) Commission has identified artist Katie Winkler and the artwork submission "Play Wild" as the highest scoring submission.

The City of Sandpoint City Council will consider authorizing staff to enter into an artist agreement for the identified City Beach Basketball Court design being recommended by the Arts, Culture and Historic Preservation (ACHP) Commission at the regularly scheduled City Council Meeting on Wednesday, June 17, 2026, at 5:30 PM Pacific Time.

The transmittal of this letter constitutes only notice of the City of Sandpoint's intent to award and does not constitute notice to proceed or an agreement. No art can be installed until the agreement is fully executed by both parties. You are advised that installation prior to such actions is unauthorized and the City of Sandpoint will assume neither responsibility nor payment associated with such installation.

Sincerely,

Heather Faircloth
Contracts, Grants, and Procurement Officer
