## Discussion

- Consideration:
- 1. DIFAC recommended 100% of maximum supportable amounts
- 2. Council can adopt lower than maximum
  - Adoption of a lower amount should be for all land uses
- 3. Phasing over a few years (ex. 75%, 90%, 100%)
- 4. Affordable housing exemptions
- Next Steps:
  - Incorporate City Council input into impact fee report
  - Public Hearing for ordinance change

- Housing projections based on building permit data
- Population projections based on housing growth and PPHH factors
- 3,372 new residents (30% increase)
