RESOLUTION  
OF THE CITY COUNCIL  
CITY OF SANDPOINT

**TITLE: PURCHASE ORDER #26-1669 TO SOLID WASTE SYSTEMS, INC., FOR A  
LOADER MOUNTED SNOW BLOWER**

WHEREAS: City staff recommend the purchase of a Loader Mounted Blower to replace the existing snow blower currently utilized by the Sandpoint Public Works Department;

WHEREAS: Unfortunately, even with expenditures of more than \$50,000 to rebuild the engine, the City's existing snow blower has experienced repeated mechanical failures in recent years and is functionally unreliable, with operational concerns persisting;

WHEREAS: As this is a specialty piece of equipment, rental options are extremely limited and often unavailable locally during snow events, and, when rentals can be sourced, costs are significant;

WHEREAS: The snow blower is the single most critical piece of equipment for effective downtown snow removal and is necessary to meet safety standards and maintain ADA access, while supporting business activity through timely snow clearance;

WHEREAS: The blower is available through the competitively bid Sourcewell Cooperative Contract 062222-JAL, in compliance with Idaho Code §§ 67-2807 and 67-2808(2), allowing the City to secure favorable pricing without conducting an independent bid process; and

WHEREAS: This is a budgeted purchase, provided for within the approved FY2026 Budget.

NOW, THEREFORE, BE IT RESOLVED THAT: City Council hereby approves Purchase Order #26-1669 to Solid Waste Systems, Inc. in the amount of \$205,256.80, a copy of which is attached hereto and made a part hereof as if fully incorporated herein.

BE IT FURTHER RESOLVED THAT: As set forth in the Procurement Process and Signature Authority Policy for Goods, Services, and Construction and further outlined in the City of Sandpoint Procurement Policy, on behalf of the City, the Mayor or his designee is hereby authorized to execute all necessary documents to effect this purchase.
