Chair Susnis reported that the Silver Box sculptures were successfully installed by the second week of July and expressed her gratitude to city staff for distribution of a correlating press release and to local publications for their featured stories. Planning for the next Silver Box installation in June of 2026 will begin in January.

5. Lake Pend Oreille Wooden Sign Refurbish and Placement Discussion

Chair Susnis reported that she personally went to the museum to assess and measure the wooden Lake Pend Oreille sign in need of refurbishment and relocation. Sign dimensions: 8' tall and 5' wide. After discussion, the City Beach boat launch, near the lifejacket loaner station, emerged as the favored location by commissioners present.

6. Streetlamp Banner Program Planning Discussion

Ms. Susnis did additional research into banners for downtown streetlamps; dimensions and costs. She shared her findings with the Commission. Estimate for an 18"x30" banner is \$85-\$100 per banner. Susnis proposed a \$250-\$300 stipend for the selected artist. With UV protection it is not uncommon for banners to last 2-3 years.

Commissioner McAlister moved to continue planning efforts for this program, to approach SURA with a funding request, and to create an RFP for the banner designs.

Motion made by Commissioner McAlister, Seconded by Commissioner Decker.

7. Cedar Street Public Art Commission Planning Discussion

The commission discussed initiating a large-scale public art project on Cedar Street using funds from the SURA Public Art Fund, which must be spent before the SURA agency sunsets in 2029. Susnis noted that three reinforced concrete pads along Cedar Street, at Second, Third, and Fourth, were designed to hold large sculptures. She proposed the ACHP commission a large sculpture for the corner of Second and Cedar, with an estimated budget of \$15,000-\$20,000, including \$2,500 remaining in the Gretchen Heller Memorial Fund. The discussion also touched on the option to purchase art outright without a formal call for artists. A motion to proceed with planning and to pursue a combination of funding from the SURA Art Fund and Gretchen Heller Memorial Fund, was unanimously approved.
