Announcements and Reports

At the invitation of the Mayor, Department Directors provided reports on projects and activities in their respective departments.

Council members provided reports from recent meetings of the citizen advisory boards on which they serve as Council liaison.

The Mayor reported that the City had been notified that the second of two grant applications submitted for monies offered by the federal Consolidated Rail Infrastructure and Safety Improvements (CRISI) Program had not been awarded to the City. As neither of these railroad grants had been awarded, the City will not continue pursuing the Great Northern Road rehabilitation project as has been planned, freeing up approximately \$6,000,000 in funding that can be used for other projects in the Northern Revenue Allocation Area, to be explored further with the Sandpoint Urban Renewal Agency Board of Commissioners.
