2.1 Declaration Appurtenant to Property. Grantor declares that the Property (see Article 3.1 herein) shall be held, sold, conveyed, encumbered, hypothecated, leased, used, occupied, and improved subject to the following terms, covenants, conditions, easements, and restrictions, all of which are declared and agreed to be in furtherance of a general plan for the protection, maintenance, subdivision, improvement, and sale of the Property, and to enhance the value, desirability, and attractiveness of the Property. The terms, covenants, conditions, easements, and restrictions set forth herein:

(a) shall run with the land constituting the Property, and with each estate therein, and shall be binding upon all persons having or acquiring any right, title, or interest in the Property or any lot, parcel, or portion thereof;

(b) shall inure to the benefit of every lot, parcel, or portion of the Property and any interest therein; and,

(c) shall inure to the benefit of, and be binding upon, Grantor, Grantor’s successors in interest, and each grantee or Owner, and such grantee’s or Owner’s respective successors in interest, and may be enforced by Grantor, by any Owner, or such Owner’s successors in interest, or by the Association as hereinafter described.

2.2 Development Rights. Notwithstanding the foregoing, no provision of this Declaration shall be construed as to prevent or limit Grantor’s right to complete development of the Property and to construct improvements thereon, nor Grantor’s right to maintain model homes, construction, sales, or leasing offices, or similar facilities (temporary or otherwise) on any portion of the Entire Property, including any Common Area or any public right-of-way, nor Grantor’s right to post signs incidental to construction, sales, or leasing, nor Grantor’s right to modify plans for the Property, all in accordance with any necessary approvals of the City.

ARTICLE 3 – PHASED PROJECT

3.1 Property. The property subject to this Declaration includes, but is not limited to, the property legally described as follows:

Replat of Lot 1, Block 3 of Boyer Farm Estates, Bonner County,
Idaho, according to the plat thereof recorded in Book [REDACTED] of Plats,
Page(s) [REDACTED].

(the “Property” or the “Replat”).

3.2 Boyer Farm Estates Plat. The Property is a replat of a portion of a prior approved plat known as Boyer Farm Estates (hereinafter the Plat). The First CC&Rs purport to bind all of the land within the Plat. However, at the time of the recording of the First CC&Rs Halmark Homes, Inc. did not own the land within Block 3 of Plat. Rather, it owned the lots within Blocks 1 and 2. As such, the First CC&Rs are not binding upon the land within Block 3, which is the land within the Replat, and it is this land within the Replat to which this Declaration pertains and binds. To the extent that there were any existing covenants, conditions and restrictions that may have been executed which purport to bind the land within the Replat, such covenants, conditions and restrictions are entirely superseded and replace with this Declaration.

ARTICLE 4 - GENERAL AND SPECIFIC RESTRICTIONS

4.1.2 Architectural Committee Review. No Improvements which will be visible above ground or which will ultimately affect the visibility of any above ground Improvement shall be built, erected, placed, or materially altered or removed from the Property unless and until the building plans, specifications, and plot plan or other appropriate plans and specifications have been reviewed in advance by the Architectural Committee and the same have been approved in writing. The review and approval or disapproval may be based upon the following factors - size, height, design and style elements, mass and form, topography, setbacks, finished ground elevations, architectural symmetry, drainage, color, materials, including Architectural Committee approved architectural shingles roofing material, physical or aesthetic impacts on other properties, including Common Areas, artistic conformity to the terrain and the other Improvements on the Property, and

any and all other factors which the Architectural Committee, in its reasonable discretion, deems relevant. Said requirements as to the approval of the architectural design shall apply only to the exterior appearance of the Improvements. This Declaration is not intended to serve as authority for the Architectural Committee to control the interior layout or design of residential structures except to the extent incidentally necessitated by use, size, and height restrictions.

4.1.3 Setbacks and Height. No residential or other structure (exclusive of fences and similar structures) shall be placed nearer to the Building Lot lines or built higher than permitted by the Plat for the Phase in which the Building Lot is located, by any applicable zoning restriction, by any conditional use permit, or by a building envelope designated either by Grantor or applicable Architectural Committee, whichever is more restrictive.

Garages, storage sheds attached to the residential structure, patio covers, and detached patio covers, shall be constructed of, and roofed with similar colors and design, as the residential structure on the applicable Building Lot. 4.1.5 Driveways. All access driveways shall have a wearing surface approved by the Architectural Committee of asphalt, concrete, or other hard surface materials, and shall be properly graded to assure proper drainage.

Fencing shall not extend higher than six (6) feet above the finished grade surface of the Building Lot or extend past the front setback of the home. All fencing must meet the setback requirements of City ordinance. Certain entryway, corner and view Building Lots as more particularly set forth in a Supplemental Declaration are restricted from fencing.

4.1.8 Lighting. Exterior lighting, including flood lighting, shall be part of the architectural concept of the Improvements on a Building Lot. Fixtures, standards, and all exposed accessories shall be harmonious with building design, and shall be as approved by the Architectural Committee. Lighting shall be restrained in design, and excessive brightness shall be avoided.

4.2 Insurance Rates. Nothing shall be done or kept on any Building Lot which will increase the rate of insurance on any other portion of the Property without the approval of the Owner of such other portion, nor shall anything be done or kept on the Property or a Building Lot which would result in the cancellation of insurance on any property owned or managed by any such Association or which would be in violation of any law.

4.3 No Further Subdivision. No Building Lot may be further subdivided, nor may any easement or other interest therein, unless such subdivision complies with all applicable laws. Notwithstanding the foregoing, this provision shall not limit the Grantor's ability to subdivide any portion of the Project as it, in its sole discretion, desires.

4.4 Signs. No sign of any kind shall be displayed for public view without the approval of the applicable Architectural Committee or Association, and the City if otherwise so required, except:

(a) such signs as may be used by Grantor in connection with the development of the Property and sale of Building Lots;

(b) temporary signs naming the contractors, the architect, and the lending institution for particular construction operation;

(c) such signs identifying Subdivision, or informational signs, of customary and reasonable dimensions as prescribed by the Architectural Committee may be displayed on or from the Common Area; and,

(d) one (1) sign of customary and reasonable dimensions not to exceed three (3) feet by two (2) feet may be displayed by an Owner other than Grantor on or from a Building Lot advertising the residence for sale or lease

All signage, including signage for the exceptions listed in (A)-(D), must be done in accordance with the Subdivision signage format. Without limiting the foregoing, no sign shall be placed in the Common Area without the written approval of the applicable Architectural Committee or the Association.

4.5 Nuisances. No rubbish or debris of any kind shall be placed or permitted to accumulate anywhere upon the Phase 1 Property, including the Common Area, if any, or vacant Building Lots, and no odor shall be permitted to arise therefrom so as to render the Property or any portion thereof unsanitary, unsightly, offensive, or detrimental to the Property or to its occupants, or to any other property in the vicinity thereof or to its occupants. No noise or other nuisance, as described in the Sandpoint City Code, as amended from time to time, shall be permitted to exist or operate upon any portion of the Property so as to be offensive or detrimental to the Property or to its occupants or to other property in the vicinity or to its occupants. Without limiting the generality of any of the foregoing provisions, no exterior speakers, horns, whistles, bells, or other sound devices (other than security devices used exclusively for security purposes which have been approved by the Association), flashing lights, or search lights, shall be located, used, or placed on the Property without the prior written approval of the Association.

4.6 Exterior Maintenance: Owner's Obligations. No Improvement shall be permitted to fall into disrepair, and each Improvement shall at all times be kept in good condition and repair. This includes all landscaping which is visible from the roadway(s) within Boyer Farm Estates. Homeowner's are responsible for the landscape maintenance of the street trees and landscaping between street curb and sidewalk along Homeowner respective lot frontage. In the event that any Owner shall permit any Improvement, including trees and landscaping, which is the responsibility of such Owner to maintain, to fall into disrepair so as to create a dangerous, unsafe, unsightly, or unattractive condition, or damages property or facilities on or adjoining their Building Lot, the Board of the Association, upon fifteen (15) days prior written notice to the Owner of such property, shall have the right to correct such condition, and to enter upon such Owner's Building Lot for the purpose of doing so, and such Owner shall promptly reimburse the Association for the cost thereof. Such cost shall be a Limited Assessment and shall create a lien enforceable in the same manner as other Assessments set forth in Article 8 of this Declaration. The Owner of the offending property shall be personally liable, and such Owner's property may be subject to a mechanic's lien, for all costs and expenses incurred by the Association in taking such corrective acts, plus all costs incurred in collecting the amounts due, including attorney's fees and costs. Each Owner shall pay all amounts due for such work within ten (10) days after receipt of written demand therefor, or the amounts may, at the option of the Board, be added to the amounts payable by such Owner as Regular Assessments. Each Owner shall have the remedial rights set forth herein if the Association fails to exercise its rights within a reasonable time following written notice by such Owner. Owner shall

4.7 Drainage. Boyer Farm Estates is designed with an approved storm water management plan that requires the construction of, and continued maintenance of, a system of swales which are necessary to ensure property water drainage and absorption within the Property. It shall be each respective owner's obligation to maintain that portion of the storm water management system, including any swale, that is located on that owner's Building Lot. There shall be no interference with the established drainage pattern over any portion of the Property, unless an adequate alternative provision is made for proper drainage and is first approved in writing by the applicable Architectural Committee. For the purposes hereof, "established" drainage is defined as the system of drainage, whether natural or otherwise, which exists at the time the overall grading of any portion of the Property is completed by Grantor, or that drainage which is shown on any plans approved by the Architectural Committee, which may include drainage from the Common Area over any Building Lot in the Property.

4.8 Grading. The Owner of any Building Lot within the Property in which grading or other work has been performed pursuant to a grading plan approved under applicable provisions of City Code shall maintain and repair all swales and other graded surfaces and erosion prevention devices, retaining walls, drainage structures, means, or devices which are not the responsibility of any applicable Highway District, the Association, or other public agency, and plantings and ground cover installed or completed thereon. Such requirements shall be subject to Regular, Special, and Limited Assessments provided in Article 7 herein, as may be applicable.

4.9 Water Supply Systems. No separate or individual water supply system, regardless of the proposed use of the water to be delivered by such system, shall be permitted on any Building Lot unless such system is designed, located, constructed, and equipped in accordance with the requirements, standards, and recommendations of the Board of the Association and all

governmental authorities having jurisdiction. Grantor or affiliates of Grantor may use the water supply as deemed necessary for temporary or other irrigation purposes.

4.10 No Hazardous Activities. No activities shall be conducted on the Property, and improvements constructed on any property which are or might be unsafe or hazardous to any person or property.

4.11 Unsightly Articles. No unsightly articles shall be permitted to remain on any Building Lot so as to be visible from any other portion of the Property. Without limiting the generality of the foregoing, refuse, garbage, and trash shall be kept at all times in such containers and in areas approved by the applicable Architectural Committee. No clothing or fabrics shall be hung, dried, or aired in such a way as to be visible to other property, and no equipment, treat pumps, compressors, containers, lumber, firewood, grass, shrub or tree clippings, plant waste, metals, bulk material, scrap, refuse, or trash shall be kept, stored or allowed to accumulate on any Building Lot except within an enclosed structure or as appropriately screened from view. No vacant residential structures shall be used for the storage of building materials.

4.12 No Temporary Structures. No house trailer, mobile home, tent (other than for short term individual use which shall not exceed one (1) week unless approved by the Association), shack or other temporary building, improvement, or structure shall be placed upon any portion of the Property, except temporarily as may be required by construction activity undertaken on the Property. Also excepted from this requirement is any sales office established for the Property.

4.13 No Unscreened Boats, Campers, and Other Vehicles. No boats, trailers, campers, all-terrain vehicles, motorcycles, recreational vehicles, bicycles, dilapidated or unrepaired and unsightly vehicles, or similar equipment shall be placed upon any portion of the Property (including, without limitation, streets, parking areas, and driveways) unless the same are enclosed by a structure concealing them from view in a manner approved by the Architectural Committee. To the extent possible, garage doors shall remain closed at all times.

4.14 Sewage Disposal Systems. No individual sewage disposal system shall be used on the Property. Each Owner shall connect the appropriate facilities on such Owner's Building Lot to the available municipal sewer system and pay all charges assessed therefor.

4.15 No Mining or Drilling. No portion of the Property shall be used for the purpose of mining, quarrying, drilling, boring, or exploring for or removing water, oil, gas, or other hydrocarbons, minerals, rocks, stones, sand, gravel or earth. This paragraph 4.15 shall not prohibit exploratory drilling or coring which is necessary to construct a residential structure or Improvements.

4.16 Energy Devices Outside. No energy production devices, including, but not limited to, generators of any kind and solar energy devices, shall be constructed or maintained on any portion of the Property without the written approval of the applicable Architectural Committee, except for heat pumps shown in the plans approved by the Architectural Committee. This paragraph 4.16 shall not apply to passive solar energy systems incorporated into the approved design of a residential structure.

4.17 Vehicles. The use of all vehicles, including, but not limited to, trucks, automobiles, bicycles, motorcycles, snowmobiles, aircraft, and boats, shall be subject to all Association Rules, which may prohibit or limit the use thereof within the Boyer Farm Estates Subdivision. No on-street parking shall be permitted except where expressly designated for parking use. No parking bays shall be permitted in any side, front, or backyard. Vehicles parked on a driveway shall not extend into any sidewalk or bike path or pedestrian path. No motorized vehicle or device shall be permitted on any Waterway unless such vehicle is engaged in an emergency procedure.

4.18 Animals/Pets. No animals, birds, insects, pigeons, poultry or livestock shall be kept on the Property unless the presence of such creatures does not constitute a nuisance. This paragraph does not apply to the keeping of up to two (2) domesticated dogs, up to two (2) domesticated cats, and other household pets which do not unreasonably bother or constitute a nuisance to others. Without limiting the generality of the foregoing, consistent and/or chronic barking by dogs shall be considered a nuisance. Each dog in the Boyer Farm Estates Subdivision shall be kept on a leash, curbed, and otherwise controlled at all times when such animal is off the premises of its owner. Such owner shall clean up any animal defecation immediately from the Common Area or public right-of-way. Failure to do so may result, at the Board's discretion, with a Limited Assessment levied against such animal owner. The construction of dog runs or other pet enclosures shall be subject to applicable Architectural Committee approval, shall be appropriately screened, and shall be maintained in a sanitary condition. Dog runs or other pet enclosures shall be placed a minimum of ten (10) feet from the side and twenty-five (25) feet from the rear Building Lot line, shall not be placed in any front yard of a Building Lot, and shall be screened from view so as not to be visible from the Common Area or an adjacent Building Lot.

4.19 Landscaping. The Owner of any Building Lot shall sod and landscape such Building Lot in conformance with a landscape plan approved by the Association, if any, and as approved by the Architectural Committee. All landscaping shall be planted within thirty (30) days after said dwelling structure is completed, weather permitting. The initial front landscaping shall include as a minimum, sod in the front and side yards, two (2) deciduous trees of at least two inch (2") caliper or one (1) pine tree of at least six feet (6') in height and one (1) flowering tree of at least two inch (2") caliper in front yard, ten (10) - five (5) gallon shrubs or plants, and five (5) - two (2) gallon shrubs or plants. But if Grantor or an affiliate of Grantor constructs the dwelling structure, only the front yard (i.e. the yard visible from the street) of the Building Lot is required to be landscaped within thirty (30) days of substantial completion of the dwelling structure. The Owner is then responsible for completing the balance of the Building Lot landscaping within ninety (90) days after the Building Lot is conveyed to the first Owner of the Building Lot. Additionally, Grantor may grant extensions of the landscaping deadlines to any party for up to ninety (90) days. Prior to construction of Improvements, the Owner (or any Association to which such responsibility has been assigned) shall provide adequate irrigation and maintenance of existing trees and landscaping, shall control weeds, and maintain the Owner's (or Association's) property in a clean and safe condition free of debris or any hazardous condition. All trees located on common Building Lot lines shall be the joint responsibility of the adjoining Building Lot owners. All landscaped Common Areas other than riparian vegetation shall be irrigated by an underground sprinkler system.

Following commencement of any construction of any Improvement, construction shall be diligently pursued and completed as soon as reasonably practical. All landscaping on a Building

Lot, unless otherwise specified by the applicable Architectural Committee, shall be completed as soon as reasonably practical following completion of the residential structure on such Building Lot.

It shall be the responsibility of the owner of any Building Lot, except any Lot owned by the Grantor, to maintain and/or repair all landscaping. An owner's failure to do so shall entitle the Association to perform such maintenance and/or repair, and the Association at the expense of said owner(s), through special or limited assessments to said owner(s).

4.20 Exemption of Grantor. Nothing contained herein shall limit the right of Grantor to subdivide or re-subdivide any portion of the Entire Property, to grant licenses, to reserve rights-of-way and easements with respect to the Common Area to utility companies, public agencies, or others, or to complete excavation, grading, and construction of Improvements to and on any portion of the property owned by Grantor, or to alter the foregoing and its construction plans and designs, or to construct such additional Improvements as Grantor deems advisable in the course of development of the Property so long as any Building Lot in the Property remains unsold. Such right shall include, but shall not be limited to, erecting, constructing, and maintaining on the Property such structures and displays as may be reasonably necessary for the conduct of Grantor's business of completing the work and disposing of the same by sales, lease or otherwise. Grantor shall have the right at any time prior to acquisition of title to a Building Lot by a purchaser from Grantor to grant, establish, and/or reserve on that Building Lot, additional licenses, reservations and rights-of way to Grantor, to utility companies, or to others as may from time to time be reasonably necessary to the proper development and disposal of the Property. Grantor may use any structures owned by Grantor on the Property as model home complexes or real estate sales or leasing offices for lots and homes within the Development. Grantor need not seek or obtain Architectural Committee approval of any Improvement constructed or placed by Grantor or an affiliate of Grantor on any portion of the Property owned by Grantor or an affiliate of Grantor. The rights of Grantor hereunder may be assigned by Grantor to any successor in interest in connection with Grantor's interest in any portion of the Property, by an express written assignment recorded in the Office of the Bonner County Recorder.

ARTICLE 5 - BOYER FARM ESTATES HOMEOWNERS ASSOCIATION

5.1 Organization of Boyer Farm Estates Block 3 Homeowners Association. The Boyer Farm Estates Block 3 Homeowners Association, Inc. ("Association") shall be initially organized by Grantor as an Idaho nonprofit corporation under the provisions of the Idaho Code relating to general non-profit corporations and shall be charged with the duties and invested with the powers prescribed by law and set forth in the Articles, Bylaws, and this Declaration. Neither the Articles nor the Bylaws shall be amended or otherwise changed or interpreted so as to be inconsistent with this Declaration or with any Supplemental Declaration which Grantor might adopt pertaining to the Subdivision.

5.2 Membership. Each Owner, by virtue of being an Owner and for so long as such ownership is maintained, shall be a Member of the Association and no Owner, except Grantor, shall have more than one membership in the Association. Memberships in the Association shall be appurtenant to the Building Lot, or other portion of the Property owned by such Owner. The memberships in the Association shall not be transferred, pledged, assigned, or alienated in any way except upon the transfer of Owner's title and then only to the transferee of such title. Any attempt

to make a prohibited membership transfer shall be void and will not be reflected on the books of the Association.

5.3 Voting. For voting purposes, the Association shall have two (2) classes of Members as described below:

5.3.1 Class A Members. Owners other than Grantor, for so long as Grantor is the Class B Member, shall be known as Class A Members. Each Class Member shall be entitled to cast one (1) vote for each Building Lot owned by such Class A Member on the day of the vote. Upon termination of the Class B Member, Grantor shall become a Class A Member.

5.3.2 Class B Member. The Grantor shall be known as the Class B Member, and shall be entitled to fifteen (15) votes for each Building Lot of which Grantor is the Owner. The Class B Member shall cease to be a voting Member in the Association upon the later to occur of the following: (i) when the total cumulative votes of the Class A Members equal or exceed the total votes of the Class B Members; (ii), the expiration of twenty (20) years from the date on which the first Building Lot is sold to an Owner; or (iii) Grantor's written conformation that it is transferring control of the Association to the other owners, and its acceptance that its interest is converted to Class A membership.

Fractional votes shall not be allowed. If the Owner of a Building Lot shall be more than one (1) Person, all such Persons shall be deemed Members, but the voting rights in the Association attributable to that Building Lot may not be split and shall be exercised by one representative selected by such Persons as they, among themselves, may determine. In the event that such joint Owners are unable to agree among themselves as to how their vote or votes shall be cast, they shall lose their right to vote on the matter being put to a vote. When an Owner casts a vote, it will thereafter be presumed conclusively for all purposes that such Owner was acting with authority and consent of all joint owners of the Building Lot(s) from which the vote derived. The right to vote may not be severed or separated from the ownership of the Building Lot to which it is appurtenant, except that any Owner may give a revocable proxy, or may assign such Owner's right to vote to a lessee, mortgagee, beneficiary, or contract purchaser of the Building Lot concerned, for the term of the lease, mortgage, deed of trust, or contract. Any sale, transfer, or conveyance of such Building Lot to a new Owner shall operate automatically to transfer the appurtenant voting right to the Owner, subject to any assignment of the right to vote to a lessee, mortgagee, or beneficiary as provided herein.

5.4 Board of Directors and Officers. The affairs of the Association shall be conducted and managed by a Board of Directors ("Board") and such officers as the Board may elect or appoint, in accordance with the Articles and Bylaws, as the same may be amended from time to time. The Board of the Association shall be elected in accordance with the provisions set forth in the Association Bylaws.

5.5 Power and Duties of the Association.

5.5.1 Powers. The Association shall have all the powers of a corporation organized under the general corporation laws of the State of Idaho subject only to such limitations upon the exercise of such powers as are expressly set forth in the Articles, the Bylaws, and this

Declaration. The Association shall have the power to do any and all lawful things which may be authorized, required or permitted to be done by the Association under Idaho law and under this Declaration, and the Articles and Bylaws, and to do and perform any and all acts which may be necessary to, proper for, or incidental to the proper management and operation of the Common Area and the Association's other assets (including water rights when and if received from Grantor) and affairs and the performance of the other responsibilities herein assigned, including without limitation:

5.5.1.1 Assessments. The power to levy Assessments on any Owner or any portion of the Property and to force payment of such Assessments, all in accordance with the provisions of this Declaration.

5.5.1.2 Right of Enforcement. 5.5.1.3 Delegation of Powers. Neither the Association nor the members of its Board shall be liable for any omission or improper exercise by the manager of any such duty or power so delegated. All contracts for management of any Common Area shall be for a term not exceeding one (1) year, and shall be subject to review by the Board upon the termination of the Class B Member.

5.5.1.4 Association Rules. The power to adopt, amend, and repeal by majority vote of the Board such rules and regulations as the Association deems reasonable. The Association may govern the use of the Common Areas, including, but not limited to, the use of private streets by the Owners, their families, invitees, licensees, lessees, or contract purchasers; provided, however, that any Association Rules shall apply equally to all Owners and shall not be inconsistent with this Declaration, the Articles, or the Bylaws. A copy of the Association Rules as they may from time to time be adopted, amended, or repealed, shall be mailed or otherwise delivered to each Owner. Upon such mailing or delivery, the Association Rules shall have the same force and effect as if they were set forth in and were a part of this Declaration. In the event of any conflict between such Association Rules and any other provisions of this Declaration, or the Articles or the Bylaws, the provisions of the Association Rules shall be deemed to be superseded by provisions of this Declaration, the Articles, or the Bylaws to the extent of any such inconsistency.

5.5.1.5 Emergency Powers. The power, exercisable by the Association or by any person authorized by it, to enter upon any property (but not inside any building constructed thereon) in the event of any emergency involving illness or potential danger to life or property or when necessary in connection with any maintenance or construction for which the Association is responsible. Such entry shall be made with as little inconvenience to the Owner as practicable, and any damage caused thereby shall be repaired by and at the expense of the Association.

5.5.1.6 Licenses, Easements, and Rights-of-Way. The power to grant and convey to any third party such licenses, easements, and rights-of-way in, on, or under the Common Area as may be necessary or appropriate for the orderly maintenance, preservation, and enjoyment of the Common Area, and for the preservation of the health, safety, convenience, and welfare of the Owners, for the purpose of constructing, erecting, operating, or maintaining:

5.5.1.6.1 Underground lines, cables, wires, conduits, or other devices for the transmission of electricity or electronic signals-for lighting, heating, power, telephone, television, or other purposes, and the above ground lighting stanchions, meters, and other facilities associated with the provisions of lighting and services, public sewers, storm drains, water drains, and pipes, water supply systems, sprinkling systems, heating and gas lines or pipes, and any similar public or quasi-public improvements or facilities; and

5.5.1.6.2 Mailboxes and sidewalk abutments around such mailboxes, or any service facility, berms, fencing and landscaping abutting common areas, public and private streets or land conveyed for any public or quasi-public purpose including, but not limited to, bicycle pathways.

5.5.1.7 Newsletter. If it so elects, prepare and distribute a newsletter on matters of general interest to Association Members, the cost of which shall be included in Regular Assessments.

The right to grant such licenses, easements, and rights-of-way is hereby expressly reserved to the Association and may be granted at any time prior to twenty-one (21) years after the death of the issue of the individuals executing this Declaration on behalf of Grantor who are being as of the date hereof.

5.5.2 Duties. In addition to duties necessary and proper to carry out the powers delegated to the Association by this Declaration, and the Articles and Bylaws, without limiting the generality thereof, the Association or its agent, if any, shall have the authority and the obligation to conduct all business affairs of the Association and to perform, without limitation, each of the following duties:

5.5.2.1 Operation and Maintenance of the Common Area, if Any. Operate, maintain, and otherwise manage, or provide for the operation, maintenance, and management of, the Common Area if any exists in the Project, including the repair and replacement of Association property damaged or destroyed by casualty loss. Specifically, the Association shall, at Grantor's sole discretion, operate and maintain all properties owned by Grantor which are designated by Grantor for temporary or permanent use by Members of the Association. Such properties may include those lands intended for open space uses and which may be referred to as "non-buildable" lots per the Plat. Additionally, the Association may, in its discretion, limit or restrict the use of the Common Area to the Owners residing in the Subdivision.

5.5.2.2 Reserve Account. Establish and fund a reserve account with a reputable banking institution or savings and loan association or title insurance company authorized to do business in the State of Idaho, which reserve account shall be dedicated to the costs of repair, replacement, maintenance and improvement of the Common Area.

5.5.2.3 Taxes and Assessments. Pay all real and personal property taxes and Assessments separately levied against the Common Area or against the Property, the Association, and/or any other property owned by the Association, if any. Such taxes and Assessments may be contested or compromised by the Association, provided, however, that such taxes and Assessments are paid or a bond insuring payment is posted prior to the sale or disposition of any property to satisfy the payment of such taxes and Assessments. In addition, the Association shall pay all other federal, state, or local taxes, including income or corporate taxes levied against the Association, in the event that the Association is denied the status of a tax exempt corporation.

5.5.2.4 Water and Other Utilities. Acquire, provide, and/or pay for water, sewer, garbage disposal, refuse and rubbish collection, electrical, telephone, and gas, and other necessary services, for the Common Area, and manage for the benefit of the Property all domestic, irrigation, and amenity water rights and rights to receive water held by the Association, whether such rights are evidenced by license, permit, claim, stock ownership, or otherwise. It is anticipated that for Phase 1, there will be street lights with a meter to track the electricity used for such lights. The cost of the electricity will be billed to, and paid by, the Association and shall be included in assessments to owners.

5.5.2.5 Insurance. Obtain insurance from reputable insurance companies authorized to do business in the State of Idaho, and maintain in effect any insurance policy the Board deems necessary or advisable, including, without limitation, the following policies of insurance:

5.5.2.5.1 Fire insurance, including those risks embraced by coverage of the type known as the broad form "All Risk" or special extended coverage endorsement on a blanket agreed amount basis for the full insurable replacement value of all Improvements, equipment, and fixtures located within the Common Area.

5.5.2.5.2 Comprehensive public liability insurance insuring the Board, the Association, the Grantor, and the individual grantees and agents and employees of each of the foregoing, against any liability incident to the ownership and/or use of the Common Area. Limits of liability of such coverage shall be as follows:

Not less than One Million Dollars and No Cents (\$1,000,000.00) per person, and One Million Dollars and No Cents (\$1,000,000.00) per occurrence, with respect to personal injury or death, and One Million Dollars and No Cents (\$1,000,000.00) per occurrence with respect to property damage.

Full coverage directors' and officers' liability insurance with a limit of at least Two Hundred Fifty Thousand Dollars and No Cents (\$250,000.00).

5.5.2.5.3 Such other insurance, including motor vehicle insurance and Workmen's Compensation Insurance, to the extent necessary to comply with all applicable laws and indemnity, faithful performance, fidelity, and other bonds as the Board shall deem necessary or required to carry out the Association functions or to insure the Association

against any loss from malfeasance or dishonesty of any employee or other person charged with the management or possession of any Association funds or other property.

5.5.2.5.4 The Association shall be deemed trustee of the interests of all Owners in connection with any insurance proceeds paid to the Association under such policies, and shall have full power to receive such Owner's interests in such proceeds and to deal therewith.

5.5.2.5.5 Insurance premiums for the above insurance coverage shall be deemed a common expense to be included in the Regular Assessments levied by the Association.

5.5.2.6 Rule Making. Make, establish, promulgate, amend, and repeal such Association Rules as the Board shall deem advisable.

5.5.2.7 Architectural Committee. Appoint and remove members of the Architectural Committee, subject to the provisions of this Declaration.

5.5.2.8 Enforcement of Restrictions and Rules. Perform such other acts, whether or not expressly authorized by this Declaration, as may be reasonably advisable or necessary to enforce any of the provisions of the Declaration, or of the Articles or the Bylaws, including, without limitation, the recordation of any claim of lien with the Bonner County Recorder, as more fully provided herein. It shall, however, be within the discretion of the Board whether to enforce or chose not to enforce any provision of this Declaration, as long as such a decision is made in good faith.

5.5.2.9 Private Streets, Signs, and Lights. Maintain, repair, or replace street signs, and private street lights located on the Property. This duty shall run with the land and cannot be waived by the Association unless the City of Sandpoint consents to such waiver.

5.6 Personal Liability. No Member of the Board, or member of any committee of the Association, or any officer of the Association, or the Grantor, or the manager, if any, shall be personally liable to any Owner, or to any other party, including the Association, for any damage, loss, or prejudice suffered or claimed on the account of any act, omission, error, or negligence of the Association, the Board, the manager, if any, or any other representative or employee of the Association, the Grantor, or the Architectural Committee, or any other committee, or any owner of the Association, or the Grantor, provided that such person, upon the basis of such information as may be possessed by such person, has acted in good faith without willful or intentional misconduct.

5.7 Budgets and Financial Statements. Financial statements for the Association shall be prepared regularly and copies shall be distributed to each Member of the Association as follows:

5.7.1 A pro forma operating statement or budget, for each fiscal year shall be distributed not less than sixty (60) days before the beginning of each fiscal year. The operating statement shall include a schedule of Assessments received and receivable, identified by the Building Lot number and the name of the person or entity assigned.

5.7.2 Within ninety (90) days after the close of each fiscal year, the Association shall cause to be prepared and available for delivery upon request to each Owner, a balance sheet as of the last day of the Association's fiscal year and annual operating statements reflecting the income and expenditures of the Association for the last fiscal year.

5.8 Meetings of Association. Each year the Association shall hold at least one (1) meeting of the Members, according to the schedule for such meetings established by the Bylaws.

ARTICLE 6 - RIGHTS TO COMMON AREAS

6.1 Use of Common Area. Every Owner shall have a right to use each parcel of the Common Area, if any, which right shall be appurtenant to and shall pass with the title to every Building Lot, subject to the following provisions:

6.1.1 The right of the Association holding or controlling such Common Area to levy and increase Assessments for the maintenance, repair, management and operation of improvements on the Common Area;

6.1.2 The right of the Association to suspend the voting rights and rights to use of, or interest in, the Common Area recreational facilities (but not including access to private streets, cul-de-sacs and walkways of the Property) by an Owner for any period during which any Assessment or charge against such Owner's Building Lot remains unpaid, and for a period not to exceed sixty (60) days for any infraction of the Association Rules; and,

6.1.3 The right of the Association to dedicate or transfer all or any part of the Common Area to any public agency, authority, or utility for such purposes and subject to such conditions as may be permitted by the Articles and the Bylaws and agreed to by the Members. No dedication or transfer of said Common Area shall be effective unless an instrument agreeing to such dedication or transfer signed by Members representing two-thirds (2/3) of each class of Members has been recorded.

6.1.4 The right of the Association to prohibit the construction of structures or Improvements on all Common Areas which interfere with the intended use of such areas as private street, cul-de-sacs and walkways.

6.1.5 The right of the Association to protect wildlife habitat.

6.2 Designation of Common Area. If it so chooses, Grantor shall designate and reserve the Common Area in the Declaration, Supplemental Declarations, and/or recorded Plats, deeds, or other instruments, and/or as otherwise provided herein.

6.3 Delegation of Right to Use. Any Owner may delegate, in accordance with the respective Bylaws and Association Rules of the Association, such Owner's right of enjoyment to the Common Area, to the members of such Owner's family in residence, and such Owner's tenants or contract purchasers who reside on such Owner's Building lot. Only Grantor or the Association shall have the right to delegate the right of enjoyment to the Common Area to the general public, and such delegation to the general public shall be for a fee set by Grantor or the Association.

6.4 Damages. Each Owner shall be fully liable for any damage to any Common Area which may be sustained by reason of the negligence or willful misconduct of the Owner, such Owner's resident tenant or contract purchaser, or such Owner's family and guests, both minor and adult. In the case of joint ownership of a Building Lot, the liability of such Owners shall be joint and several. The cost of correcting such damage shall be a Limited Assessment against the Building Lot and may be collected as provided herein for the collection of other Assessments.

ARTICLE 7 - ASSESSMENTS

7.1 Covenant to Pay Assessments. By acceptance of a deed to any portion of the Property, each Owner of such property hereby covenants and agrees to pay when due all Assessments or charges made by the Association, including all Regular, Special, and Limited Assessments and charges made against such Owner pursuant to the provisions of this Declaration or other applicable instrument.

7.1.1 Assessment Constitutes Lien. Such Assessments and Charges, together with interest, costs, and reasonable attorney's fees which may be incurred in collecting the same, shall be a charge on the land and shall be a continuing lien upon the property against which each such Assessment or charge is made.

7.1.2 Assessment is Personal Obligation. Each such Assessment, together with interest, costs and reasonable attorney's fees, shall also be the personal obligation of the Owner of such property beginning with the time when the Assessment falls due. The personal obligation for delinquent Assessments shall not pass to such Owner's successors in title unless expressly assumed by them but shall remain such Owner's personal obligation regardless of whether he remains an Owner.

7.2 Regular Assessments. All Owners, including the Grantor, are obligated to pay Regular Assessments to the treasurer of the Association on a schedule of payments established by the Board.

7.2.1 Purpose of Regular Assessments. The proceeds from Regular Assessments are to be used to pay for all costs and expenses incurred by an Association, including legal and attorneys' fees and other professional fees, for the conduct of its affairs, including without limitation costs of insurance, general operating costs, as well as the costs and expenses of construction, improvement, protection, maintenance, repair, management, and operation of the Common Areas, including all Improvements located on such areas owned and/or managed and maintained by such Association, and an amount allocated to an adequate reserve fund to be used for repairs, replacement, maintenance, and improvement of those elements of the Common Area, or other property of the Association that must be replaced and maintained on a regular basis (collectively "Expenses").

7.2.2 Computation of Regular Assessments. The Association shall compute the amount of its Expenses on an annual basis. The Board shall compute the amount of Regular Assessments owed beginning the first day of the third month following the month in which the closing of the first sale of a Building Lot occurred in Property for the purposes of the Association's Regular Assessment ("Initiation Date"). Thereafter, the computation of Regular Assessments shall

take place not less than thirty (30) nor more than sixty (60) days before the beginning of each fiscal year of an Association. The computation of the Regular Assessment for the period from the Initiation Date until the beginning of the next fiscal year shall be reduced by an amount which fairly reflects the fact that such period was less than one (1) year.

7.2.3 Amounts Paid by Owners. The Board can require, in its discretion or as provided in the Articles or Bylaws, payment of Regular Assessments in monthly, quarterly, semi-annual, or annual installments. The Regular Assessment to be paid by any particular Owner, except Grantor, for any given fiscal year shall be computed as follows:

7.2.3.1 As to the Association's Regular Assessment, each Owner shall be assessed and shall pay an amount computed by multiplying the Association's total advance estimate of Expenses by the fraction produced by dividing the Building Lots in the applicable Tract attributable to the Owner by the total number of Building Lots in such Tract.

7.2.3.2 Up until two (2) years following the date of the sale of a Building Lot in a particular Tract of the development, the Grantor shall be assessed the difference between the total revenue of the Association less the total expenses of the Association ("Shortfall") for that Tract of the development. The Grantor agrees to pay the cost of any Shortfall in order to properly maintain the Property during the development of each Tract. After two (2) years from the date of the first sale of a Building Lot in a particular Tract, the Grantor shall be assessed the Regular Assessment (defined in Section 7.2.3.1) for each Building Lot remaining in the respective Tract. This reduced assessment is in return for the Grantor paying the maintenance obligations for the Common Area prior to the acceptance of these obligations by the Association.

7.3 Special Assessments.

7.3.1 Purpose and Procedure. In the event that the Board of the Association shall determine that its respective Regular Assessment for a given calendar year is or will be inadequate to meet the Expenses of the Association for any reason, including but not limited to costs of construction, reconstruction, unexpected repairs or replacement of capital improvements upon the Common Area, attorney's fees and/or litigation costs, other professional fees, or for any other reason, the Board thereof shall determine the approximate amount necessary to defray such Expenses and levy a Special Assessment against the portions of the Property within its jurisdiction which shall be computed in the same manner as Regular Assessments. No Special Assessment shall be levied which exceeds twenty percent (20%) of the budgeted gross Expenses of the Association for that fiscal year, without the vote or written assent of the Owners representing a majority of the votes of the Members of the Association. The Board shall, in its discretion, determine the schedule under which such Special Assessment will be paid.

7.3.2 Consistent Basis of Assessment. Every Special Assessment levied by and for the Association shall be levied and paid upon the same basis as that prescribed for the levying and payment of Regular Assessments for the Association.

7.4 Limited Assessments. Notwithstanding the above provisions with respect to Regular and Special Assessments, a Board may levy a Limited Assessment against a Member as a remedy to reimburse the Association for costs incurred in bringing the Member and/or such

Member's Building Lot or restricted Common Area into compliance with the provisions of the governing instruments for the Property, or for otherwise providing any goods or services benefiting less than all Members or such Members' Building Lots.

7.5 Uniform Rate of Assessment. Unless otherwise specifically provided herein, Regular and Special Assessments shall be fixed at a uniform rate per Building Lot for all Members of the Association.

7.6 Assessment Period. Unless otherwise provided in the Articles or Bylaws, the Assessment period shall commence on January 1st of each year and terminate December 31st of the year in which the Initiation Date occurs. The first Assessment shall be pro-rated according to the number of months remaining in the fiscal year and shall be payable in equal monthly installments.

7.7 Notice and Assessment Due Date. Ten (10) days prior written notice of Regular and Special Assessments shall be sent to the Owner of every Building Lot subject thereto, and to any person in possession of such Building Lot. The due dates for installment payment of Regular Assessments and Special Assessments shall be the first day of each month unless some other due date is established by the Board. Each monthly installment of the Regular Assessment of Special Assessment shall become delinquent if not paid within ten (10) days after the levy thereof. There shall accrue with each delinquent installment payment a late charge equal to ten percent (10%) of the delinquent installment. In addition, each installment payment which is delinquent for more than twenty (20) days shall accrue interest at eighteen percent (18%) per annum calculated from the date of delinquency to and including the date full payment is received by an Association. An Association may bring an action against the delinquent Owner and may foreclose the lien against such Owner's Building Lot as more fully provided herein. Each Owner is personally liable for Assessments, together with all interest, costs and attorney's fees, and no Owner may exempt such Owner from such liability by a waiver of the use and enjoyment of the Common Areas, or by lease or abandonment of such Owners Building Lot.

7.8 Estoppel Certificate. The Association, upon at least twenty (20) days prior written request, shall execute, acknowledge and deliver to the party making such request, a statement in writing stating whether or not, to the knowledge of the Association, a particular Building Lot Owner is in default under the provisions of this Declaration, and further stating the dates to which any Assessments have been paid by the Owner. Any such certificate delivered pursuant to this paragraph 7.8 may be relied upon by any prospective purchaser or mortgagee of the Owner's Building Lot. Reliance on such Certificate may not extend to any default as to which the signor shall have had no actual knowledge.

7.9 Special Notice and Quorum Requirements. Notwithstanding anything to the contrary contained in either the Bylaws or the Articles, written notice of any meeting called for the purpose of levying a Special Assessment, or for the purpose of obtaining a membership vote in connection with an increase in the Regular Assessment, shall be sent to all Members of the Association and to any person in possession of a Building Lot in the applicable Tract, not less than fifteen (15) days nor more than thirty (30) days before such meeting. At the first such meeting called, the presence of Members or of proxies entitled to cast sixty percent (60%) of the total votes of the Association shall constitute a quorum. If such quorum is not present, subsequent meetings

may be called subject to the same notice requirement, and the required quorum at the subsequent meetings shall be fifty percent (50%) of the quorum required at the preceding meeting. No such subsequent meeting shall be held more than thirty (30) days following the preceding meeting.

ARTICLE 8 - ENFORCEMENT OF ASSESSMENT; LIENS

8.1 Right to Enforce. The Association has the right to collect and enforce its Assessments pursuant to the provisions hereof. Each Owner of Building Lot, upon becoming an Owner of such Building Lot, shall be deemed to covenant and agree to pay each and every Assessment provided for in this Declaration and agrees to the enforcement of all Assessments in the manner herein specified. In the event an attorney or attorneys are employed for the collection of any Assessment, whether by suit or otherwise, or to enforce compliance with or specific performance of the terms and conditions of this Declaration, each Owner agrees to pay reasonable attorney's fees in addition to any other relief or remedy obtained against such Owner. The Board or its authorized representative may enforce the obligations of the Owners to pay such Assessments by commencement and maintenance of a suit at law or in equity, or the Board may exercise the power of foreclosure and sale pursuant to paragraph 8.3 to enforce the liens created hereby. A suit to recover a money judgment for an unpaid Assessment shall be maintainable without foreclosing or waiving the lien hereinafter provided.

8.2 Assessment Liens.

8.2.1 Creation. There is hereby created a claim of lien with power of sale on each and every Building Lot to secure payment of any and all Assessments levied against such Building Lot pursuant to this Declaration together with interest thereon at the maximum rate permitted by law and all costs of collection which may be paid or incurred by the Association making the Assessment in connection therewith, including reasonable attorney's fees. All sums assessed in accordance with the provisions of this Declaration shall constitute a lien on such respective Building Lot upon recordation of a claim of lien with the Bonner County Recorder. Such lien shall be prior and superior to all other liens or claims created subsequent to the recordation of the notice of delinquency and claim of lien except for tax liens for real property taxes on any Building Lot and Assessments on any Building Lot in favor of any municipal or other governmental assessing body which, by law, would be superior thereto.

8.2.2 Claim of Lien. Upon default of any Owner in the payment of any Regular, Special or Limited Assessment issued hereunder, the Association may cause to be recorded in the office of the Bonner County Recorder a claim of lien. The claim of lien shall state the amount of such delinquent sums and other authorized charges (including the cost of recording such notice), a sufficient description of the Building Lot(s) against which the same have been assessed, and the name of the record Owner thereof. Each delinquency shall constitute a separate basis for a notice and claim of lien, but any number of defaults may be included within a single notice and claim of lien. Upon payment to the Association of such delinquent sums and charges in connection therewith or other satisfaction thereof, the Association shall cause to be recorded a further notice stating the satisfaction of relief of such delinquent sums and charges. The Association may demand and receive the cost of preparing and recording such release before recording the same.

8.3 Method of Foreclosure. Such lien may be foreclosed by appropriate action in court or by sale by the Association establishing the Assessment, its attorney or other person authorized to make the sale. Such sale shall be conducted in accordance with the provisions of the Idaho Code applicable to the exercise of powers of sale permitted by law. The Board is hereby authorized to appoint its attorney, any officer or director of the Association, or any title company authorized to do business in Idaho as trustee for the purpose of conducting such power of sale or foreclosure.

8.4 Required Notice. Notwithstanding anything contained in this Declaration to the contrary, no action may be brought to foreclose the lien created by recordation of the notice of delinquency and claim of lien, whether judicially, by power of sale or otherwise, until the expiration of thirty (30) days after a copy of such claim of lien has been deposited in the United States mail, certified or registered, postage prepaid, to the Owner of the Building Lot(s) described in such notice of delinquency and claim of lien, and to the person in possession of such Building Lot(s) and a copy thereof is recorded by the Association in the Office of the Bonner County Recorder.

8.5 Subordination to Certain Trust Deeds. The lien for the Assessments provided for herein in connection with a given Building Lot shall not be subordinate to the lien of any deed of trust or mortgage except the lien of a first deed of trust or first mortgage given and made in good faith and for value that is of record as an encumbrance against such Building Lot prior to the recordation of a claim of lien for the Assessments. Except as expressly provided in paragraph 8.6 with respect to a first mortgagee who acquires title to Building Lot, the sale or transfer of any Building Lot shall not affect the Assessment lien provided for herein, nor the creation thereof by the recordation of a claim of lien, on account of the Assessments becoming due whether before, on, or after the date of such sale or transfer, nor shall such sale or transfer diminish or defeat the personal obligation of any Owner for delinquent Assessments as provided for in this Declaration.

8.6 Rights of Mortgagees. Notwithstanding any other provision of this Declaration, no amendment of this Declaration shall operate to defeat the rights of the Beneficiary under any deed of trust upon a Building Lot made in good faith and for value, and recorded prior to the recordation of such amendment, provided that after the foreclosure of any such deed of trust such Building Lot shall remain subject to this Declaration as amended.

ARTICLE 9 - INSPECTION OF ASSOCIATION'S BOOKS AND RECORDS

9.1 Member's Right of Inspection. The membership register, books of account and minutes of meetings of the Board and committee of an Association shall be made available for inspection and copying by any Member of the Association or by such Member's duly appointed representatives, at any reasonable time and for a purpose reasonably related to such Member's interest as a Member at the office of the Association or at such other place as the Board of such Association shall prescribe. No Member or any other person, except Grantor, shall copy the membership register for the purposes of solicitation of or direct mailing to any Member of the Association.

9.2 Rules Regarding Inspection of Books and Records. The Board may establish reasonable rules with respect to:

9.2.1 Notice to be given to the custodians of the records by the persons desiring to make the inspection.

9.2.2 Hours and days of the week when such an inspection may be made.

9.2.3 Payment of the cost of reproducing copies of documents requested pursuant to this Article 9.

9.3 Director's Rights of Inspection. Every director shall have the absolute right at any reasonable time to inspect all books, records and documents of the Association, and the physical properties owned or controlled by the Association. The right of inspection by a director includes the right to make extracts and copies of documents.

ARTICLE 10 - ARCHITECTURAL COMMITTEE

10.1 Creation. Within thirty (30) days of the date on which the Grantor first conveys a Building Lot to an Owner, Grantor shall appoint three (3) individuals to serve on the Architectural Committee ("Architectural Committee"). Each member shall hold office until such time as such member has resigned or has been removed, or such member's successor has been appointed, as provided herein. A member of the Architectural Committee need not be an Owner. Members of the Architectural Committee may be removed by the person or entity appointing them at any time without cause.

10.2 Grantor's Right of Appointment. At any time, and from time to time, prior to the termination of the Class B Member, Grantor shall have the exclusive right to appoint and remove all members of the Architectural Committee. At all other times, the Association Board shall have the right to appoint and remove all members of the Architectural Committee. If a vacancy on the Architectural Committee occurs and a permanent replacement has not yet been appointed, Grantor or the Board, as the case may be, may appoint an acting member to serve for a specified temporary period not to exceed one (1) year.

10.3 Review of Proposed Construction. The Architectural Committee shall consider and act upon any and all proposals or plans and specifications submitted for its approval pursuant to this Declaration, and perform such other duties as from time to time shall be assigned to it by the Board, including the inspection of construction in progress to assure its conformance with plans approved by the Architectural Committee. The Board shall have the power to determine, by rule or other written designation consistent with this Declaration, which types of Improvements shall be submitted for Architectural Committee review and approval. The Architectural Committee shall have the power to hire an architect, licensed with the State of Idaho, to assist the Architectural Committee in its review of proposals or plans and specifications submitted to the Architectural Committee.

10.3.1 Conditions on Approval. The Architectural Committee may condition its approval of proposals or plans and specifications upon such changes therein as it deems appropriate, and/or upon the agreement of the Applicant to reimburse the Association for the cost of maintenance, and may require submission of additional plans and specifications or other information before approving or disapproving material submitted.

10.3.2 Architectural Committee Rules and Fees. The Architectural Committee also may establish rules and/or guidelines setting forth procedures for and the required content of the applications and plans submitted for approval. Such rules may require a fee to accompany each application for approvals or additional factors which it will take into consideration in reviewing submissions. The Architectural Committee shall determine the amount of such fee in a reasonable manner. Such fees shall be used to defray the costs and expenses of the Architectural Committee, including the cost and expense of hiring an architect licensed by the State of Idaho, as provided above, or for such other purposes as established by the Board, and such fee shall be refundable to the extent not expended for the purposes herein stated. If plans submitted are the same or substantially similar to plans previously approved by the Architectural Committee, fees may be reduced for such application approvals. Such rules and guidelines may establish, without limitation, specific rules and regulations regarding design and style elements, landscaping, and fences and other structures such as animal enclosures as well as special architectural guidelines applicable to Building Lots located adjacent to public and/or private open space.

10.3.3 Detailed Plans. The Architectural Committee may require such detail in plans and specifications submitted for its review as it deems proper, including, without limitation, floor plans, site plans, landscape plans, drainage plans, elevation drawings, and descriptions or samples of exterior material and colors. Until receipt of such details, the Architectural Committee may postpone review of any plan submitted for approval.

10.3.4 Architectural Committee Decisions. Decisions of the Architectural Committee and the reasons therefor shall be transmitted by the Architectural Committee to the Applicant at the address set forth in the application for approval within twenty (20) days after filing all materials required by the Architectural Committee. Any materials submitted pursuant to this Article 10 shall be deemed approved unless written disapproval by the Architectural Committee shall have been mailed to the Applicant within twenty (20) days after the date of filing said materials with the Architectural Committee. The Architectural Committee shall approve proposals or plans and specifications submitted for its approval only if it deems that the construction, alterations or additions contemplated thereby in the locations indicated will not be detrimental to the habitat of the Common Areas, or appearance of the surrounding area of the Property as a whole, that the appearance of any structure affected thereby will be in harmony with the surrounding structures, and that the upkeep and maintenance thereof will not become a burden on the Association.

10.4 Meetings of the Architectural Committee. The Architectural Committee shall meet from time to time as necessary to perform its duties hereunder. The Architectural Committee may from time to time by resolution unanimously adopted in writing, designate an Architectural Committee representative (who may, but need not be, one of its members) to take any action or perform any duties for and on behalf of the Architectural Committee, except the granting of variances pursuant to paragraph 10.9. In the absence of such designation, the vote of any two (2) members of the Architectural Committee, or the written consent of any two (2) members of the Architectural Committee taken without a meeting, shall constitute an act of the Architectural Committee.

10.5 No Waiver of Future Approvals. The approval of the Architectural Committee of any proposals or plans and specifications or drawings for any work done or proposed, or in connection with any other matter requiring the approval and consent of the Architectural

Committee, shall not be deemed to constitute a waiver of any right to withhold approval or consent as to any similar proposals, plans and specifications, drawings or matter whatever subsequently or additionally submitted for approval or consent.

10.6 Compensation of Members. The members of the Architectural Committee shall receive no compensation for services rendered, other than reimbursement for expenses incurred by them in the performance of their duties hereunder and except as otherwise agreed by the Board.

10.7 Inspection of Work. Inspection of work and correction of defects therein shall proceed as follows:

10.7.1 Upon the completion of any work for which approved plans are required under this Article 10, the Owner shall give written notice of completion to the Architectural Committee.

10.7.2 Within sixty (60) days thereafter, the Architectural Committee or its duly authorized representative may inspect such Improvement. If the Architectural Committee finds that such work was not done in substantial compliance with the approved plans, it shall notify the Owner in writing of such noncompliance within such sixty (60) day period, specifying the particular noncompliance, and shall require the Owner to remedy the same.

10.7.3 If upon the expiration of thirty (30) days from the date of such notification, or any longer time the Architectural Committee determines to be reasonable, the Owner shall have failed to remedy such noncompliance, the Architectural Committee shall notify the Board in writing of such failure. Upon notice and hearing, as provided in the Bylaws, the Board shall determine whether there is a noncompliance and, if so, the nature thereof and the estimated cost of correcting or removing the same. If a noncompliance exists, the Owner shall remedy or remove the same within a period of not more than forty-five (45) days from the date of the announcement of the Board ruling unless the Board specifies a longer time as reasonable. If the Owner does not comply with Board ruling within such period, the Board, at its option, may either remove the non-complying improvement or remedy the noncompliance, and the Owner shall reimburse the Association, upon demand, for all expenses incurred in connection therewith. If such expenses are not promptly repaid by the Owner to the Association, the Board shall levy a Limited Assessment against such Owner for reimbursement pursuant to this Declaration.

If for any reason the Architectural Committee fails to notify the Owner of any noncompliance with sixty (60) days after receipt of the written notice of completion from the Owner, the work shall be deemed to be in accordance with the approved plans.

10.8 Non-Liability of Architectural Committee Members. Neither the Architectural Committee nor any member thereof, nor its duly authorized Architectural Committee representative, shall be liable to the Association, or to any Owner or Grantor for any loss, damage, or injury arising out of or in any way connected with the performance of the Architectural Committee's duties hereunder, unless due to the willful misconduct or bad faith of the Architectural Committee. The Architectural Committee shall review and approve or disapprove all plans submitted to it for any proposed improvement, alteration or addition, solely on the basis of aesthetic considerations and the overall benefit or detriment which would result to the immediate vicinity

and to the Property generally. The Architectural Committee shall take into consideration the aesthetic aspects of the architectural designs, placement of building, landscaping, color schemes, exterior finishes and materials and similar features, but shall not be responsible for reviewing, nor shall its approval of any plan or design be deemed approval of any plan or design from the standpoint of structural safety or conformance with building or other codes.

10.9 Variances. The Architectural Committee may authorize variances from compliance with any of the architectural provisions of this Declaration, including restrictions upon height, size, floor area, or placement of structures, or similar restrictions, when circumstances such as topography, natural obstructions, hardship, aesthetic, or environmental considerations may require. However, no variances will be granted for construction of structures or Improvements, including without limitation manicured lawns, in the Common Areas. Such variances must be evidenced in writing, must be signed by at least two (2) members of the Architectural Committee, and shall become effective upon recordation in the office of the county Recorder of Bonner County. If such variances are granted, no violation of the covenants, conditions or restrictions contained in this Declaration shall be deemed to have occurred with respect to the matter for which the variance was granted. The granting of such a variance shall not operate to waive any of the terms and provisions of this Declaration for any purpose except as to the particular Building Lot and particular provision hereof covered by the variance, nor shall it affect any way the Owners obligation to comply with all governmental laws and regulations affecting such Owners use of the Building Lot, including but not limited to zoning ordinances or requirements imposed by any governmental or municipal authority.

10.10 Grantor's Exemption. Any and all Improvements constructed by Grantor on or to the Property are not subject to review and approval by the Architectural Committee.

ARTICLE 11 - ANNEXATION OF ADDITIONAL PROPERTIES

11.1 By Grantor. Grantor intends to develop the Property and may, in Grantor's sole discretion, deem it desirable to annex some or all of such properties to the Property covered by this Declaration. Additional property may be annexed to the Property and brought within the provisions of this Declaration as provided herein by Grantor, its successors or assigns, at any time, and from time to time, without the approval of any Owner or Association. The use and development of such Tracts shall conform to all applicable land use regulations, as such regulations are modified by variances.

11.2 By Association. Following the termination of the Class B Member, Tracts may be created, subject to the same conditions, by the Association upon the exercise by Members of at least two-thirds percent (2/3%) of the votes of the Association.

11.3 Rights and Obligations of Owners of Annexed Tracts. Subject to the provisions hereof, upon the recording of a Supplemental Declaration as to any Tract all provisions contained in the Declaration shall apply to the Tract in the same manner as if it were originally covered by this Declaration, subject to such modifications, changes and deletions as are specifically provided in such Supplemental Declaration, such Tract shall be treated for all purposes as a Tract as defined above. The Owners of lots located in the Tracts shall become members of the Association and shall become liable for their appropriate share of Assessments. Title to the Common Areas which are to

be owned and managed by the Association within said Tracts shall be conveyed to the Association, free and clear of any and all encumbrances and liens, subject to reservations, easements, covenants, conditions and restrictions then of record including those set forth in this Declaration or any Supplemental Declaration applicable to such Tracts.

11.4 Method of Annexation. The addition of a Tract to the Property authorized under Sections 12.1 and 12.2 shall be made by filing of record a Supplemental Declaration or other similar instrument with respect to the Tract, which shall be executed by Grantor or the Owner thereof and which shall annex such property to the Property. Thereupon each Tract shall be part of the Property, shall be subject to this Declaration and encompassed within the general plan and scheme hereof as modified by such Supplemental Declaration, and shall be subject to the functions, powers, and jurisdiction of the Association established for the area encompassing such Tract. Such Supplemental Declaration or other appropriate document may contain such additions, modifications or deletions as may be deemed by Grantor or the Owner thereof desirable to reflect the different character, if any, of the Tract, or as Grantor or such Owner may deem appropriate in the development of the Tract. If any Tract is created, the Association shall have the authority to levy Assessments against the Owners located within such Tract, and the Association shall have the duty to maintain additional Common Area located within the Tract if so specified in any Supplemental Declaration.

11.5 De-annexation. Grantor may delete all or a portion of the Property, including previously annexed Tracts, from the Property and from coverage of this Declaration and the jurisdiction of the Association so long as Grantor is the owner of all such Tracts and provided that a Supplemental Declaration of Deletion of Property is recorded in the Office of the Bonner County Recorder in the same manner as a Supplemental Declaration of annexation. Members other than Grantor as described above, shall not be entitled to de-annex all or any portion of a Tract except on the favorable vote of seventy-five percent (75%) of all members of the Association and written approval of Grantor so long as Grantor owns any portion of the Property.

ARTICLE 12 - EASEMENTS

12.1 Easements of Encroachment. There shall be reciprocal appurtenant easements of encroachment as between each Building Lot and such portion or portions of the Common Area adjacent thereto, if any, or as between adjacent Building Lots due to the unwilful placement or settling or shifting of the sidewalks and driveways constructed, reconstructed or altered thereon in accordance with the terms of this Declaration. Easements of encroachment shall be valid only so long as they exist, and the rights and obligations of Owners shall not be altered in any way because of encroachments, settling or shifting of the Improvements; provided, however, that in no event shall a valid easement for encroachment occur due to the willful act or acts of an Owner. In the event a structure on any Building Lot is partially or totally destroyed, and then repaired or rebuilt, the owners of each Building Lot agree that minor encroachments over adjoining Building Lots that existed prior to the encroachment may be reconstructed pursuant to the easement granted by this paragraph 12.1

12.2 Easements of Access. All Owners of Building Lots will have a perpetual easement for access, ingress and egress over the Common Area, including but not limited to the streets, cul-de-sacs and walkways. Such easements shall run with the land, and may be used by Grantor, and

by all Owners, their guests, tenants and invitees, residing on or temporarily visiting the Property, for pedestrian walkways, vehicular access and such other purposes reasonably necessary for the use and enjoyment of a Building Lot of Common Area, subject to the restrictions set forth in this Declaration.

12.3 Drainage and Utility Easements. Grantor expressly reserves for the benefit of all the Property reciprocal easements of access, ingress and egress for all Owners to and from their respective Building Lots for installation and repair of utility services, for drainage of water over, across and upon adjacent Building Lots, and Common Areas, resulting from the normal use of adjoining Building Lots or Common Areas, and for necessary maintenance and repair for any improvement including fencing, retaining walls, lighting facilities, mailboxes and sidewalk abutments, trees, and landscaping. Notwithstanding anything expressly or impliedly contained herein to the contrary, this Declaration shall be subject to all easements heretofore or hereafter granted by Grantor for the installation and maintenance of utilities and drainage facilities that are required for the development of the Property. In addition, Grantor hereby reserves for the benefit of the Association the right to grant additional easements and rights-of-way over the Property and/or a Tract, as appropriate, to the Property until close of escrow for the sale of the last Building Lot in the property to a purchaser.

12.3.1 Improvement of Drainage and Utility Easement Areas. The owners of Building Lots are hereby restricted and enjoined from constructing any Improvements upon any drainage or utility easement areas as shown on the Plat or otherwise designated in any recorded document which would interfere with or prevent the easement from being used for such purpose; provided, however, that the Owner of such Building Lot and the Grantor, Association or designated entity with regard to the Landscaping Easement described in this Article 12, shall be entitled to install and maintain landscaping on such easement areas, and also shall be entitled to build and maintain fencing on such easement areas subject to approval by the Association and/or the Architectural Committee, so long as the same would not interfere with or prevent the easement areas from being used for their intended purposes; provided, that any damage sustained to improvements on the easement areas as a result of legitimate use of the easement areas shall be the sole and exclusive obligation of the Owner of the Building Lot whose Improvements were so damaged.

12.4 Rights and Duties Concerning Utility Easements. The rights and duties of the Owners of the Building Lots within the Property with respect to utilities shall be governed by the following:

12.4.1 Wherever utility house connections are installed within the Property, which connections or any portions thereof lie in or upon Building Lots owned by an Owner other than the Owner of the Building Lot served by the connections, the Owner of the Building Lot served by the connections shall have the right, and is hereby granted an easement to the full extent necessary therefor, to enter upon any Building Lot or to have their agent enter upon any Building Lot within the Property in or upon which said connections or any portion thereof lie, to repair, replace and generally maintain the connections as and when it may be necessary.

12.5 Driveway Easements. Whenever a driveway is installed within the Property which in whole or in part lies upon a Building Lot owned by an Owner other than the Owner of the Building Lot served by such driveway, or whenever a driveway is installed to serve more than one Building Lot, the Owner of each Building Lot served or to be served by such driveway shall be entitled to full use and enjoyment of such other Building Lot as required to service such Owner's Building Lot or to repair, replace, or maintain such driveway.

Any relocation of the water lines installed as a part of such system shall not be undertaken in any way which interrupts the flow of water through the system or damages the system in any other fashion. Grantor reserves the right to make any reconfiguration of any Waterway which it determines, in its own discretion, to be necessary, expedient or desirable, provided, however, that nothing herein shall reserve unto Grantor the right to take any action which would disturb, encroach upon, or endanger the foundation of any building, nor shall Grantor take

any action which would materially alter any Waterway's proximity to improved property abutting such Waterways.

12.10 Sewer Covenants and Restrictions. All Building Lots within the Property shall be subject to and restricted by the following covenants and restrictions:

12.10.1 A monthly sewer charge must be paid after connecting to the City of Sandpoint public sewer system, according to the ordinances and laws of the City of Sandpoint.

12.10.2 The Owner of the Building Lot shall submit to inspection by either the Department of Public Works or the Department of Building whenever a Building Lot is to be connected to the City's sewage system.
