Jason, Can you please share with the Town Council for this week's meeting?

Thank you,

Lance

City of Sandpoint Town Council,

With respect, I a requesting that the Town Council favorably consider the request to allow for corporate passes at the James E Russell Sports Center. Our small team (our employees) consists of seven individuals. Most are avid pickleball players. As a company, we often conduct team building activities, including playing pickleball. Only one employee has an annual membership at the IER. The others, while excited to play occasionally, do not play enough to warrant an annual membership. As such, we believe a corporate pass for up to four employees to play from time to time is a great perk for our company to provide. We also believe it adds to the utilization of the IER, especially in the evenings, when there is less demand.

Again, we are requesting your favorable consideration to allow for corporate passes at the IER.

With regards,

Lance Badger
