SUMMARY

INTRODUCTION

Per Snoqualmie Municipal Code ("SMC") 8.30.030(C) the Fire Chief shall submit an application to Council for approval to allow the retail sales of fireworks to be sold within City limits. Impact Ministries has applied for a fireworks stand permit to sell fireworks from June 28, 2024 to July 4, 2024 in the parking lot at 34828 SE Douglas Street (Safeway).

LEGISLATIVE HISTORY

In 2023, AB23-082 was approved to allow TNT (Impact Ministries) to sell fireworks at 34828 SE Douglas Street.

BACKGROUND

Impact Ministries has been selling fireworks in the parking lot located at 34828 SE Douglas Street (Safeway) for several years. They are requesting sales from June 28, 2024, to July 4, 2024. They have complied with all requirements and inspection schedules in past years and have been receptive to City feedback when changes were needed. Fireworks stands within Snoqualmie can only sell Snoqualmie-compliant fireworks, which Impact Ministries has been compliant with in previous years.

ANALYSIS

Impact Ministries has complied with all requirements set forth in SMC 8.30 and the Washington Office of the State Fire Marshal as found in the supporting documents. They possess a valid Consumer Fireworks Retail Sales Stand License (WSPFL-01656) issued by the Office of the State Fire Marshall. The Fire Chief has reviewed the application and found it to be complete and in compliance with all requirements of the State statute and regulations of SMC 8.30.

BUDGET IMPACTS

This agenda bill has no budget impacts. The Fire Department is in receipt of \$25.00 for a fireworks sales permit application, and a \$300.00 bond deposit as required.

NEXT STEPS

Placed on consent agenda for June 10th Council Meeting.

PROPOSED ACTION

Motion to approve the fireworks permit for Impact Ministries at 34828 SE Douglas Street (Safeway) for the 2024 season.
