

GOAL LU 1: Snoqualmie's urban growth area is sufficiently sized and configured to accommodate projected growth, and maintains long term compatibility between a range of land uses.

GOAL LU 2: A generally compact development pattern of physically connected, distinct, complete neighborhoods that provide for a balanced mix of land uses essential to the daily life of Snoqualmie citizens, employees and surrounding rural area residents.

GOAL LU 3: Development and conservation within the 100-year floodplain is managed to protect existing and new development from flood hazards and to promote enjoyment of the natural and scenic character of the Snoqualmie River shoreline.

GOAL LU 4: High quality residential areas that provide dwelling units of various type, density, and costs to meet the needs and interests of a diverse population.

GOAL LU 5: A local economy that meets our citizens' everyday commercial needs, supports a vibrant tourism industry, provides living-wage jobs, enhances community distinctiveness, and maintains a sufficient and sustainable tax base for the City.

GOAL LU 6: Needed institutional and utility land uses are accommodated within the community with minimal land use conflicts.

GOAL LU 7: Annexations support phasing of growth to meet 20-year targets and further the goals, objectives and policies of the City's Comprehensive Plan

GOAL LU 8: Sub-area planning prior to annexation effectively manages growth and development within the urban growth area, and assures consistency with comprehensive plan goals, objectives and policies.
