Land Use - 1	Maintain Snoqualmie's unique character and attractiveness with new development that complements the existing built and natural environment and allows a rich tourist and commercial center to thrive.
Land Use - 2	Feature and preserve the story of Snoqualmie's history and identity using buildings, districts, and landscape (with sustainable development) that fosters civic pride.
Land Use - 3	Pursue annexations that implement the future land use map designations.
Land Use - 4	Encourage a compact development pattern of physically connected, distinct, complete neighborhoods that provide a balanced mix of land uses essential to the daily life of Snoqualmie residents, employees, and surrounding rural area residents.
Land Use - 5	Manage development and conservation within the 100-year floodplain to protect existing and new development from flood hazards and to promote enjoyment of the natural and scenic character of the Snoqualmie River shoreline.
Land Use - 6	Plan for and encourage high-quality residential areas that provide dwelling units of various type, density, and costs to meet the needs and interests of every economic segment of the community, including low-, very low-, and extremely low-income households.
Land Use - 7	Develop a local economy that meets residents' everyday needs, supports a vibrant tourism industry, provides living-wage jobs, enhances community distinctiveness, and maintains a sufficient and sustainable tax base for the City.
Land Use - 8	Provide needed institutional and utility land uses within the community with minimal land use conflicts.
