

CITY OF SNOQUALMIE
FIRE DEPARTMENT

QUARTERLY REPORT

PERFORMANCE FROM
JAN - MAR 2025

ABOUT

THE SNOQUALMIE FIRE DEPARTMENT IS A DEDICATED GROUP OF COMMUNITY SERVANTS COMMITTED TO CONTINUOUS IMPROVEMENT AND EXCELLENCE.

The Snoqualmie Fire Department serves the residents and visitors to the City of Snoqualmie and surrounding area. The fire department responded to 1,715 incidents in 2024 from its centrally located fire station. The department is staffed with sixteen career firefighter/EMTs and twelve volunteer EMS responders.

The Department is one of eight accredited fire departments in the State of Washington, and the only volunteer / career fire department. Across the United States there are 326 accredited agencies that cover 14% of the US population. Only 1% of the Nation's fire departments are accredited. The Snoqualmie Fire Department received its second accreditation in 2024, valid for five years till 2029.

GOALS AND OBJECTIVES

JAN - MAR 2025

This section tracks the progress on the department's goals and objectives, and is derived from the department's strategic plan and accreditation recommendations. These goals and objectives are part of a living document, but designed to be accomplished in a strategic and efficient manner.

STRATEGIC PLAN GOALS AND OBJECTIVES

	Strategic Plan Goal 1	Status
	1.1 Evaluate all positions to determine need for realignment or reorganization.	
	1.2 Incentivizing the acting officer program to encourage participation.	
	1.3 Develop and adopt a professional development plan for all staff, to include succession planning.	
	1.4 With city admin/HR, conduct comprehensive compensation study for all positions to include wages, benefits, and working conditions.	
	1.5 Develop a process for recognition of major milestones of staff (end of probation, promotions, educational achievements, banquet).	

GOALS AND OBJECTIVES

CONTINUED

CONTINUED

	Strategic Plan Goal 2	Status
	2.1 Analyze current wildland program to determine it meets the needs of the city and region.	
	2.2 Use analysis to determine future needs and budget requirements of wildland program.	
	2.3 Build out city and regional response plans based on new equipment obtained to mitigate wildland risk in the community.	
	2.4 Provide appropriate training and knowledge on new wildland resources and programs.	
	2.5 Establish a wildland/urban interface public education program.	
	2.6 Evaluate if the expansion of the wildland program, resources, and public education met the original needs identified.	

GOALS AND OBJECTIVES

CONTINUED

CONTINUED

	Strategic Plan Goal 3	Status
	3.1 Implement a system to determine and define the resource needs of the department.	
	3.2 Form committees to research, develop ideas, and design targeted acquisitions.	
	3.3 Provide appropriate training and knowledge on new resources.	
	3.4 Evaluate the physical resource process and if resources met original needs identified through needs assessment.	

GOALS AND OBJECTIVES

CONTINUED

CONTINUED

	Strategic Plan Goal 4	Status
	4.1 Enhance communication with the community to improve public education and interactions.	
	4.2 Educate the city council on fire department operations and create buy-in to critical future needs and goals.	
	4.3 Strengthen connections with City of Snoqualmie departments through ongoing communications and joint operations.	
	4.4 Work with partner fire departments to leverage economies of scale, reducing duplication of effort and improving interagency cooperation.

PERFORMANCE MEASURES

JAN - MAR 2025

The fire department tracks multiple performance measures to evaluate the agency's response to calls for service in our jurisdiction. These measures are compiled quarterly, and are compared to the previous year's data to look for trends and areas of improvement. Two of the performance measures that are evaluated are turnout times and travel times.

Turnout time is the time from when the call is received by the station to when the unit goes en-route. This time is influenced by factors such as location of personnel within the station, time of day, and whether the crew needs to don protective gear before responding.

Travel time is the amount of time it takes the unit to arrive on scene after leaving the station. This time is influenced by factors such as distance from the station, traffic patterns and weather conditions.

FIRE INSPECTIONS

JAN - MAR 2025

Beginning in 2017 the fire department began performing the majority of the fire and life safety inspections for businesses in the city. The building department has the overall responsibility and handles the more complex inspections, but the two departments work together to complete inspections as well as provide advice and resources for discrepancies found. Occupancies are inspected on a rotating 3-year basis, based upon risk and occupancy type. High risk occupancies get inspected annually, moderate risk occupancies on a biennial cycle, and low-risk every three years. The most common violations found are extension cords being used improperly, faulty emergency lighting, and extinguishers missing or improperly maintained. Inspections are assigned to the crews quarterly, with each shift being responsible for the initial and re-inspections.

INSPECTIONS COMPLETED				
1st Qtr	2nd Qtr	3rd qtr	4th qtr	Year to Date
45				45

Most Common Violations (Compiled annually)

Violation Definitions

Egress - Egress blocked or not marked

Fire Extinguishers - out of date, not enough, not right type

Alarms - alarm system not inspected annually

Sprinklers - sprinkler system not inspected annually

Storage - improper storage, too close to ceiling or panel

Electrical - extension cords used for permanent wiring

HazMat - Improper storage

Other- Violation not normally seen

PROPERTY LOST / SAVED

JAN - MAR 2025

For reporting purposes, fire loss is broken into two categories: property and contents. Property describes physical properties such as cars, house, etc. Contents describe items that are not part of the structure but perish in the incident. Both categories are combined together to determine total property loss, and more importantly, total property saved.

2025 1st Quarter Fire Loss

Incident Date	Fire Type	Property Value	Property Loss	Content value	Content Loss
1/24/25	Room and contents	\$908,000	0	\$45,000	\$200
Totals	n/a	\$908,000	0	\$45,000	\$200

2025 Annual Property Saved

Property Risked	Property Saved	Percentage Saved
\$953,000	\$952,800	99.9%
