**16. SURVIVAL**

The terms, conditions, and warranties contained in this Contract that by their sense and context are intended to survive the completion of the performance, cancellation or termination of this Contract shall so survive.

**17. TERMINATION FOR CAUSE**

In the event COMMERCE determines the Contractor has failed to comply with the conditions of this contract in a timely manner, COMMERCE has the right to suspend or terminate this contract. COMMERCE reserves the right to suspend all or part of the contract, withhold further payments, or prohibit the Contractor from incurring additional obligations of funds during investigation of the alleged compliance breach and pending corrective action by the Contractor or a decision by COMMERCE to terminate the contract. A termination shall be deemed a "Termination for Convenience" if it is determined that the Contractor: (1) was not in default; or (2) failure to perform was outside of his or her control, fault or negligence.

The rights and remedies of COMMERCE provided in this contract are not exclusive and are in addition to any other rights and remedies provided by law.

**18. TERMINATION FOR CONVENIENCE**

Except as otherwise provided in this Contract, COMMERCE may, by ten (10) business days written notice, beginning on the second day after the mailing, terminate this Contract, in whole or in part. **19. TERMINATION PROCEDURES**

Upon termination of this contract, COMMERCE, in addition to any other rights provided in this contract, may require the Contractor to deliver to COMMERCE any property specifically produced or acquired for the performance of such part of this contract as has been terminated. The provisions of the "Treatment of Assets" clause shall apply in such property transfer.

COMMERCE shall pay to the Contractor the agreed upon price, if separately stated, for completed work and services accepted by COMMERCE, and the amount agreed upon by the Contractor and COMMERCE for (i) completed work and services for which no separate price is stated, (ii) partially completed work and services, (iii) other property or services that are accepted by COMMERCE, and (iv) the protection and preservation of property, unless the termination is for default, in which case the Authorized Representative shall determine the extent of the liability of COMMERCE. Failure to agree with such determination shall be a dispute within the meaning of the "Disputes" clause of this contract. COMMERCE may withhold from any amounts due the Contractor such sum as the Authorized Representative determines to be necessary to protect COMMERCE against potential loss or liability.

### Scope of Work

SOURCE: Section 189 of [Engrossed Substitute Senate Bill 5693](#), of the supplemental operating budget for fiscal year 2023 is provided solely for Commerce to administer grants to eligible cities for actions relating to adopting ordinances that would authorize middle housing types on at least 30 percent of lots currently zoned as single family residential. For the purposes of this grant program, "middle housing types" include duplexes, triplexes, fourplexes, fiveplexes, sixplexes, townhouses, courtyard apartments, cottage housing, and stacked flats.

- (a) A city is eligible to receive a grant if:
  - i. The city is required to plan under RCW 36.70A.040; and
  - ii. The city is required to take action on or before June 30, 2024, to review and, if needed, revise its comprehensive plan and development regulations pursuant to RCW 36.70A.130(5)(a).
- (b) Grant recipients must use grant funding for costs to conduct at least three of the following activities:
  - i. Analyzing comprehensive plan policies and municipal code to determine the extent of amendments required to meet the goal of authorizing middle housing types on at least 30 percent of lots currently zoned as single family residential;
  - ii. Preparing informational material for the public;
  - iii. Conducting outreach, including with the assistance of community-based organizations, to inform and solicit feedback from a representative group of renters and owner-occupied households in residential neighborhoods, and from for-profit and nonprofit residential developers;
  - iv. Drafting proposed amendments to zoning ordinances for consideration by the city planning commission and city council;
  - v. Holding city planning commission public hearings;
  - vi. Publicizing and presenting the city planning commission's recommendations to the city council; and
  - vii. Holding city council public hearings on the planning commission's recommendations.
- (c) Before updating their zoning ordinances, a city must use a racial equity analysis and establish antidisplacement policies as required under RCW 36.70A.070(2)(e) through (h) to ensure there will be no net displacement of very low, low, or moderate-income households, as defined in RCW 43.63A.510, or individuals from racial, ethnic, and religious communities which have been subject to discriminatory housing policies in the past.
- (d) Commerce will prioritize applicants who:
  - i. Aim to authorize middle housing types in the greatest proportion of zones; and
  - ii. Subcontract with multiple community-based organizations that represent different vulnerable populations in overburdened communities, as defined in RCW 70A.02.010, that have traditionally been disparately impacted by planning and zoning policies and practices, to engage in eligible activities as described in (b) of this subsection.

Commerce will be monitoring the contracts biannually to review progress in meeting milestones, deliverables and invoicing.
