SECTION IV – COMMERCIAL GENERAL LIABILITY CONDITIONS – Paragraph 6. – Representations is replaced by the following:

6. Representations

By accepting this policy, you agree:

- a. The statements in the Declarations are accurate and complete;
- b. Those statements are based upon representations you made to us; and
- c. We have issued this policy in reliance upon your representations.

The unintentional omission of, or unintentional error in, any information you provided to us which we relied upon in issuing this policy will not prejudice your rights under this insurance. However, this provision does not affect our right to collect additional premium or to exercise our rights of cancellation or nonrenewal in accordance with applicable laws and regulations.

9. NOTICE OF OCCURRENCE

The following is added to Paragraph 2. of **Section IV - Commercial General Liability Conditions - Duties In The Event of Occurrence, Offense, Claim or Suit:**

Your rights under this Coverage Part will not be prejudiced if you fail to give us notice of an "occurrence", offense, claim or "suit" and that failure is solely due to your reasonable belief that the "bodily injury" or "property damage" is not covered under this Coverage Part. However, you shall give written notice of this "occurrence", offense, claim or "suit" to us as soon as you are aware that this insurance may apply to such "occurrence", offense, claim or "suit."

10. BROAD KNOWLEDGE OF OCCURRENCE

The following is added to Paragraph 2. of **Section IV - Commercial General Liability Conditions - Duties in The Event of Occurrence, Offense, Claim or Suit:**

You must give us or our authorized representative notice of an "occurrence", offense, claim, or "suit" only when the "occurrence", offense, claim or "suit" is known to:

However, the “property damage” must be the result of unintentional damage or destruction but does not include disappearance, theft, or loss of use.

BLANKET ADDITIONAL INSURED – AUTOMATIC STATUS IF REQUIRED BY WRITTEN CONTRACT (CONTRACTORS)

THIS ENDORSEMENT CHANGES THE POLICY. PLEASE READ IT CAREFULLY.

This endorsement modifies insurance provided under the following:

COMMERCIAL GENERAL LIABILITY COVERAGE PART

Additional Premium: Included

1. The following is added to SECTION II – WHO IS AN INSURED:

Any person or organization that:

- a. You agree in a “written contract requiring insurance” to include as an additional insured on this Coverage Part; and
- b. Has not been added to this policy as an additional insured for the same project by the attachment of an endorsement under this Coverage Part which includes such person or organization in the endorsement’s schedule;

is an insured, but:

- c. Only with respect to liability for “bodily injury”, “property damage” or “personal and advertising injury”; and
- d. Only as described in Paragraph (1), (2) or (3) below, whichever applies:

- (1) If the “written contract requiring insurance” specifically requires you to provide additional insured coverage to that person for injury or damage that arises out of “your work”, that person or organization is an additional insured only if the injury or damage arises out of “your work” to which the “written contract requiring insurance” applies;

- (2) If the “written contract requiring insurance” specifically requires you to provide additional insured coverage to that person for injury or damage that is caused, in whole or in part, by the acts or omissions of you or your subcontractor, that person or organization is an additional insured only if the injury or damage is caused, in whole or in part, by the acts or omissions of you or your subcontractor in the performance of “your work” to which the “written contract requiring insurance” applies” or

- (3) If neither Paragraph (1) nor (2) above applies that person or organization is only an additional insured if, and only to the extent that, the injury or damage is caused by negligent acts or omissions of you or your subcontractor in the performance of “your work” to which the “written contract requiring insurance” applies. The person or organization does not qualify as an additional insured with respect to injury or damage caused in whole or in part by independent negligent acts or omissions of such person or organization.

2. If the "written contract requiring insurance" contains a specific requirement that you procure completed operations coverage or coverage within the "products-completed operations hazard" for the additional insured, then the insurance provided to the additional insured covers "bodily injury" or "property damage" that occurs within the "products-completed operations hazard" at the level specified in Paragraph 1.d.(1), 1.d.(2), or 1.d.(3), whichever applies. However, even if completed operations coverage or coverage within the "products-completed operations hazard" is required by the "written contract requiring insurance", such coverage is available to the additional insured only if the "bodily injury" or "property damage" occurs prior to the end of the time period during which you are required by the "written contract requiring insurance" to provide such coverage or the expiration date of the policy, whichever comes first.
3. The insurance provided to the additional insured by this endorsement is limited as follows:
 - a. If the Limits of Insurance of this Coverage Part shown in the Declarations exceed the minimum limits of liability required by the "written contract requiring insurance", the insurance provided to the additional insured will be limited to such minimum required limits of liability. For the purposes of determining whether this limitation applies, the minimum limits of liability required by the "written contract requiring insurance" will be considered to include the minimum limits of liability of any Umbrella or Excess liability coverage required for the additional insured by that "written contract requiring insurance". This endorsement will not increase the limits of insurance described in Section III – Limits Of Insurance.
 - b. The insurance provided to the additional insured does not apply to "bodily injury", "property damage", or "personal and advertising injury" arising out of an architect's, engineer's, or surveyor's rendering of or failure to render any professional services including:
 - (1) The preparing, approving, or failing to prepare or approve, maps, shop drawings, opinions, reports, surveys, field orders or change orders, or the preparing, approving, or failing to prepare or approve, drawings and specifications; and
 - (2) Supervisory, inspection, architectural or engineering activities.
4. The insurance provided to the additional insured by this endorsement is excess over any valid and collectible other insurance, whether primary, excess, contingent or on any other basis, that is available to the additional insured. However, if the "written contract requiring insurance" specifically requires that this insurance apply on a primary basis or a primary and non-contributory basis, this insurance is primary to other insurance available to the additional insured under which that person or organization qualifies as a named insured, and we will not share with that other insurance. But the insurance provided to the additional insured by this endorsement still is excess over any valid and collectible other insurance, whether primary, excess, contingent or on any other basis, that is available to the additional insured when that person or organization is an additional insured, or is any other insured that does not qualify as a named insured, under such other insurance.
5. As a condition of coverage provided to the additional insured by this endorsement:
 - a. The additional insured must give us written notice as soon as practicable of an "occurrence" or an offense which may result in a claim. To the extent possible, such notice should include:
 - (1) How, when and where the "occurrence" or offense took place;
 - (2) The names and addresses of any injured persons and witnesses; and
 - (3) The nature and location of any injury or damage arising out of the "occurrence" or offense.

- b. If a claim is made or "suit" is brought against the additional insured, the additional insured must:

- (1) Immediately record the specifics of the claim or "suit" and the date received; and
- (2) Notify us as soon as practicable.

The additional insured must see to it that we receive written notice of the claim or "suit" as soon as practicable.

- c. The additional insured must immediately send us copies of all legal papers received in connection with the claim or "suit", cooperate with us in the investigation or settlement of the claim or defense against the "suit", and otherwise comply with all policy conditions.
- d. The additional insured must tender the defense and indemnity of any claim or "suit" to any provider of other insurance which would cover the additional insured for a loss we cover under this endorsement. However, this condition does not affect whether the insurance provided to the additional insured by this endorsement is primary to other insurance available to the additional insured which covers that person or organization as a named insured as described in Paragraph 3. above.

6. The following is added to the **DEFINITIONS** Section:

"Written contract requiring insurance" means that part of any written contract or agreement for construction services under which you are required to include a person or organization as an additional insured on this Coverage Part, provided that the "bodily injury" and "property damage" occurs, and the "personal and advertising injury" is caused by an offense committed, during the policy period and:

- a. After the signing and execution of the contract or agreement by you; and
- b. While that part of the contract or agreement is in effect.

This endorsement changes the policy to which it is attached and, unless otherwise stated, is effective on the date issued at 12:01 A.M. standard time at your mailing address shown in the policy. **The information below is required only when this endorsement is issued subsequent to commencement of the policy.**
