SUMMARY

INTRODUCTION

The intent of this agenda bill is to establish the 2024 salary schedule and longevity pay system for non-represented Management and Professional (M&P) employees. This salary schedule would establish employees at the 60th percentile of comparable cities, originating from the January 2023 Classification and Compensation Study (AB23-017), and provide a 6% cost-of-living adjustment (COLA) equal to recently approved Teamsters Collective Bargaining Agreement (CBA) (AB23-143). Furthermore, this agenda bill would establish an increase in pay for those providing enduring service to the City of Snoqualmie, replacing the "Pay for Performance System" as proposed for repeal in AB24-017, increase the step scale from three to nine, and replace automatic step increases on anniversary dates with step increases based on a satisfactory performance evaluation. The 2024 salary schedule and longevity pay system would be retroactive to January 1, 2024.

LEGISLATIVE HISTORY

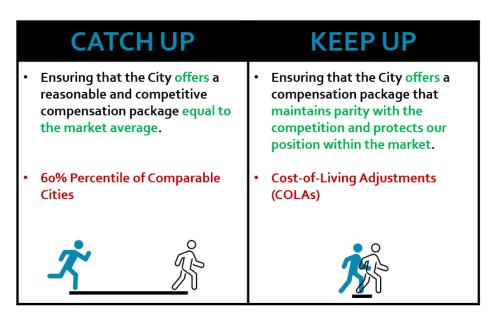

The City Council first approved a salary schedule for non-represented M&P employees in January 2006 and has subsequently approved the schedule on an annual basis following the consideration of a COLA. Last year, the City completed a Classification and Compensation Study (AB23-017) that evaluated the competitiveness regionally of the salaries and benefits offered by the City of Snoqualmie for each Teamsters and M&P grade and position. Following release of the study, and after considerable negotiation and effort, Council approved a CBA with the Teamsters employee group that placed employees at the 60th percentile of comparable cities and included a 6% COLA on December 11, 2023 (AB23-143).

ANALYSIS

The Administration is proposing the placement of M&P employees at the 60th percentile of comparable cities and a 6% COLA adjustment. The proposed 2024 placement and COLA is based on maintaining internal equity with the Teamsters employee group as well as several principles including:

- Encouraging the attraction and retention of high caliber employees.
- Providing a fair, equitable and competitive total compensation package.
- Rewarding individuals as well as organizational success.
- Ensuring that the compensation provided is easy to explain, understand, and administer.
- Balancing the City's need to be competitive with the limits of available financial resources.

In addition, the Administration is proposing a salary schedule that helps the City to "catch up" with the competition presently as well as helps the City to "keep up" with the competition into the future.

Lastly, the Administration is proposing a salary schedule that acknowledges the long economic shadow of the pandemic and its resulting inflationary pressures, that have impacted everyone, including M&P employees.

| Year | COLA Approved | CPI-W (June to June) |
|-----------------|---------------|----------------------|
| 2019 | 3.0% | 3.65% |
| 2020 | 3.0% | 1.68% |
| 2021 | 2.5% | 1.01% |
| 2022 | 3.0% | 6.29% |
| 2023 | 3.5% | 9.54% |
| 2024 (Proposed) | 6.0% | 4.51% |

BUDGET IMPACTS

The City budgeted for M&P positions within the General Fund (#001), the North Bend Police Fund (#014), the American Rescue Plan Act (ARPA) Fund (#150), the Non-Utility Capital Fund (#310), Water Utility (#401), Sewer Utility (#402), Stormwater Utility (#403), Utility Capital (#417), Equipment Repair & Replacement (ER&R) (#501), Information Technology (#502), and Facilities (#510).

If all M&P positions were filled for the duration of 2024, implementing the proposed salary schedule and the accompanying repeal of the pay-for-performance system would result in an estimated \$8,425 increase in personnel costs across all funds. The funds and classifications expected to experience cost increases include Administrative (#001), Police (#001), Community Development (CD) (#001), and Information Technology (IT) (#502), as shown in the table below. However, because of savings realized due to current vacancies in each of these funds/classifications, no additional appropriation is expected to be required.
