## SUMMARY

### INTRODUCTION

Updates to the Snoqualmie Municipal Code (SMC) are needed to clarify, add, or delete sections for each of the advisory bodies which will now be made consistent through the Commission Handbook, except where otherwise required by state law. In addition, this proposal includes the repeal of two chapters in the SMC which are obsolete: the Library Advisory Board and the Economic Development Corporation.

**BACKGROUND**

Each commission has its own chapter in the Snoqualmie Municipal Code (SMC). The sections of each chapter are not consistent across the commissions and some, such as the Lodging Tax Advisory Committee, haven't been updated since their creation in 2004. It is necessary to review and update each code to align with current practices and statutory requirements. Two chapters, Library Advisory Board and Economic Development Corporation, are no longer in existence and should be repealed.

**ANALYSIS**

The codes for each commission vary which makes it hard to maintain and keep track. One Handbook which covers issues each commission has in common will be the guiding document. Codes will be updated to cover sections specific to that commission and other sections will be removed and addressed in the Handbook.

The Civil Service Rules and Regulations were updated in November 2022. The proposed amendments to Chapter 2.16 are to align with RCW 41.12.030. The Civil Service Commission will be reviewing their rules to ensure they are consistent with state law.

The Salary Commission, Chapter 2.36 requires no changes.

**BUDGET IMPACTS**

None.

**NEXT STEPS**

This item was heard at the Finance & Administration Committee meeting on April 2, 2024 and at the April 8, 2024, City Council meeting for first reading of the ordinance and discussion.

**PROPOSED ACTION**

Move to adopt Ordinance 1287 – Amending Snoqualmie Municipal Code Chapters 2.06, 2.08, 2.11, 2.12, 2.16, and 2.22, and repealing Chapters 2.10 and 2.56.
