## SUMMARY

### INTRODUCTION

RCW 29A.32.280 requires the legislative authority of the local government to formally appoint members to committees to prepare arguments advocating approval and rejection of any proposed ballot measure. A motion to approve provides for appointment of persons to committees advocating for approval or rejection of the ballot measure authorized by Resolution No. 1677.

### BACKGROUND

On January 22, 2024, Council adopted Resolution No. 1677 authorizing submission to the voters on August 6, 2024, a sales and use tax ballot measure in the amount of one-tenth of one percent (0.1%) as provided for by

RCW 82.14.450(2)(a). When a unit of local government submits a measure for inclusion in a voters' pamphlet, RCW 29A.32.280 requires the legislative authority of the local government to formally appoint members to committees to prepare arguments advocating approval and rejection of any proposed ballot measure.

The legislative authority must appoint committee members no later than the deadline calling for inclusion of the ballot measure in the voters' pamphlet (May 3<sup>rd</sup>). If the City is unable to locate people to serve on either or both committees, the City will notify King County Elections no later than 4:30 p.m. on the day of the appointment deadline and detail the efforts made to establish the committees.

### **LEGISLATIVE HISTORY**

On January 22, 2024, Council adopted Resolution No. 1677 authorizing submission to the voters on August 6, 2024, a sales and use tax ballot measure in the amount of one-tenth of one percent (0.1%) as provided for by RCW82.14.450(2)(a). The intention of the measure is to provide ongoing funding for public safety purposes in order to sustain current service levels impacted by inflation.

### **BUDGET IMPACTS**

After each committee has filed a statement, they will then need to prepare and submit a rebuttal to the statement provided by their counterpart by May 16, 2024.

## **PROPOSED ACTION**
