Goal	Goal	3	A vibrant and thriving small city economy that offers jobs providing salaries that match local housing costs; offers goods and services to meet the needs and wants of our citizens, visitors and employers; generates revenue to support City services, and supports Snoqualmie's distinctive character and quality of life.	Keep		I think this is OK save for the phrase "offers jobs providing salaries that match local housing costs" which doesn't match the mood of the moment							
Influence and Support for Economic Vitality	Objective	3.1	An environment that attracts quality, well-capitalized businesses and offers a compelling reason to justify investment in Snoqualmie.	Edit		well-capitalized?							
Land Use and Infrastructure	Objective	3.2	Land use plans, regulations, review processes and infrastructure improvements support economic growth and vitality.	Keep									
Employment	Objective	3.3	The City has jobs providing salaries that match local housing costs, and ensure stable revenues to support City services.	Keep									
Community Retail	Objective	3.4	The City has thriving community and neighborhood retail and civic centers serving residents, employees and visitors, which are distinguished by their target market, business mix, unique character and civic amenities.	Keep									
Tourism	Objective	3.5	The City has increased and directed visitor traffic to support tourism as a mainstay of the City's economic vitality.	Keep									
Community Distinctiveness & Quality of Life	Objective	3.6	The City protects and enhances the community's quality of life attributes and distinctive character to promote desired economic development.	Combine - Marketing									
Influence and Support for Economic Vitality	Policy	3.1.1	Advocate for Snoqualmie's economic interests at the county, state and federal level to <del>influence decisions that impact the City.</del>	Edit	Ok	ok, would like to define what "Economic interests" means							
Influence and Support for Economic Vitality	Policy	3.1.2	Ensure public investments are <del>targeted and equitable</del> to promote the vitality of all City commercial areas and businesses.	Edit	Revise to focus on DT and Ridge as commercial areas	What does "equitable" mean in this case? Geographically?		with punch-up	with punch-up	with punch-up			
Influence and Support for Economic Vitality	Policy	3.1.3	<del>Acknowledge the economic context created by Snoqualmie Nation development and pursue opportunities for beneficial connections and coordination.</del>	Move - CC	Delete; Move elsewhere; Snoqualmie Tribe should be mentioned in CC element instead?	Acknowledge where? Agree, delete.							X
Influence and Support for Economic Vitality	Policy	3.1.4	<del>Communicate and coordinate regularly with the business community regarding citywide economic development goals, objectives and policies, and seek input on new directions</del>	Remove	Delete; Programmatic								
Influence and Support for Economic Vitality	Policy	3.1.5	<del>Develop and annually review with the Economic Development Commission a Six-Year Strategic Plan for Economic Development.</del>	Remove	Delete; Programmatic	seems too specific							
Influence and Support for Economic Vitality	Policy	3.1.6	Participate in marketing and promotional activities that <del>create awareness of the City's business climate and specific attributes and</del> promote opportunities for business development in the City.	Combine - Marketing	Revised	ok	X						
Influence and Support for Economic Vitality	Policy	3.1.7	<del>Work with the Snoqualmie Valley Chamber of Commerce to encourage and assist local businesses to have a more robust website and social media presence, and to utilize evolving technologies for business promotion.</del>	Remove	Revise to focus on general CoC coordination	agree, shouldn't be so specific. This sort of thing seems to be more the CoC's type of work.		X		X			
Influence and Support for Economic Vitality	Policy	3.1.8	<del>Consider the potential impacts on local business fees when considering new policies, regulations or programs prior to enacting them.</del>	Edit		revised		with punch-up		with punch-up			with punch-up
Land Use and Infrastructure	Policy	3.2.1	<del>Provide sufficient, appropriately zoned area to support growth of targeted industry clusters; and improve the local jobs/housing balance</del>	Move - LU	Delete; Move to LU element	agree, delete							
Land Use and Infrastructure	Policy	3.2.2	<del>Plan for and maintain sufficient, suitable zoned capacity to accommodate business growth in order to Pursue Strategies to capture two-thirds of local resident spending on retail goods and services</del>	Edit	Consider rephrasing, is retail leakage still a big concern?	Think you could do other things as well to capture more revenue than zoned capacity. Consider moving to different section.							
Land Use and Infrastructure	Policy	3.2.3	<del>Provide efficient, high-quality project review services for business development projects, including pre-cost pre-application review and expedited permitting.</del>	Remove	Delete; If we want to keep the general idea, then it should be in Implementation	too specific.							
Land Use and Infrastructure	Policy	3.2.4	Support home-based businesses that are compatible with neighborhood character, while managing <del>potential</del> adverse impacts <del>by such actions as limiting signs, hours of operation, external uses, parking and truck deliveries.</del>	Remove	Revised to keep it more general								
Land Use and Infrastructure	Policy	3.2.5	<del>include a market factor when planning and zoning for commercial and industrial uses;</del>	Remove	Deleted as unneeded; buildable lands methodology includes this	agree, delete							
Land Use and Infrastructure	Policy	3.2.6	<del>Pursue transportation improvements and amenities that improve quality of life for City residents and support business growth, specifically: a- Work with the Washington State Department of Transportation for redesign or removal of the westbound weigh station on SR near exit 25 to allow for a dedicated right turn lane onto I-90 from the Snoqualmie Parkway; b- Plan and provide complete street road connections from the Snoqualmie Parkway and Snoqualmie Ridge Business Park; and from the Snoqualmie Casino through the Snoqualmie Hills planning area to downtown Snoqualmie; c- In conjunction with Metro and employees, pursue additional bus service, shared ride options, and park-and-ride facilities to serve local employers and employees, as well as resident commuters.</del>	Move - Transportation	Delete; If keep, move to Transportation								
Land Use and Infrastructure	Policy	3.2.7	<del>Ensure sufficient water capacity and wastewater treatment capacity are available to support planned economic development within the mill site and urban growth area.</del>	Remove	delete; Should be part of Utilities	agree, delete							
Employment	Policy	3.3.1	Build on local opportunities and competitive advantages by targeting specific business and industry sectors identified by the Puget Sound Regional Council's regional economic development strategy.	Keep	Minor revision			with punch-up (could actually name those identified sectors)			with punch-up		
Employment	Policy	3.3.2	<del>Expand the Snoqualmie Ridge Business Park to the east within the West Snoqualmie Hills Planning Area</del>	Remove	delete?; Deleted pending Council discussions on SnoHills West	need more info							
Employment	Policy	3.3.3	Market Snoqualmie's strengths to proactively attract targeted industry sectors through activities such as developing industry relationships, increased presence in trade organizations, coordination with brokers, and targeted advertising.	Combine - Marketing	Keep	Should combine with 3.1.6	X						
Employment	Policy	3.3.4	Apply zoning controls that limit uses with low employment density, lower wage jobs, and/or minimal tax revenue to the City, <del>particularly in the Snoqualmie Hills and Hills Planning Areas, including uses such as warehouse, distribution, server farms and similar uses.</del>	Edit	Minor revision. This has historically been important	interesting. Would recommend making more general.				X			
Employment	Policy	3.3.5	Support and encourage new and expanded business and industry growth that provides higher employment density, jobs with salaries matching local housing costs, and employment opportunities suited to the education level and skills of our current and future population.	Edit	Keep		X				X		

Employment	Policy	3.3.6	Encourage, pursue and promote opportunities for job skill training and higher and continuing education within the City.	Edit	Keep	reconsider...needs more clarity of purpose.				with punch-up
Community Retail	Policy	3.4.1	Employ business mix, urban design, branding, and marketing strategies that emphasize the strengths, opportunities and economic development objectives of the City's different retail business districts, as shown in Figure 3.1.	Combine - Marketing	Revised	Should combine with 3.1.6	x			X
Community Retail	Policy	3.4.2	<del>Recognize the contribution of existing small business to the Snoqualmie community and work to retain and recruit smaller-scale, locally-based, and independently-owned businesses within the Downtown, Meadowbrook and Snoqualmie Ridge retail areas.</del>	Edit	Revised	Recognize where?			with punch-up	with punch-up
Community Retail	Policy	3.4.3	<del>Maintain the City's distinct "main-street" retail environment, requiring buildings and storefronts in the Downtown-Meadowbrook, and the Snoqualmie Ridge retail areas to be set to adjacent public street right-of-way to maintain pedestrian orientation, storefront visibility and streetscape character.</del>	Move - CC	Delete; Programmatic	better in community character				
Community Retail	Policy	3.4.4	<del>Maintain limits on retail store size and height appropriate to the existing and desired character of each retail district.</del>	Move - CC	Delete; Redundant	to 3.4.1				
Community Retail	Policy	3.4.5	Optimize the use of ground floor spaces for retail uses by directing office, service and other non-retail uses to side streets and upper floors within retail districts.	Move - CC	Keep?	What does "direct" mean in this case? Sounds more like community character				
Community Retail	Policy	3.4.6	<del>Expand the Downtown commercial district as directed by the Downtown Master Plan, to allow for a larger critical mass of retail business, strengthen its tourism potential, and maintain its traditional function as a civic center and community gathering place.</del>	Remove	Major questions here.	If this is already in the DMP, no need to state it here.	X	X		X
Community Retail	Policy	3.4.7	<del>Encourage formation of non-profit Downtown and Snoqualmie Ridge merchant organizations dedicated to implementing the National Main Street Program approach to improve retail district visibility and to qualify for a Main Street Program tax incentive.</del>	Remove	Delete; Already implemented downtown and Ridge will start again soon					
Community Retail	Policy	3.4.8	<del>Promote infill and redevelopment within the Downtown commercial area, consistent with the historic and landmark district purposes and design standards, including provision of mill storefronts oriented to Falls Avenue, as recommended by the Downtown Vision and Downtown Master Plans.</del>	Remove	Keep?	what does "promote" mean in this case?				
Community Retail	Policy	3.4.9	<del>Reserve the vacant City-owned King Street property for a future commercial development with a ground floor, retail-anchored tenant oriented to Railroad Avenue and King Street. Apply appropriate land use and design specifications as identified by the Downtown Master Plan and Economic Development, Marketing and Branding Plan, and in the interim promote temporary uses and events to support Downtown tourism.</del>	Remove	Delete; Implemented (Sigillo project)					
Tourism	Policy	3.5.1	<del>Ensure land use regulations support and promote development of appropriate forms of overnight lodging for the Downtown, Snoqualmie Falls and Snoqualmie Ridge commercial areas.</del>	Reconsider	Keep	Is there more activity on this beyond the Snoqualmie Inn or whatever it's called?	X			
Tourism	Policy	3.5.2	Maximize the Snoqualmie River as a tourism asset by protecting downtown riverfront properties from erosion and opening the riverfront to visitors by developing a looped "riverwalk" trail with connections to the local Centennial Trail and the regional Snoqualmie Valley and Preston-Snoqualmie trails.	Reconsider	Revise	reconsider	X			
Tourism	Policy	3.5.3	Promote historic and cultural events, activities and urban design elements that build a distinctive sense of place and attract visitors, such as art and music events and public artworks.	Keep	Keep					with punch-up
Tourism	Policy	3.5.4	Provide attractive and engaging gateway and place-making elements along with effective wayfinding signage for the Downtown, Snoqualmie Ridge and Kimball Creek Village retail centers, as shown in Figure 5.1, to enhance district identity and support tourism.	Reconsider	Minor revision	Kind of squished in with CC...not sure				
Tourism	Policy	3.5.5	<del>Improve the retail business mix, complete facade and streetscape improvements, preserve historic properties, apply appropriate design and maintenance standards, and implement Downtown Main Street Districts for public event and community gathering places to enhance the distinctiveness and tourism draw of the downtown.</del>	Remove	Delete Redundant					
Tourism	Policy	3.5.6	Promote and market Snoqualmie to outside users, prospective businesses and local residents as a place to engage in numerous outdoor recreation activities, and appreciate the City's unique scenic and natural landscape.	Combine - Marketing	Needs revising	Should combine with 3.1.6	X			
Tourism	Policy	3.5.7	<del>Make optimum Use of Meadowbrook Farm, Snoqualmie Point Park, and other large park and open space properties as premier event venues, while also promoting their passive use and enjoyment by visitors and local residents.</del>	Reconsider	Needs revising	not sure about this one	X			
Tourism	Policy	3.5.8	<del>Work with the Northwest Railway Museum to enhance the tourism draw of their facilities and collection, as recommended in the Economic Development, Branding, and Marketing Plan.</del>	Remove	Needs revising	If already in the Economic Development, Branding and Marketing Plan, don't need to repeat here.				
Tourism	Policy	3.5.9	Support resource-based industries in the local economy, such as outdoor recreation oriented business, locally-grown food production and artisan food entrepreneurs.	Reconsider	Delete; Part of the industry clusters/focus industries stuff		x	x		x
Community Distinctiveness & Quality of Life	Policy	3.6.1	<del>Balance development with environmental protection and conservation to maintain and enhance the health and beauty of the City's natural setting.</del>	Move - CC	Delete; Belongs in CC element

Section	Type	Text
	Policy	Consider potential impacts, including risk of physical, economic, and cultural displacement, on local business when considering policies, regulations, investments, or programs.
	Goal	
	Policy	need one about business types
	Policy	need one about capturing tax revenue
	Policy	Retain and recruit smaller-scale, locally-based, and independently-owned businesses.
	Goal	
	Policy	Pursue strategies to encourage more retail and service options within the City.
	Policy	Protect and promote the City's distinct mix of natural beauty, historic buildings, and walkable communities to foster desired economic development.
	Policy	Provide attractive and engaging gateway and place-making elements that help to define distinct identities for Snoqualmie's commercial districts.
	Policy	Leverage Snoqualmie's distinctive sense of place and unique assets such as Meadowbrook Farm, Snoqualmie Point Park, and other large park and open spaces to attract visitors through historic and cultural events, activities, and design elements.
	Goal	
	Policy	need one about housing; e.g. Encourage development of a range of housing opportunities to accommodate Snoqualmie's workforce.
	Policy	Ensure City investments, plans, and regulations promote economic growth and vitality equitably across all City commercial areas, business types, and local communities.
	Policy	Advocate for Snoqualmie's economic interests at the county, state and federal level.
	Goal
