SUMMARY

INTRODUCTION

This agenda Bill seeks approval to adopt the updated Snoqualmie Parks, Recreation, Open Space and Trails Plan (2025).

LEGISLATIVE HISTORY

The Snoqualmie 2018 Open Space, Parks, and Recreation Plan consists of amendments and updates to the 2012 Plan, adopted by Resolution 1137 in 2012. The Parks and Events Commission approved and recommended the City of Snoqualmie 2012 Open Space, Parks and Recreation Plan for City Council consideration in January 2018, and held a public hearing on the draft plan on January 16, 2018. An updated 2018 Snoqualmie Open Space, Parks and Recreation Plan was adopted by Resolution 1436 on February 12, 2018.

BACKGROUND

The City maintains an Open Space, Parks, and Recreation Plan to guide the development, improvement, and use of its open spaces, parks, and recreation facilities. The Plan assesses the strengths and weaknesses of

the current park system, provides direction for future development and capital expenditures, and establishes an implementation program. The Plan contains numerous policies related to the parks system and analyzes parks level of service. An up-to-date Plan is also necessary to maintain the City's eligibility for certain grant programs.

ANALYSIS

The 2025 update is a new planning effort for the City's Parks, Recreation, Open Space and Trails effort to identify the City's needs and goals in these areas. This plan builds upon the previously approved and implemented 2018 Open Space Plan as well as input from new stakeholder feedback, citizens comments. Showcasing the new desires, opportunities, and commitments the city has for its parks, trails, and open spaces. This effort includes a detailed inventory and condition assessment to better identify improvements and maintenance needs. And Lastly, this update includes a detailed CIP plan that incorporates the approved 2025-2030 Non-Utility CIP with strategic planning efforts beyond the six-year planning window of the CIP.
