SUMMARY

INTRODUCTION

The purpose of this agenda bill is for Council consideration and approval of the 2023 Salary Schedule for nonrepresented management & professional employees. The AB is a partner bill to AB22-76: 2023-2024 Biennial Budget.

LEGISLATIVE HISTORY & BACKGROUND

The City Council first approved a Management & Professional's salary schedule in January 2006 and has subsequently approved the salaries of non-represented employees on an annual basis, considering a cost-ofliving adjustment in each year. Periodically the city undergoes a class and compensation study to determine if the salaries and benefits provided by the city are within the regional market ranges for each class and positions. The city is currently in the process of studying salary and benefits and has contracted with GovHR in 2022. This study is nearing completion and the City Council will receive a presentation and report on November 28, 2022. The most recent salary schedule was approved and effective January 1, 2022.

ANALYSIS

The Administration is proposing a 3.5% cost of living adjustment of salaries for the non-represented, management and professional's employee group for 2023. Regional community neighbors of the city are planning on cost-of-living adjustments that range between 3.5% and 10.0%. The proposed 2023 cost of living adjustment is based on internal equity with the represented (union) employees receiving on average 3.5% adjustments as per the collective bargaining agreements. The overall cost of a 3.5% cost of living adjustment for non-represented employees is estimated at \$170,000. (See Exhibit 1)

BUDGET IMPACTS

Proposed salary adjustments are included in the proposed in the 2023-2024 Biennial Budget.

NEXT STEPS

This Agenda Bill is a partner bill with AB22-076: 2023-2024 Biennial Budget which is adopted through an Ordinance of the City Council. The Salary Schedule is planned for final approval November 28, 2022 along with the budget adoption.
