## SUMMARY

#### SUMMARY STATEMENT

The City of Snoqualmie (City) recently completed negotiations with the Public, Professional, & Office-Clerical Employees and Drivers (Teamsters) Local Union No. 763. The resultant collective bargaining agreement ("CBA"), if approved by council, will last through the end of 2026 and apply retroactively to January 1, 2023.

#### BACKGROUND

Teamsters Local Union No. 763 (Teamsters) represents the Public, Professional, Office-Clerical Employees, and Drivers of the City of Snoqualmie. The previous CBA spanned a length of one years from 2022-2023 (Exhibit A). Regular negotiation meetings with Teamsters began in the fourth quarter of 2022 and lasted through October 2023. The City contracted for consulting services with Summit Law Group to assist with the negotiation of this agreement.

#### ANALYSIS

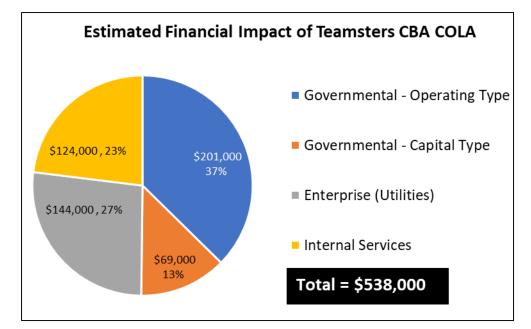

The term of the agreement is January 1, 2023, through December 31, 2026. The City of Snoqualmie (City) and Teamsters Local Union No. 763 (Teamsters) settled on a four-year agreement. The new agreement increases salaries to the 60<sup>th</sup> percentile, improves fiscal security regarding uniforms, and modifies the overtime language to simplify it while removing "double-time". Additionally, the agreement accounts for a 6% COLA in 2023, a 4% COLA in 2024 and a range between 1.5% and 3% for the remaining two years. Finally, much time was spent working through the entire agreement to bring it up to date with current labor laws and standards and to make it easier to read and interpret.

#### **BUDGET IMPACTS**

The Administration recommends approving the 2023-2026 Collective Bargaining Agreement (CBA) with Teamsters. The CBA includes a new salary schedule based on the 60<sup>th</sup> percentile recommended by HRGov, as presented to Council on February 13, 2023 as part of Agenda Bill AB23-017, adding in a 6% COLA in 2023, a 4% COLA in 2024 and a range between 1.5% and 3% for the remaining two years. This is expected to cost the City an additional \$537,397 in wages and wage-based benefits (Social Security, Medicare, pension, etc.) over the amounts budgeted in the 2023-24 Biennial Budget. This estimate assumes full staffing. The City approved a 2023-2024 Biennial Budget across various funds with a 3.4% cost-of-living adjustment for 2023 and a 3.5% cost-of-living adjustment for 2024. The City's budget also included 2-6% increases annually in medical, dental, and vision benefits.

Since the adoption of the 2023-2024 Biennial Budget, some vacancies have resulted in salary savings and several positions have new hires rather than experienced employees, resulting in actual salary and benefit costs that are less than the amounts budgeted. These savings are applied against the CBA's total expected cost of \$735,142, resulting in a needed additional appropriation of \$537,397, plus Internal Service allocations. The remaining \$197,745 of the expenditures related to the new CBA are expected to be absorbed by the current biennial budget. The Administration will bring forth an amendment in 2024 to account for this required appropriation of \$537,397, plus Internal Service estimates shown in Table 2.

The adjacent chart and Table 1 break down the impact of the COLA on the four "buckets" of funds and the many departments and divisions impacted.
