

Attachment 6 Environmental Element Public Comments Table

Date	Source	Comment	Category
4/6/2023	Open House	Please consider the climate crisis in all decisions going forward.	Environment
4/26/2023	Online Survey	Would love to see housing start to level out and the focus to shift to maximizing the natural environment and creating and maintaining spaces to recreate in nature. This is such a beautiful area!	Environment
7/12/2023	Online Survey	Green space and proximity to nature is why we became new residents this year. I don't think we lack for parks or great environment.	Environment
10/18/2023	Open House	Please maintain Snoqualmie's original plan to NOT clear cut for development and to maintain pockets of natural growth. SO disappointing that recent development ignored original design/planning and space limits (hotel!!) Thanks!	Environment
5/24/2023	Online Survey	Snoqualmie is an amazing place to live, and appreciate the thought and care that City leadership is putting into this effort. Leveraging Snoqualmie's natural setting and strengths (river, mountains, Valley, trails) for measured growth and reinvestment should be the focus of the next 20 years.	Environment
10/18/2023	Open House	We have lost trees from the last storm (2022-2023). Please replace the trees to keep Snoqualmie beautiful.	Environment
10/18/2023	Open House	Where the hell is the contamination? Your map doesn't show contamination.	Environment
10/18/2023	Open House	Concerned about the 4 stages of development affecting stream flow (Kinble Creek). Is there a zero rise analysis being completed by the developer?	Environment
