- A. This Agreement shall commence on the Agreement Start Date and shall terminate on the Agreement End Date as specified on page 1 of this Agreement, unless extended or terminated earlier, pursuant to the terms and conditions of the Agreement.
- B. This Agreement may be terminated by the County without cause, in whole or in part, prior to the Agreement End Date, by providing the other party thirty (30) days advance written notice of the termination. The Agreement may be suspended by the County without cause, in whole or in part, prior to the date specified in Subsection 1.A. above, by providing the Recipient thirty (30) days advance written notice of the suspension.
- C. The County may terminate or suspend this Agreement, in whole or in part, upon seven (7) days advance written notice in the event: (1) the Recipient materially breaches any duty, obligation, or service required pursuant to this Agreement, or (2) the duties, obligations, or services required herein become impossible, illegal, or not feasible. If the Agreement is terminated by the County pursuant to this Subsection 1.C. (1), the Recipient shall be liable for damages, including any additional costs of procurement of similar services from another source.

If the termination results from acts or omissions of the Recipient, including but not limited to misappropriation, nonperformance of required services, or fiscal mismanagement, the Recipient shall return to the County immediately any funds, misappropriated or unexpended, which have been paid to the Recipient by the County.

- D. If County or other expected or actual funding is withdrawn, reduced, or limited in any way prior to the termination date set forth above in Subsection 1.A., the County may, upon written notification to the Recipient, terminate or suspend this Agreement in whole or in part.

If the Agreement is terminated or suspended as provided in this Section: (1) the County will be liable only for payment in accordance with the terms of this Agreement for services rendered prior to the effective date of termination or suspension; and (2) in the case of termination the Recipient shall be released from any obligation to provide such further services pursuant to the Agreement ; and (3) in the case of suspension the Recipient shall be released from any obligation to provide services during the period of suspension and until such time as the County provides written authorization to resume services..

Should such appropriation not be approved, this Agreement will terminate at the close of the current appropriation year.

- E. County funds must supplement, not replace (supplant) non-county funds. Recipient must ensure that County funds do not supplant funds that have been budgeted for the same purpose through non-County sources. Recipient may be required to demonstrate and document that a reduction in non-County resources occurred for reasons other than the receipt of expected receipt of County funds.
- F. Nothing herein shall limit, waive, or extinguish any right or remedy provided by this Agreement or law that either party may have in the event that the obligations, terms, and conditions set forth in this Agreement are breached by the other party.

- B. The County will notify the Recipient in writing of the County's determination as to the sufficiency of the Recipient's corrective action plan. The determination of sufficiency of the Recipient's corrective action plan shall be at the sole discretion of the County;
- C. In the event that the Recipient does not respond within the appropriate time with a corrective action plan, or the Recipient's corrective action plan is determined by the County to be insufficient, the County may commence termination or suspension of this Agreement in whole or in part pursuant to Section 1.C.;
- D. In addition, the County may withhold any payment owed the Recipient or prohibit the Recipient from incurring additional obligations of funds until the County is satisfied that corrective action has been taken or completed; and
- E. Nothing herein shall be deemed to affect or waive any rights the parties may have pursuant to Section 1., Subsections B, C, D, and E.

9. Dispute Resolution

The parties shall use their best, good-faith efforts to cooperatively resolve disputes and problems that arise in connection with this Agreement. Both parties will make a good faith effort to continue without delay to carry out their respective responsibilities under this Agreement while attempting to resolve the dispute under this section.

10. Hold Harmless and Indemnification

- A. In providing services under this Agreement, the Recipient is an independent contractor, and neither it nor its officers, agents, employees, or subcontractors are employees of the County for any purpose. The Recipient shall be responsible for all federal and/or state tax, industrial insurance, and Social Security liability that may result from the performance of and compensation for these services and shall make no claim of career service or civil service rights which may accrue to a County employee under state or local law.

The County assumes no responsibility for the payment of any compensation, wages, benefits, or taxes, by, or on behalf of the Recipient, its employees, subcontractors and/or others by reason of this Agreement. The Recipient shall protect, indemnify, and save harmless the County, its officers, agents, and employees from and against any and all claims, costs, and/or losses whatsoever occurring or resulting from (1) the Recipient's failure to pay any such compensation, wages, benefits, or taxes, and/or (2) the supplying to the Recipient of work, services, materials, or supplies by Recipient employees or other suppliers in connection with or support of the performance of this Agreement.

- B. The Recipient may furnish separate certificates of insurance and policy endorsements for each sub-awardee as evidence of compliance with the insurance requirements of this Agreement. The Recipient is responsible for ensuring compliance with all of the insurance requirements stated herein. Failure by the Recipient, its agents, employees, officers, sub-awardee, providers, and/or provider sub-awardees to comply with the insurance requirements stated herein shall constitute a material breach of this Agreement. Specific coverages required by this contract are contained in Appendix 1.

The County requires these Endorsement(s) to complete the Contract.
 - b. Such coverage shall be primary and non-contributory insurance as respects the County, its officers, officials, employees and agents.
 - c. The Contractor's insurance coverage shall apply separately to each insured against whom a claim is made and/or lawsuit is brought, except with respect to the limits of the insurer's liability.

2. All policies

- b. Each insurance policy shall be written on an "occurrence" basis/form; except that insurance on a "claims made" basis/form may be acceptable with prior County approval.

If coverage is approved and purchased on a "claims made" basis/form, the Contractor warrants continuation of coverage, either through policy renewals or the purchase of an extended discovery period, if such extended coverage is available, for not less than three (3) years from the date of Contract termination and/or conversion from a "claims made" form to an "occurrence" coverage form.

3. County's receipt or acceptance of Contractor's evidence of insurance without comment or objection, or County's failure to request certified copies of such insurance does not waive, alter, modify or invalidate any of the insurance requirements set forth above or, consequently, constitute County's acceptance of the adequacy of Contractor's insurance or preclude or prevent any action by County against Contractor for breach of the insurance requirements.

F. Insurance for subcontractors

1. If the Contractor subcontracts any portion of this Contract pursuant to Section XIII, the Contractor shall include all subcontractors as insureds under its policies or shall require reasonable and appropriate insurance coverage and insurance limits to cover each of the subcontractors liabilities given the subcontractor's scope of work and the services being provided herein. G. All coverages and requirements

Nothing contained within these insurance requirements shall be deemed to limit the scope, application and/or limits of the coverage afforded by said policies, which coverage will apply to each insured to the full extent provided by the terms and conditions of the policy(s). Nothing contained within this provision shall affect and/or alter the application of any other provision contained within this Contract.

Public Health—Seattle & King County, Emergency
Medical Services Division Exhibit C – Scope of Work
Mobile Integrated Healthcare

1. Purpose:

Agencies will receive funding for participation in Mobile Integrated Healthcare (MIH) efforts. The EMS Division will make available the guidelines, aims, objectives, metrics, and reporting requirements of MIH programs. Agencies must register their MIH program with the EMS Division and identify their MIH program as a “Response” model, “Referral” model, or both.

The EMS Division and its regional partners will collaboratively identify major components of the MIH efforts, including minimum standards for “Response” and “Referral” models of providing MIH services, costs eligible for reimbursement, and reporting methods.

Costs eligible for reimbursement through this contract include expenses related to personnel, program support, vehicle/vehicle support, technology/reporting, and professional services. More details about these categories are made available by the EMS Division.

Agencies will provide the MIH services and submit invoices for reimbursement at least annually (monthly or quarterly are also allowable).

Reimbursement requested via this scope of work should also not be requested for reimbursement under the current Basic Life Support or Advanced Life Support (where applicable) contracts with the EMS Division.

2. *The Agency shall:*

A. General:

- i. Comply with all requirements as specified in current Basic Life Support (BLS) contracts with the EMS Division.
- ii. Where applicable, comply with all requirements as specified in current Advanced Life Support (ALS) contracts with the EMS Division.
- iii. Register their MIH program with the EMS Division.
- iv. Assist with regional MIH assessment and report key indicators to the EMS Division, King County EMS Advisory Committee (EMSAC), and other entities as requested. Provide EMS Division with case management data for regional evaluation and assessment.
- v. Establish and keep updated an Agency Contact person or persons for the purposes of MIH efforts.

- B. Response (where applicable):
- i. Staff the MIH “Response” unit with at least one EMT-trained and certified responder.
 - ii. MIH unit may serve as a dispatched response unit to low acuity medical 9-1-1 incidents in lieu of the traditional BLS response.
 - iii. Respond in a non-code status (with flow of traffic), without lights and sirens.
 - iv. At scene on all dispatched incidents, a trained and certified EMT will perform the initial assessment and evaluation using standard King County EMT Patient Care Guidelines. Activities following the initial medical assessment or for any non-dispatched interaction may include non-EMT personnel in an effort to seek the optimal patient care and appropriate disposition, including identifying if a patient could benefit from referral to follow-up treatment, care, or social service assistance and initiating that care.
- C. Liability and Medical Oversight
- i. King County Medical Program Direction and medical oversight remains in place for EMT personnel. Agency should ensure liability coverage and appropriate medical direction and oversight is in place for non-EMT personnel participating in activities described in this Scope.
- D. Invoices:
- i. Submit an invoice (monthly, quarterly, or annually) along with proper documentation to justify expenses requested for reimbursement.

3. *Public Health—Seattle & King County, Emergency Medical Services Division, shall:*

- A. Reimburse Agency for expenses related to the Agency MIH Program.
- B. Facilitate meetings of the EMS Division and Regional MIH Network (i.e., MIH stakeholder group) to maintain communication and partnership with the Agency regarding all contract funded activities.
- C. Assist with regional MIH assessment and report key indicators to the Agency, King County EMS Advisory Committee (EMSAC), and other entities as requested.
- D. Establish and keep updated an EMS Division Contact person or persons for the purposes of MIH efforts.
