Impact Ministries has been selling fireworks in the parking lot located at 34828 SE Douglas Street (Safeway Parking Lot) for several years. In previous years, Impact Ministries has complied with all requirements and inspection schedules as mandated by the fire department and have been receptive to feedback when changes were needed. Fireworks stands within Snoqualmie can only sell Snoqualmie-compliant fireworks, which Impact Ministries has been compliant with in previous years. Impact Ministries have kept their locations clean and safe and have removed their stands promptly after the 4th of July as required per SMC timelines.

Analysis*

Impact Ministries have complied with all requirements set forth in SMC 8.30 and the Washington State Patrol office of the State Fire Marshal as found in the supporting documents. They possess a valid Consumer Fireworks Retail Sales Stand License (WAS2155) issued by the Office of the State Fire Marshall. The Safeway location is one that has been utilized in the past and meets all requirements of the SMC. The Fire Chief recommends approval of this location and permit for the retail sale of fireworks.
